## ITALIAN ENVOY RUSHES TO CONFERENCE WITH HITLER

### WITNESS STATES AMERICAN REDS STALIN AGENTS

“Exerts Foreign Organizations  
Constitute Huge Potential  
Spy Rings”  
SAYS WIFE AND SON HELD  
AS HOSTAGES IN RUSSIA  
Testimony Given Before Dies  
Committee Investigating  
Un-Americanism

WASHINGTON, Sept. 30.—(AP)—A self-styled “charter member” of the Communist party of the United States told the house committee investigating un-Americanism today that “alleged political parties” in this country which “are really agents of foreign governments” constitute huge potential spy rings.

Joseph Zack, New York garment worker, who said he was an erstwhile agent of the Communist, made that statement toward the close of a day of testimony concerning the Communist party’s penetration of the American labor movement.

He agreed, in response to questions, that both the Communist party and the German-American Bund would be the sources of “a wealth of information” constantly going to Hitler and Stalin in the event of the United States being drawn into a war.

Members of the Communist party “work only for Joe Stalin,” he said when Chairman Dies, Democrat, Texas, asked him whether they would be available for Russian espionage in this country.

The party, he testified, considered it “its duty to expose” the Communist leadership in spite of his belief that the Soviet government was holding his wife and young son as “hostages” in an effort to insure his silence.

Zack related that he took his family to Russia when the central committee of the party sent him there in 1927 and that he left them in Moscow when he was sent to Venezuela by the Communist two years later.

Since then, he said, repeated efforts to get his wife and son out of Russia had failed.

Zack said he was a native of Scranton, Pa., and that his son was born in New York City in 1927. Committee attaches said his wife was Polish.

After testifying that he broke with the Communist party in 1934 because of what he called the “unprincipled” reversal of policy dictated by the Soviet government, Zack was questioned at length about his work as secretary of the Trade Union Unity League. He testified the union was the party’s vehicle in this country for organizational and propaganda work in the labor movement.

In response to questions, he said Communists controlled 11 of the C. I. O.’s national organizations but expressed belief they did not dominate the entire organization or its policies.

However, he prophesied that if John L. Lewis, C. I. O. president, tried to rid the C. I. O. of Communists “he will not find it easy.”

Zack was uncertain as to the formal titles of the C. I. O. organizations which he said Communists controlled. He identified 10, however, as follows:

“Furriers’ union; an independent transport workers’ group which he said formed part of the C. I. O.’s Brotherhood of Railway Carmen; the National Maritime union, United Automobile Workers, United Electrical and Radio Workers, Union of Office and Professional Workers, United Cannery, Agricultural, Packing and Allied Workers, Furniture Workers, the American Communications association and the Federation of Architects, Engineers, Technicians and Chemists. He said Communists also controlled a few branches of the

SERIOUS SIDE OF AMERICAN LEGION CONVENTION

The usual series of good-natured pranks was in evidence at the annual national convention of the American Legion in Chicago—but these candid studies of veterans at one of the sessions well typify the serious side of the meeting, especially when the subjects of the European war and American neutrality were discussed. ### POPE SAYS POLAND ‘NOT GOING TO DIE’

CASTEL GANDOLFO, Sept. 30.—(AP)—Pope Pius XII expressed the hope today that religious freedom would survive in dismembered Poland “despite many reasons for fear given by the too well-known designs of enemies of God.”

Speaking at an audience for Polish residents of Rome in his first public utterance since the invasion of Poland, the pope admonished his hearers that “as you shed bitter tears for your dead, remember that Poland is not going to die.”

“May Christ, who wept at the death of Lazarus and over the ruin of his fatherland, gather and some day compensate you for the tears you spill over your dead and over that Poland which does not want to die.”

### ONE KILLED, 7 HURT IN TRUCK ACCIDENT

MINDEN, La., Sept. 30.—(AP)—Leonard White, 29, oil field worker of near Dubberly, La., was fatally hurt and seven other men were injured when a truck in which they were riding collided with a runaway automobile belonging to James Smokey on the Minden-Homer highway about three miles from Minden yesterday afternoon. Smokey’s car, it is reported, had rolled from the driveway of his home to the highway where it was hit by the truck, which turned over.

Injured men taken to a sanitarium in Minden were Bill Denham, reported to have been driving the truck; Raymond Carnahan, Bill Miller, Martin Talton, Robert Shadow, Luther Monzingo and Weston Shadow. Carnahan, most seriously hurt, was reported today as improving and expected to recover.

White, who died a few hours after the accident, is survived by his wife and six months old child.

### WOMAN IS HIT BY CAR, ARM BROKEN

W. C. Fleet Says Mrs. Icy S. Willis Stepped Into Path  
Of Auto

Mrs. Icy S. Willis, 1109 North Second street, West Monroe, suffered a fractured right arm about 6:15 p.m. yesterday when she was said to have walked into the path of an automobile driven by W. C. Fleet, 49, of Hotel Frances. The accident occurred near the intersection of Washington and North Fourth streets in Monroe.

Mrs. Willis was said to have been crossing North Fourth street when the automobile, traveling south on North Fourth, hit her, knocking her to the pavement. Fleet stopped his machine quickly, it was reported, and took Mrs. Willis to St. Francis sanitarium.

Her right upper arm was broken and she suffered bruises. Her condition was not thought to be serious. “In a statement to police, Fleet said, ‘I was driving slowly, because traffic was heavy, when the lady stepped from in front of a truck into the left front fender of my car.’”

A second accident, in which no one was reported hurt, occurred about 9:30 p.m. at the intersection of Washington and North Tenth streets when automobiles, reported driven by H. F. Miller, 22, of West Monroe, and William Butcher, 24, negro, of Girard, collided. The body of the negro’s machine was demolished, police said, and the front end of Miller’s machine was badly damaged.

### OUACHITA’S FAIR OPENS TUESDAY

Larger Displays And Attractions Provided For Annual Parish Event

The Ouachita Valley fair will be thrown open to the public of north-east Louisiana on Tuesday and will be continued through the remainder of the week and on Sunday, October 8, with larger displays of agricultural products, livestock and home economics than have ever been attempted here in past years. Several new buildings to accommodate livestock have been erected, the main exhibition building has been improved and the grounds have been given careful attention to insure a highly successful exhibition.

Officers of the fair are the following: C. C. Bell, president; A. Petrus, treasurer; John H. Birdsong, manager; Mrs. Jewell McQuillier, home demonstration agent; D. L. Borman, Jr., parish agricultural agent; E. S. Ely, secretary. These officers are aided materially in the conduct of the fair by members of the board of directors who are H. M. Williams, Jr., Oscar McDonald, Herman McGuire, G. E. Tyner, George Charles Schulze, E. E. Pritchett, G. A. Strozier, George Welch, Sidney Stewart and Fred G. Thatcher, officers of the fair comprising ex-officio members of the board.

In addition to the exhibits there will be Glad Way attractions and rides and also the West Monroe Rodeo association will present six thrilling performances. The opening one will be on Tuesday night while other performances are scheduled for Wednesday, Thursday, Friday, Saturday and Sunday. There will be trick riding, bulldogging, bronc riding, calf roping, Brahma bull riding, high school horse and clown acts, mane-holding mule riding and wild Brahma cow milking.

On Thursday at 3 p.m. Harry D. Wilson, commissioner of agriculture and immigration, will address the fair. Friday has been designated as Home

### NEW YORK STATION ‘BOMBING’ IS DUD

NEW YORK, Sept. 30.—(AP)—The “bombing” of Grand Central Station tonight was a complete dud, the “zero hour” of 6 p.m. eastern standard time, passing without any more untoward incident than the arrival and departure of a few trains and thousands of innocent travelers.

A hundred detectives took up guard at the station shortly before 6 p.m. after a Queens resident reported he received a mysterious telephone message that a bombing was scheduled for that hour. Nothing happened, however.

Raymond F. Clair, of Jamaica, told police the caller, a man, first asked to speak to “Mr. Kuhn.” When Clair told the speaker “Mr. Kuhn” did not live there and that he did not know him, the caller gave Clair the message, prefacing it with “tell Mr. Kuhn.”

When Clair’s report was relayed to Manhattan police headquarters, more than 100 detectives were sent to the station, one of New York’s major transportation centers, and railroad officials were warned to be on the lookout for any suspected persons or packages.

### GRAND JURY AT RUSTON CHARGES CONFIDENCE GAME

Bills Grow Out Of Investigation Of Irregularities At Louisiana Tech

FIVE WILL BE ARRAIGNED  
IN COURT ON OCTOBER 1

Judge Walker States Trials  
Probably Will Be First In  
Fall Term

RUSTON, La., Sept. 30.—(Special)—Three bills of indictment Saturday were returned by the Lincoln parish grand jury as a result of its investigation of financial irregularities in the construction of Leche hall, Louisiana Tech’s administration building.

One bill, charging the obtaining of \$27,000 “by means of false pretenses,” indicted former Governor Richard W. Leche; Leon C. Weiss, F. Julius Dreyfous and Solis Seifeth of New Orleans, members of the architectural firm furnishing plans for the Tech building; and Monte E. Hart of the Caldwell Brothers and Hart Contracting company of New Orleans, who built the structure.

For operating a confidence game, with the sum of \$27,000 involved, the same five men were billed in another indictment.

The third indictment charged Weiss, Dreyfous, Seifeth and Hart, citing that they “did wilfully, feloniously, maliciously and unlawfully receive and have in their possession \$35,855 that had been feloniously by false pretenses obtained from the state of Louisiana, the Louisiana state board of education and Louisiana Polytechnic institute.”

District Judge E. L. Walker, who received the grand jury’s report Saturday, fixed bonds of \$10,000 each on the indictment of false pretenses, \$5,000 each for the confidence game charge and \$10,000 each on the indictment pertaining to having the money in possession unlawfully.

Sheriff J. Bryan Thigpen said he planned on Monday to telephone sheriffs in the respective parishes of the

### HEBERT SUPPORTS LOCAL AIR CORPS

Says He Will Recommend To  
L. S. U. Board That Unit Be  
Established

That Northeast Junior college will be recommended to the Louisiana State university’s board of governors for the establishment of a unit for aviation instruction sponsored by the Civil Aeronautics authority, was assured Saturday. A group of representative Monroe business men brought back information that President Paul Hebert, of Louisiana State university, after a conference with them, said he will recommend to the university’s board of governors that the college here be permitted to establish an aviation corps.

The next board meeting is scheduled for October 14 but a special meeting may be called prior to that date, it was said.

The local men who conferred with the president at the state university Friday were C. E. Woolman, D. Y. Smith, Joe Durrett and H. K. Touchstone. They were given an opportunity to present the claims of the Monroe institution for the establishment of an air school here. They pointed out that it was the desire of the entire community that Northeast Junior college be thus favored from both its geographical location and the fact that there is located here one of the best airports in the state.

President Hebert replied that he had just returned from Washington where he had an extended conference with Groves Webster, director of the division of private flying constituted under the CAA and that it was apparent that the government particularly favored Monroe for the location of an air school. In view of the fact that he had himself made a careful study of the situation, President Hebert stated that he had decided to recommend to the university’s board of governors that Northeast Junior col-

## Amite Jurors Indict Two Legislators And Seven Police Jurors

Senator Holland And Representative Spinks Among Group Billed

BATON ROUGE, La., Sept. 30.—(AP)—District Attorney Bolivar E. Kemp, Jr., of Amite said tonight State Senator Dorris Lindsey Holland, Representative Leonard C. Spinks and seven Tangipahoa parish police jurors had been indicted by the parish grand jury there yesterday.

The district attorney said the woman senator and Representative Spinks had been indicted for dual office-holding and the police jurors for violation of act 16 of 1920, which specifies that “no police juror shall be interested either directly or indirectly in any contract the payment of which comes out of his parish; nor shall they be allowed to deal in their parish papers.”

The penalty for violation of the “parish paper” act, a misdemeanor, is a fine of not less than \$30 nor more than \$100. Imprisonment for not less than 30 nor more than 60 days is provided in default of payment of the fine.

District Attorney Kemp would not reveal the names of the seven police jurors. Their indictments were among 49 true bills returned yesterday by the Tangipahoa grand jury. Kemp said the names of the persons charged would not be made public until the warrants had been served. There are 19 members on the police jury in Tangipahoa.

Sheriff Frank Edwards could not be reached at his office in Amite and his

PANAMA—American republics plan for strengthened economic front against European war.

(By Associated Press)  
Italy’s foreign minister sped toward Berlin last night for a conference with Adolf Hitler in the latest move of feverish diplomatic activity in Europe while German and French artillerymen fought a duel along the Moselle river.

The diplomats took the headlines from the generals with these top developments:  
1. Adolf Hitler called his reichstag to meet “in the coming week” and arranged the conference with Count Galeazzo Ciano, Italian foreign minister and son-in-law of Premier Mussolini.

2. Ciano hurriedly left Rome for Berlin amid predictions of an early move in the German-Russian peace gestures toward Britain and France.

3. A Polish “government in exile” was formed in Paris immediately on the resignation of Poland’s president, Ignace Moscicki, who had been interned in Rumania.

4. Soviet Russia, successful in negotiating pacts with Germany and little Estonia, awaited the arrival of Rumania’s foreign minister.

Ciano was due in Berlin early Sunday night. He was invited to Berlin on the heels of the arrival from Moscow of the German foreign minister, Joachim von Ribbentrop, who negotiated the German-Russian peace front.

Informed sources said Hitler would tell the reichstag about the future relations of Germany and Russia.

In Paris, the announcement of the resignation of President Moscicki, was made by the Polish legation and shortly afterwards Wladyslaw Rakiewicz, former president of the Polish senate, took the oath of office as president of Poland.

Last night Moscicki left Rumania for France, his freedom apparently being obtained after his resignation. Briefly worded announcements from the British, French and German authorities told of artillery and aerial action on the western front during the day.

The French high command communique indicated fighting was confined to artillery exchanges “in the

# GIRL SCOUTING IS EXPLAINED

Mrs. Whittington, Leader, Tells Salient Points Of This Activity

Mrs. E. L. Whittington, leader of the Monroe Girl Scouts, on the occasion of the first anniversary of the establishment of the group here, was in charge of a banquet at Hotel Monroe the past week.

In connection with the banquet, Mrs. Whittington explained some of the principal features of scouting for the benefit of guests under the theme, "What Girl Scouting Means to Girls." She outlined some features as follows: "A Girl Scout troop is an active group of youth activities, composed of girls from 10 to 18 years of age who meet once a week under the guidance of an adult leader who is the troop captain, with the assistance of a patrol leader who is a senior girl scout, having passed her tenderfoot, second and first class tests and who has shown ability in leadership.

The troop follows a program of group activities in the field of home-making, outdoor activities, community service, health and safety, dramatics, arts and crafts, music and nature lore. A troop is a leisure time club for girls which gives them a wide range of active good times growing out of their natural interests. It also provides an invaluable opportunity for the individual to participate in the affairs of a group of her own choosing. When a girl is enrolled as a tenderfoot Girl Scout she is permitted to wear the Girl Scout pin and uniform.

The Girl Scout program is so planned that as the girl acquires skill and experience in Girl Scout activities she is advanced in Girl Scout ranks. The length of time spent on the girl is enrolled as a tenderfoot Girl Scout is permitted to wear the Girl Scout pin and uniform.

considerably and depends on the number of activities; outside the rank requirements in which a troop is interested such as community service, giving plays or parties and camping trips; on the girl's own ability, since the standards in Girl Scouting are flexible and vary with the girl's individual capacities; and on the amount and quality of the help available.

The Girl Scout program also provides a series of proficiency badges. These badge projects represent fields in which a girl is interested; activities which stimulate her curiosity. The Girl Scout proficiency badges include more than 50 different titles, such as photographer, child nurse, junior citizen, cook, gardener, world knowledge, business woman, scribe and artist.

The Girl Scout captain invests each girl in her troop after she has passed the tenderfoot test, has been properly registered, and has taken the Girl Scout oath and promise. At this time she may be presented with her Girl Scout pin. It should be clearly understood that this ceremony makes a girl a Girl Scout and not merely a tenderfoot. The Tenderfoot pin is the emblem of Girl Scout membership, regardless of other insignia worn.

# ROSS BANISTER ENTERS PRIMARY

Monroe Attorney Seeks Nomination As Representative From Ouachita

D. Ross Banister, Monroe attorney, announced yesterday that he would enter the Democratic primary for nomination in January as one of Ouachita parish's representatives to the state legislature. Mr. Banister stated that he was not affiliated with any political faction but would run as an independent candidate.

Mr. Banister said his campaign was based upon honesty and efficiency in government with a return to economical, business-like administration. He said that he would devote his most vigorous efforts to restore to the cities and parishes of the state the full control and authority as originally contemplated by the constitution. His full platform will be announced later.

Mr. Banister, who was born in Caldwell parish on December 22, 1914, married Miss Mary Helen Hilburn of this city. They are the parents of a 6-month-old daughter.

Mr. Banister attended the Barkdull Faulk Grammar school and graduated from the Ouachita Parish High school in 1931. He was a member of the first class at Ouachita Parish Junior college, now the Northeast Junior college of Louisiana State university.

Mr. Banister attended law school of Louisiana State university at Baton Rouge, where he was elected justice of the law school honor court and to membership in Gamma Eta Gamma, a national honorary professional fraternity. He graduated from the law school and was admitted to practice on July 17, 1936. He has been engaged in the practice of law in Monroe since that time.

Mr. Banister is the son of Deputy Sheriff and Mrs. W. H. Banister and has three brothers, W. Guy Banister, Batte, Mont.; Dr. Ray G. Banister, Seward, Alaska; Roy H. Banister, Monroe. He has one sister, Mrs. W. G. Jordan, formerly Miss Ellie Mae Banister, of El Dorado, Ark.

A large area of land in what is now Minnesota and the Dakotas was ceded to the United States by Great Britain by treaty in 1818.

# PAIR ARRESTED FOR COW THEFT

C. W. Golden And Sherman Key Held For Union Parish Authorities

Two Union parish men, C. W. Golden and Sherman Key, both 21, were arrested here yesterday on charges of stealing a cow in Union parish. The young men were arrested by members of the sheriff's department at the request of authorities at Farmerville.

Local authorities are also seeking to connect the men with the theft of a cow in Grant parish. It was stated. The men were said to have confessed stealing a cow about 15 miles north of Alexandria, but no report of such a theft had been made.

Golden and Key, both of Bernice, were said to have stolen a cow in Union parish Monday night, butchered the cow and disposed of the hide and meat. The hide, bearing a double D brand, was sold to a local hide dealer Wednesday and the meat was disposed of to rural residents around Bernice.

When arrested here yesterday, the men had just sold a cow which they allegedly confessed they had stolen near Alexandria Friday night. The cow is being held by the sheriff's department until a check can be made with Grant authorities. The cow stolen near Alexandria was described as a dark jersey, about 6 or 7 years old, with a large white spot on her left side.

Union parish officers yesterday came here for Key, who was being held in the Farmerville jail last night. Golden is still in jail here.

# RUSSIA'S SHADOW DARKENS BALKANS

Thrown Into Sharper Relief By Visit Of Rumania's Foreign Minister

MOSCOW, Sept. 30.—(AP)—Soviet Russia's shadow over the Balkans was thrown into sharper relief tonight by the impending arrival of Rumania's foreign minister.

(A Bucharest announcement said Foreign Minister Grigore Gafencu of Rumania and a staff of experts would leave for Moscow Monday to confer with Soviet officials.)

Some sources said the Rumanian's visit tended to confirm reports that Russia had assumed a dominant role in the Balkans and had been given a free hand there by Germany in exchange for assurances of raw materials and neutrality in the western European war.

Negotiations with Rumania are projected at a time when Moscow has become the center of feverish diplomatic activity because of the visit this week of German Foreign Minister Joachim von Ribbentrop, completed negotiations with Estonia for a mutual assistance pact and Russian bases on Estonian soil, and consultations with Turkish Foreign Minister Sukru Saracoglu.

Unofficial quarters said they had expected for some time that the Soviet government would demand the return of Bessarabia, which Rumania gained from Russia as a result of the World war.

(A report in official circles in Bucharest said Rumania had received assurances "through a third party" that Soviet Russia had no intention of seizing Bessarabia. There was no immediate confirmation.)

## TURKEY UNWILLING TO WORK AGAINST RUSSIA

ANKARA, Turkey, Sept. 30.—(AP)—Turkey, her role in the Near East greatly altered in the past few days, was reported tonight to be unwilling to cancel her mutual assistance obligations to France and Britain if they go to war with Soviet Russia.

A clause providing such release was said to be contained in the new economic and military agreements which a Turkish military mission headed by General Kiazim Orbay is taking to London. The mission left for the British capital tonight.

(In London, authoritative sources said this attitude on the part of Turkey was a natural one because the friendship of Turkey was indispensable economically and strategically to both countries. These sources said a war with Britain and France on one side and Russia on the other was "extremely remote.")

Sukru Saracoglu, Turkey's foreign minister, has been in Moscow since early this week, discussing his country's altered situation in view of Russia's emergence as a partner of Germany in the partition of Poland.

Foremost among the points discussed was believed to have been a Black sea pact, to include Rumania and Bulgaria. Saracoglu was understood to have agreed with Russian leaders that Turkey would close the strategic Dardanelles to warships of all belligerent nations.

## RUSSIA CONTINUES TO ADVANCE SWIFTLY

BUDAPEST, Sept. 30.—(AP)—Dispatches from Balkan capitals tonight indicated that Soviet Russia, under the cloak of her newly gained military advantages, continued to move swiftly in an apparent plan to neutralize the Black sea area and extend her diplomatic influence throughout southeastern Europe.

Russian-Turkish negotiations have been followed closely by the announcement that Rumania would join in the Moscow talks, leading to the belief that a Black sea pact under the direct guidance of Moscow was being framed.

Such a pact, if signed by Rumania and Bulgaria as well as Turkey and Russia, observers said, would have the immediate obvious consequence of establishing Soviet-German communications via the Black sea and the Danube.

Moreover, it would firmly establish the Soviet state as the dominant influence in an area where German influence has hitherto pressed for advantage, it was added.

Rumania meanwhile reported what was interpreted as a new indication that Russia did not intend any further military action for the time being, replying instead on "pressure" possible through her newly gained frontiers.

Coinciding with the announcement that Grigore Gafencu, Rumanian foreign minister, and a staff of experts would go to Moscow Monday, it was reported without confirmation in Bucharest that Rumania had received assurances through a "third party" that her Bessarabian frontier would not be violated. (Rumania gained Bessarabia from Russia at the end of the World war.)

## PROGRESS TOWARD BALKAN PACT SEEN

BUCHAREST, Sept. 30.—(AP)—Some progress toward an agreement on a Balkan pact designed to maintain the status quo in southeastern Europe and the strategic eastern Mediterranean area was reported tonight in authoritative circles.

Officials expressed belief that such a pact would make possible a new

# INSIST ANOTHER CARRIER IS SUNK

Germans Claim 'Mere Kids On Lark' Sent British Vessel Down

BERLIN, Sept. 30.—(AP)—Germans still insisted tonight that a second British aircraft carrier had been sunk, one usually well-posted source declaring it was done by three bombing planes manned by "mere kids out on a lark."

The German high command announced Wednesday that an unidentified aircraft carrier had been "destroyed" the day before, eight days after the sinking of the British aircraft carrier Courageous. German broadcasts hinted it was the 22,000-ton Ark Royal.

(Winston Churchill, first lord of the British admiralty, told the house of commons Wednesday that 20 German planes attacked a squadron of British warships in the North sea Tuesday but that none was hit.)

The source who told of the attack by the "mere kids" said they were undergoing a course in instruction and had no rank, nor even commissions as pilots.

Early last Tuesday, he recounted, they asked the commander of their airforce training camp if they might practice by taking the bombers out for an early morning spin.

They were granted permission, he said, and soon after they took off they sighted a British aircraft carrier.

This source said the youths did not bother to investigate its name, which, he explained, accounted for German reticence on this point in the communique announcing the sinking.

The fliers agreed among themselves which one would make a power dive upon the ship, he continued, and the selected plane dropped a 1,000-pound bomb "smack on the deck of the carrier."

Then, he went on, the fliers returned to their camp and related what they had done.

This same source told of some of the details of the sinking of the Courageous.

"We knew that airplanes generally have orders to return to their mother ship at dark," he said.

"We also knew the airplane carrier must turn against the wind so that the planes may effect a safe landing. And it also must slow down its speed."

"All, therefore, that our submarine had to do was to hover about the Courageous until dark, then wait for a number of planes to return and inject the ship to turn slowly to the windward."

"After that it was only a matter of mathematics to figure exactly how a torpedo could strike amidships."

(Churchill told the house of commons last Tuesday that "by a 100-to-1 chance" the Courageous was attacked when she turned at dusk into the

wind to permit her own aircraft to land on her deck. He said two of the four destroyers normally assigned to her had gone to the rescue of merchant ships attacked by submarines.)

# AMERICA'S PLAN STRONGER FRONT

PANAMA, Panama, Sept. 30.—(AP)—The inter-American conference on neutrality tonight completed a plan for a strengthened economic front.

Definition of an American safety zone to be patrolled by the combined navies of the two hemispheres was left unsettled at the end of the first week's conferences, which were extended until Tuesday.

Committees considering policing plans backed by the United States and Cuba will meet again tomorrow. The proposed safety zone would circle the Americas and prescribe limits within which belligerent activities would not be permitted.

An Argentine suggestion added to the plan called only for drastic restrictions of sea activities.

On the economic front, Esteban Jaramillo of Colombia said the report was a "defensive alliance against factors which threaten to disturb and weaken the economy of each nation on this continent."

"Representatives of the American republics have come here to tell the world that democracies of this continent are united with an unbreakable decision and sincere spirit of solidarity to help each other," Jaramillo declared.

All republics are prepared for the economic struggle "without regional rivalries," he added.

Delegates said the proposed advisory group on shipping and exchange should start functioning in Washington by November 15 as an "extension" of the conference.

The economic report adopted in the plenary session combined 27 projects submitted by 15 nations. The economic and financial body of 21 experts would study monetary problems, exchange balances, international payments, means of obtaining monetary and economic stability, exports and imports legislation and other data affecting shipping and commerce.

Tibet has sufficient water power to generate electricity for all India.

"We knew that airplanes generally have orders to return to their mother ship at dark," he said.

"We also knew the airplane carrier must turn against the wind so that the planes may effect a safe landing. And it also must slow down its speed."

"All, therefore, that our submarine had to do was to hover about the Courageous until dark, then wait for a number of planes to return and inject the ship to turn slowly to the windward."

"After that it was only a matter of mathematics to figure exactly how a torpedo could strike amidships."

# WATCH ON FOOD PRICES SOUGHT

## Roosevelt Requests Monopoly Committee To Guard Against Profiteering

WASHINGTON, Sept. 30. — (AP) — President Roosevelt asked the monopoly committee today to be a watchdog against profiteering growing out of the war in Europe.

Instructing the committee to keep "a constant eye" on prices of basic materials, the president said in a letter to Chairman O'Mahoney, Democrat, Wyoming, that he believed the group was "well qualified to invoke the forceful check of impartial inquiry on this kind of un-American activity."

The president added that he thought the committee, which has been study-

ing the whole economic structure of business, "can well become an important part of our first line of national defense against ugly and inhuman greed."

The letter addressed O'Mahoney, who broke with the president over the supreme court bill in 1937, as "Dear Joe."

Obviously pleased with the assignment, O'Mahoney said he would call the committee into special session soon to outline methods of bringing its previous study of price structures up to date.

He emphasized that there would be no disposition to interfere with normal price fluctuations, especially those brought about by increased wartime demand for agricultural products. The committee, he said, will interest itself only in unwarranted and unjustified price increases.

In his letter, the president said that the experiences following 1914 showed that "dangerous dislocations" in the American economic setup might occur as the result of profiteering during the European war.

"All of us," he wrote, "of course, want to see producers, middlemen and

retailers receive fair prices for what they sell and all of us recognize that in certain fields such fair prices are probably as yet not being received.

"But none of us wants to see the cost of living unjustifiably increased or prices become so unreasonably high as to interfere with our national defense."

O'Mahoney reported that the department of justice had been receiving an average of 250 complaints daily about unjustified price increases since war broke out in Europe. He said these complaints came from business groups, citizens associations, women's clubs, manufacturers, wholesalers and retailers.

Because of the great influx of complaints the anti-trust division has not been able to keep abreast of them, O'Mahoney said. He indicated that these protests would be studied by the committee.

# MANY EXPECTED AT SINGING MEET

Believe Majority Of 87 Invited  
Quartets Will Attend Rus-  
ton Convention

RUSTON, La., Sept. 30.—(Special)—With a smaller crowd than expected attending the preliminaries of the two-day Louisiana State Singers convention at Louisiana Tech Saturday, a much larger crowd is anticipated for the final sessions which begin at 9 o'clock Sunday morning.

Gospel singers, representing most of the north Louisiana parishes, as well as adjoining states, are expected to take advantage of the fair and cool weather and attend Sunday, according to convention officials. Quartets from this state, Texas, Arkansas and Oklahoma have accepted invitations issued by the Ruston Chamber of Commerce to visit the city and join in the festivities, it was announced.

Among the quartets scheduled to take part in the songfest are the Blackwood Brothers radio foursome and an all-Indian quartet from Oklahoma. A large majority of the 87 quartets invited are expected to attend Sunday, according to Mrs. Nan Colvin, secretary of the chamber of commerce, who is in charge of plans to take care of the delegates.

The convention, which opened here Saturday afternoon at 2 o'clock, is the second event of its kind held in the state. The initial session was held in Shreveport last year.

A feature of the Sunday's meet will be a welcoming address to the singers by President E. S. Richardson of Tech Mrs. Colvin and Mayor C. C. Goyne of Ruston will also greet the visitors.

A newsreel cameraman and two news photographers are scheduled to take pictures of the activities Sunday.

The Blue Jackets, girls' pep squad at Tech, and members of the Boy Scout troops of Ruston are guiding visitors on the campus and in town.

W. H. Tolar of Wyatt, president of the singing convention, led the group in singing and presided at a business meeting held after the songfest Saturday night. Mrs. Colvin of the Chamber of Commerce and LaVerne Irvine, representing the Tech music department, made plans for accommodating the delegates.

Ross C. Neill, Ruston, chairman of the committee on homes and rooms for out-of-town guests, assisted by Mrs. Neill and Mrs. Floy Van Hook of Ruston, made arrangements to house those who stayed in Ruston Saturday night. Sam White, Ruston, chairman of the convention committee, headed the plans made by the Chamber of Commerce to entertain the delegates. Charles Frazier, also of Ruston, is chairman in charge of the parish housing committee.

H. M. Nelson, Ruston, chief of police, aided by Boy Scouts, was in charge of traffic. O. W. Hogan, commissioner of streets and parks, furnished drinking water to the delegates.

## TRIO OF RODEO ENTHUSIASTS

These are three of the four men who brought rodeo to Monroe and West Monroe. Reading from left to right, they are P. O. Clark, Edward Harper, Jr., and Clifford Benson. Together with Ike Hamilton, they staged the first rodeo in this vicinity in 1927. It was held at Mr. Harper's Buzzard Roost plantation, near Cheniere. From then on, they have actively taken part in the upbuilding of the sport, either through promotion or participation. In the early days of rodeo here, they took part in calf roping, bulldogging and barrel riding. Mr. Benson won a silver loving cup for being the best all-around rodeo hand in Louisiana in 1931. The latest versions of rodeo will be presented in connection with the Ouachita Valley fair, starting Monday at the fair grounds near West Monroe. The rodeo will begin Wednesday and continue through Sunday, October 8.

## START WORK ON HALL AT TECH

New Engineering Building Will  
Have Floor Space Of  
76,000 Feet

RUSTON, La., Sept. 30.—(Special)—Excavating has started for Bogard hall, Louisiana Tech's new engineering building, which will have a total floor area of 76,000 square feet, according to L. A. Woodman, Tech coordinator in charge of the college's current \$2,000,000 building program.

The structure will be a three-story building, the ground floor to be used for laboratories. The completion date has been set for April 30, 1940, Mr. Woodman said.

The following units will be located on the ground floor of the building: a machine shop, mechanical engineering, hydraulic, petroleum, chemical, materials testing, illumination and electronics, high voltage, junior engineering and electrical engineering laboratories. Also on the same floor

will be enough space for a college telephone exchange, which may be installed at a later date, one class room, several locker rooms and showers.

On the second floor will be 11 class rooms, eight offices, a photo laboratory, composed of eight dark rooms and a work shop, a physics laboratory, three storage rooms and several smaller equipment storage rooms.

The third floor will contain one large drafting room, 4x100 feet, and two smaller drafting rooms, 4x43 feet. The library, three class rooms, a computing room, three offices and a blue printing room will also be on the third floor.

The dimensions of the new building will be as follows: Total distance across front of building, 240 feet; front of main body of building, 147 feet; east side, 222 feet, two inches; north end, 154 feet; west wing, 93x100 feet. The building will be furnished with approximately \$60,000 worth of new equipment, according to Mr. Woodman.

**SINGING MEET SLATED**  
RAYVILLE, La., Sept. 30.—(Special)—The Richland parish singing convention will be held at the Bethel Baptist church, six miles north of Holly Ridge, Sunday. All singers are invited. Dinner will be served to all visiting singers.

## OIL FIRM BRANCH SHOWS GROWTH

Grogan Oil Company Patron-  
age Here Increases 65  
Per Cent

The Grogan Oil company branch here, with headquarters at 2800 De-Siard street, has experienced a 65 per cent increase in patronage since December 1, according to its manager, Z. S. Biglane, who assumed his duties at that time.

Grogan Oil company, with headquarters in Shreveport, manufactures Hurricane gasoline, oil and greases and Speed-Ease greases. It is distributor for Vidol (Tide-water) and Marathon (Ohio Oil company) products.

The branch has been in operation here since April, 1938. Mr. Biglane has had 16 years' experience in the oil business, three of them with Grogan Oil company.

Since its establishment, the branch has catered principally to the commercial and farm fuel and oil trade. However, it has 11 retail dealers operating in and around Monroe.

Hurricane and Speed-Ease products

are manufactured in refineries owned by Grogan Oil company in Shreveport and in Overton and Arp, Tex. The concern has its own producing well and pipelines leading to the refineries.

Grogan Oil company has been making Hurricane products since 1932 and they measure up to every specification laid down by the American Petroleum Institute. They are processed in refineries that are up to date in every respect.

Grogan Oil company is headed by M. J. Grogan, formerly president of the Louisiana Oil and Refining corporation. W. F. Kostelka is vice-president. Although a relatively young man, Mr. Grogan has been in the oil business for 15 or 16 years. He is an active civic worker in Shreveport.

## FAMOUS KEY SISTERS ATTRACTION AT HOMER

HOMER, La., Sept. 30.—(Special)—The world famous Key quadruplets of Oklahoma City made two public appearances here Thursday, in the morning at the high school and at night at the city hall. A large audience heard the two musical programs.

The Keys, Roberta, Mona, Mary and Leota, are the only quadruplets in the world to reach maturity. They are graduates of Baylor university, and are talented musicians. They were accompanied here by Dr. M. E. Dodd of Shreveport.

## PALACE MAKES PLANS FOR 'FORMFIT' WEEK

"Step-up feminine figure glamour" is the theme and object of Formfit week which gets under way in the Corset department of The Palace Monday morning and continues throughout the week.

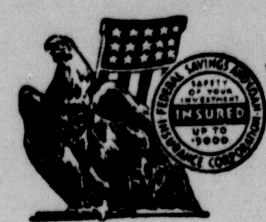

During Formfit week the corsetiers at The Palace will be giving special

attention to remodeling more glamorous figures with poise, glamour and attraction, using foundations approved by Madame Elsa Schiaparelli, the world's queen of fashion pace-setters. Whether girdle, Girdloire or brassiere, the styles being used by The Palace corsetiers are designed by Formfit and approved by Schiaparelli to achieve the Scissors Silhouette—breasts high and separated, waistline sharply in, hips smoothly flowing—so essential to fashion smartness this fall.

region immediately to the east of the Moselle.

The communists said the police "replied with artillery fire" to German shells and reported "large aerial activity on both sides."

The Germans usually have said little about developments on the western front but their communists also reported "a little livelier artillery activity." The precise sector was not disclosed at Berlin.

HITLER TO CONSULT WITH ALLY'S ENVOY

BERLIN, Sept. 30.—(P)—Adolf Hitler tonight arranged for consultation with an envoy of the Italian ally and a declaration before his reichstag.

Foreign Minister Count Galeazzo Ciano of Italy was due in Berlin tomorrow in response to a German invitation which Germans said was evidence of the loyalty with which the reicher kept his ally partner, Premier Mussolini, informed.

The reichstag, called only to hear Hitler give an exposition of his policies, will meet "in the coming week," and informed sources said the fuhrer would outline the future relations of Germany and Russia.

The treaty concludes Thursday in Moscow by Foreign Minister Joachim von Ribbentrop will form the centerpiece of the reichstag speech, these sources said they believed.

It was regarded as a matter of course that Hitler also would give an account of his stewardship as supreme commander of Germany's armed forces since September 1 when he addressed the body before racing to the eastern front behind his troops driving into Poland.

Authoritative circles were unanimous today in pointing out that in the west the western powers except for Napoleon in 1807, never bothered about Poland's fate.

It was indicated that from this it might be assumed that Hitler, too, will tell the western powers once more to keep their hands off eastern European affairs.

Before the reichstag meets—the actual date has yet to be announced—Hitler will have met Count Ciano, Mussolini's son-in-law and emissary.

Smashing successes and officially reported absence of any impressive signs of French activity in the west imparted a spirit of buoyancy in Germany which hitherto has been lacking.

Rightly or wrongly, the German leadership and the German people seem convinced France doesn't intend to fight seriously. As to Britain, reports of successes encouraged the hope that Germany can look calmly upon conflict with the British empire, especially if Soviet Russia deems it necessary to fight on the German side.

Between now and the calling of the reichstag, it was learned from informed circles, German diplomacy will be hard at work to persuade Britain to desist from prosecuting the German side.

Germany with a thorough knowledge of the situation believe, however, that the ruthless campaign of sinking British ships must go on a short time at least before Britain will deem it the better part of wisdom to make peace.

Still others—especially among whom are men who have served the German government in some form or other in the British empire—warn against such optimism and say the British are slow to get started but exceedingly stubborn once they are aroused. These men foresee a long struggle between Britain and Germany.

GERMANY TO CONSIDER ALL VESSELS WARSHIPS

LONDON, Sept. 30.—(P)—The British admiralty said tonight the German radio had broadcast an announcement that Germany now would consider every vessel of the British merchant navy as a "warship."

The admiralty said it interpreted this as a possible indication of "an immediate change of policy in German submarine warfare."

An announcement by the British ministry of information said:

"The following message has been promulgated to all British merchant ships by the admiralty:

"The following has been received by German broadcast this evening:

"Several German submarines have been attacked by British merchant ships in the past few days.

"Hitherto, the German wireless asserts, German submarines have observed international law by always warning merchant ships before attacking them. Now, however, Germany will have to regard every vessel of the British merchant navy as a warship."

"While the above of course is entirely untrue, it may indicate an immediate change of policy in German submarine warfare and you should be prepared to meet it."

(There was no immediate confirmation from Berlin of the reported German broadcast.)

BRITISH TRANSPORTS STEAMING TO FRANCE

LONDON, Sept. 30.—(P)—Beneath the deceptive tranquility of an autumn week-end, Britain's soldiers, sailors and statesmen worked at war tonight from the North sea to the Dardanelles.

Millions, bored by sandbags and blackouts, knocked off work early just as always, and headed for the country. They were cheered by newspaper headlines which told them "Anglo-Turkish pact is ready" and by repeated authorized assurances that the Russian-German agreement on Poland and a dictated peace "changes nothing for England."

War held nothing of the thrill of the fleet "peace in our time" which Prime Minister Chamberlain brought home from Munich just one year ago today.

But a steady procession of grey-clad, troop-jammed transports steamed to France. The might of the fleet held Germany in a tightening blockade. Royal air force bombers roared low over the Siegfried line with pho-

LOVELY IN A RECORD-BREAKING RACE CAR

tographers and mapmakers. Whitehall threw all the power of its secret diplomacy into the tug-of-war for the upper hand in the Near East and the Balkans.

News that mutual assistance and economic agreements with Turkey are ready for signature and that a five-man Turkish military mission headed by ruddy, handsome General Kiazim Orbay is en route to London was printed widely. Receiving less prominence were reports that the pact contains a clause cancelling Turkish commitments if Britain and Soviet Russia go to war.

Although official comment was withheld, persons usually well-informed said that London regarded such an attitude on the part of Turkey as natural because the friendship between Turkey and Russia was indispensable economically and strategically to both countries.

HITLER MAY ASK HELP FROM ITALY

ROME, Sept. 30.—(P)—Foreign Minister Count Galeazzo Ciano left suddenly for Berlin tonight at Adolf Hitler's invitation and foreign circles predicted early developments in the German-Russian peace gestures toward Britain and France.

These circles saw Ciano's journey as evidence of an effort to enlist Italian cooperation in the drive for peace on the basis of Poland's partition launched by the German-Russian accord of Moscow.

Since Hitler was assumed to be aware that this drive might fail, in view of the hostile reaction in London and Paris to the Moscow declaration, many observers believed Hitler also would discuss with Ciano the chances of Italy entering the war on the German side.

The possibility of Premier Mussolini's offering his good offices in peace moves as he did just before the outbreak of war was also discussed.

Mussolini has kept himself free to serve as a mediator by declaring Italy's refusal to take the initiative in military operations while advocating British-French acceptance of Poland's partition by Germany and Russia.

While Italy remains a partner of Germany through the Rome-Berlin axis agreements, so far as is known in foreign circles there is nothing to indicate Mussolini intends to throw Italy into war on Germany's side if Britain and France formally reject any peace proposals.

chief deputy there would not disclose any names.

District Attorney Kemp, here to visit his father-in-law, Commissioner of Agriculture Harry D. Wilson, and to see the Louisiana State-Ole Miss football game, said Senator Holland and Representative Spinks held posts with the state debt moratorium commission in addition to their legislative positions.

Act 123 of the special session of 1921 prohibits dual office-holding and provides a fine not to exceed \$500, or imprisonment of not less than 30 days or more than six months, or both, for violation.

Mrs. Holland, 29, a former stenographer for two years in the enrolling room of the Louisiana legislature, is the widow of the late Senator Thomas Holland. She publishes a weekly newspaper in Greensburg, her home. She has two children. She was appointed to the senate following her husband's death, and was elected senator for the parishes of Tangipahoa, Livingston and St. Helena in 1936.

Representative Spinks, 32, of Hammond, is listed in the roster of the legislature as a deputy debt moratorium commissioner. He was elected in 1936 from Tangipahoa parish, and was active in the 1938 session on labor matters.

izer, who represents the National Civic Music association. "Monroe is a wonderfully up-and-coming city and the cooperation that I have been accorded has been all that one can possibly desire."

He will leave early today for Galesburg, Ill., where he will conduct a campaign similar to the one that ended here last night. Immediately before coming to Monroe he conducted a successful campaign in Wichita Falls, Tex. He said that general business conditions seem to be good and that in all places where he has been engaged in conducting campaigns that the 1939 memberships enrolled are larger than those of 1938.

GRAND JURY AT RUSTON CHARGES

(Continued from First Page)

five indicted men in an effort to have the warrants served in that manner. Judge Walker stated that the five would be arraigned on October 11. He indicated that the trials would likely take precedence over other cases and might begin with the opening of the regular fall term of court on October 23.

The grand jury Saturday reported a total of 20 true bills, 14 no-bills and one continued case but the Leche hall indictments were believed to be the major cases. Before court adjourned the jury's report, District Attorney Trustett L. Scarborough asked the jury to authorize him to "amend any of the Leche hall indictments if necessary." Foreman J. D. Holland questioned the jurors and announced approval of the request.

The Leche hall indictment charging the obtaining of money under false pretenses sets forth that "the architects, Weiss, Dreyfous and Seifert, with the felonious and unlawful aid and assistance of Monte E. Hart and Richard W. Leche, did unlawfully and feloniously and with intent to defraud, draw the contract for said building, and in drawing it, raised the valid contract bid which had previously been accepted by the Louisiana state board of education from \$24,831.13 to \$291,482.15 by adding \$266,651 to the bid which had previously been accepted by the Louisiana state board of education."

In the bill setting operation of a confidence game, it is stated that Weiss, Dreyfous, Seifert, Hart and Leche obtained from the state, the board of education and Louisiana Tech "willfully, feloniously, maliciously and unlawfully" the sum of \$27,000 "by means and use of the confidence game." The bill further cites that Judge H. H. White of Alexandria, president of the state board of education, "relied upon and placed his faith and trust in the said architects and believed they were honest and true to their trust and would protect the interests that they were paid to protect and not having records available for checking the bids (White) signed said contract for said building on behalf of the Louisiana state board of education with the bid figure, unknown to him, raised \$27,000."

The other indictment declares that Weiss, Dreyfous, Seifert and Hart "did unlawfully receive and have in their possession \$55,955 that had been feloniously by false pretenses obtained from the state of Louisiana, the Louisiana state board of education and Louisiana Polytechnic institute, they knowing the same to have been obtained by false pretenses."

Today's action was the second indictment against Leche since he resigned June 26, just as the Louisiana scandals broke. The New Orleans federal grand jury two months ago charged him with conspiracy to violate the Connally "hot oil" act.

Leche, like Hart and the architects, had been close to Huey Long from the early years of his rise to political dictatorship in Louisiana. Leche rose to the governor's chair while the other four prospered through a multitude of state contracts.

Hart and Architect Weiss have been indicted on other charges stemming from investigation of the scrambled finances of Louisiana State university under the administration of Dr. James Monroe Smith, former president.

Smith, convicted of mail fraud with Hart and given the same sentence, is under 42 other charges of fraud and embezzlement. The probe, beginning as Leche left office, has spread through the political ranks of Louisiana and grand juries are investigating in many quarters of the state.

lege be named for the establishment of an air corps.

While October 15 had been set by the CAA as the deadline for the completion of enrollment of proposed air schools, he gave President Hebert an extension of time for a few days later than that time so that the university's board of governors at the next meeting could have time to take the necessary action.

The quota for the new school has been set by the government at ten, but it is hoped that this number can be increased.

Mr. Woolman said Saturday that the trip to Baton Rouge had been completely successful and that the Monroe men were well impressed

DEATHS

HOLLIS RITES

The funeral of Mrs. Cora Frances Hollis was held at the Central Baptist church Saturday at 2:30 p.m., with the pastor, Rev. D. D. Cantrell, officiating. Interment was in Haskey cemetery. Pallbearers were Aubrey Simmons, A. Gullidge, Joe Hibbard and C. W. Lewis.

Mrs. Hollis is survived by her husband, Clayton Hollis, a two-year-old daughter, Elizabeth Ann; three sisters, Mrs. G. C. unions embraced by the Steel Workers' Organizing committee.

He said he knew or had reason to believe that eight national directors of the C. I. O. were Communist party members. He identified them as Donald Henderson of the Cannery Workers; Mervyn Rathbone, head of the Communications association; Julius Emspak of the Electrical Workers; Ben Gold of the Furriers' union; Harry Bridges, west coast C. I. O. leader; Lewis Merrill of the Office Workers; Michael Quill of the Transport Workers and Joseph Curran, head of the National Maritime union.

Zack said J. Rubin, president of the New York Trades council, an A. F. L. affiliate, had been a Communist party member "from the beginning."

During questioning about individual officials of the C. I. O., Zack said the American Newspaper guild was not controlled by Communists, but that the party holds "a number of key positions in the guild."

"They probably will lose what control they have in the near future," he said.

He added, in response to questions, that Heywood Brown was once a member of the Communist party for about two years.

"Of late, he worked very close with them," Zack said, "but now is at odds with them. He broke with them over the new pact."

ACTORS CHOKE FOR LAUGHS

Actors have always found choking an effective method of movie joking. Audiences guffawed at Kala Pasha, Charlotte Ware and Ford Sterling in this early two-reeler.

Mary Boland and Charlie Ruggles show strangulation is still going on in movies, as they solve a domestic problem in a recent film.

Fred E. Webster and Mabel Mann, for trial.

Fourth judicial district court, which opens here November 1, will last approximately two weeks. When the first week's work is done the court will adjourn until November 20, when the second week of court is scheduled to start.

The parish grand jury, which will be charged tomorrow morning at 10 o'clock by Judge David I. Garrett, has a docket of 33 cases already on hand to investigate and will also handle any other cases that might be brought to its attention.

Tallulah

A meeting of the board of Christian education of the Methodist church was held at the church. Plans were made for promotion day and for Childhood and Youth week.

The Wednesday Afternoon club was delightfully entertained by Mrs. W. B. Gilfoil at her plantation home at trial. Ernest (Pete) Hunt, for trial.

Friday: Robert Patterson, Charles Tanner and Major Smith, for trial.

Mrs. J. A. Gilbert was a bridge hostess, entertaining the members of her club. Mrs. B. P. Folk was the recipient of the high score award, and Mrs. Mason Spencer won second high. After the games, a refreshing salad course was attractively served to Mrs. Dean Moberley, Mrs. W. C. Starrett, Mrs. Mason Spencer, Mrs. John Sever, Mrs. R. R. Taylor, Mrs. W. S. Craig, Mrs. Horace Lee, Mrs. B. P. Folk and Mrs. Henry Sevier.

OUACHITA'S FAIR OPENS TUESDAY

(Continued from First Page)

Demonstration club day and Saturday 4-H club day.

Admission to the fair grounds will be free on Monday night when riding devices, shows and concessions will be in operation. A charge of a dime will be made beginning Tuesday which will be in effect throughout the continuance of the fair.

The attendance at the fair last year was approximately 20,000, and it is believed that this figure will be largely exceeded this year. It is explained that while the fair will have superior farming, commercial and industrial exhibits, that it also has an amusement program of novelty and interest, this year's rodeo being qualified to attract many who otherwise might not attend. The management assures that there will be something of interest for everybody, both old and young to enjoy, the program prepared having been balanced with care to meet the inclinations of the public of this section of the state.

NAZIS SAY EIGHT PLANES SHOT DOWN

BERLIN, Sept. 30.—(P)—DNB German official news agency, said tonight seven British planes were shot down today in two engagements with German planes, one of which it said occurred over the North sea and the other over the western front.

The news agency said the Germans also "caused one French plane to crash."

The British air ministry announced in London that British planes had engaged in an air battle over enemy territory and "some British casualties had resulted."

DNB asserted two of the British planes were destroyed over the North sea by two German pursuit planes.

In the vicinity of Saarbrücken, on the western front, it said five British planes approached the westwall, and that all were shot down. The news agency added that the same German squadron that encountered the British caused the crash of the French craft.

TULANE GREEN WAVE BEATS CLEMSON, 7 TO 6

KELLOGG'S WORK IN 3RD QUARTER SAVES CONTEST

Scores Touchdown And Converts After Gaining 24 Yards On Line Plays

By Charles Nutter

NEW ORLEANS, Sept. 30.—(AP)—The Tulane Green Wave launched its bid for national acclaim here today with a narrow and unconvincing victory, 7 to 6, over Clemson college, whose superior generalship gave them a lead at half time.

Kellogg saved the game for Tulane toward the end of the third quarter after Gloden got away from Tulane's 25 yard line for an electrifying 35-yard run through a wide hole opened up by Tulane's right forward wall.

Almost unaided the great Tulane left halfback began punching away right and left in efforts which netted 24 yards. With the ball on the goal line Kellogg, behind a powerhouse, shoved it over and converted.

A fighting Clemson team put the ball into touchdown position at the end of the first quarter following a brief passing attack. Kellogg broke through to take one of these, but the ball went to Clemson for interference.

Trexler, substituting for Timmons, found one of the rare Tulane holes in the line and picked up 14 yards. Then McFadden ricked one twenty yards into the arms of Blacklock, who had only to lope 8 yards over the goal for the touchdown.

McFadden's effort for the point was smothered, one of his few failures of the afternoon.

Kellogg narrowly missed a chance to even it up just as the half ended when he dropped back to pass and failed to spot Bynode who was standing open on the goal line.

Clemson opened up another aerial attack in the fourth, but McFadden's campaign was ended when he was smothered by three charging Greenvies.

Out rushed throughout Clemson held its own and superiority throughout the first half through superior generalship and the accurate quick kicking of McFadden who was constantly sending it over safeties Kellogg and Hays. So apparent did this trend to the safety to drop back that McFadden placed his efforts with marksmanship accuracy.

Tulane recorded 19 first downs to Clemson's 8 and gained 300 yards to 119 for Clemson in running and passing.

Tulane as usual kept its game on the ground, attempting only three passes, one of which was good. Six of Clemson's tries were good.

IRISH WIN OVER PURDUE, 3 TO 0, WITH FIELD GOAL

Kelleher Comes From Mediocrity To Boot Winning Score For Notre Dame

SOUTH BEND, Ind., Sept. 30.—(AP)—A 21-year-old Irishman named John Charles Kelleher bobbed up from the ranks for one brief, glory-filled moment today, booting a field goal that gave Notre Dame a hard-won 3-to-0 victory over Purdue before 40,000 spectators in the Irish stadium.

Kelleher, who lives in Lorain, O., and struggled gamely through the past two seasons as a fifth or sixth-string quarterback, trotted onto the field in the third period to collect the points which gave the Irish their hardest won opening game in years.

Steve Sitko, first-string Irish signal-caller, opened the Notre Dame drive that ended with Kelleher's game-winning boot. Sitko returned a Purdue punt 13 yards to start the Boilermakers' 34-yard drive to start a smashing offense which carried to the Purdue 21. Then Doc Theising Irish fullback spun and fought his way 17 yards to the Purdue 4-yard mark.

Purdue's forwards then halted the Notre Dame surge, tossing the Irish back 6 yards on two straight plays. Theising smashed to the Purdue 8-yard marker on the next try and then Kelleher entered the game to replace Sitko, sending a low, straight kick between the uprights. Kelleher, a senior, played a large portion of the remainder of the battle.

The linemen stole most of the show, forwards on both halves repeatedly breaking up plays at the line and forcing both teams to punt frequently. Purdue's famed "three best"—Lou Brock, Jack Brown and Mike Byelene—had little success against the Irish forwards and on only one occasion did the Purdue offense come to life. In the fourth period the Boilermakers smashed and passed their way 34 yards to the Irish 37 before Notre Dame's line dug in and handed Purdue a net loss of two yards on three plays and forced Purdue to punt once more.

Byelene's 20-yard streak through center and passes by him and a reserve back, Johnny Galvin, were highlights of this futile Purdue bid.

Each team made five first downs, indicating the closeness of the game. Notre Dame picked up 131 yards by rushing to Purdue's 61, with Lou Zontini the best Irish ball-carrier with a total of 51 yards in 20 tries. The speedy Byelene gained 45 yards on 9 smashes at the tough Notre Dame line.

Texas Aggies Down Gents

COLLEGE STATION, Tex., Sept. 30.—(P)—On top all the way, the Texas Aggies shattered a long jinx today with a 14-0 triumph over Centenary's Gents, big John Kimbrough, fullback, scoring both touchdowns in the rout of the crippled visitors.

WEST POINT, N. Y., Sept. 30.—(P)—Army's football machine ran up against a buzz-saw in its opening game today, but emerged with a 16 to 7 victory over Furman after the scrappy invaders had kept the hearts of 7,000 fans in their mouths most of the afternoon.

SEATTLE, Sept. 30.—(P)—The University of Pittsburgh Panthers romped over the University of Washington Huskies in an inter-sectional football opener before 25,000 fans today, 27 to 6.

AUSTIN, Tex., Sept. 30.—(P)—The University of Texas Longhorns, through the stellar work of three sophomores, Jack Crain, Raymond (Wildhorse) Mayes and Derwood Preveto, opened its grid season with a 12-0 triumph over the University of Florida's hard-fighting, embattled Gators here today.

The Portland, Ore., fire department has a "disaster car," equipped for rescue work at almost any kind of accident.

CHAMPIONS SHOW NO WEAKNESS IN ANY DEPARTMENT

First Two Games Scheduled Wednesday, Thursday, At Yankee Stadium

NEW YORK, Sept. 30.—(AP)—Like the pup that chased an automobile and finally caught it, the Cincinnati Reds are in the World Series—and no one seems to know why.

Outside their own select set, the Rhinelanders aren't rated one tiny chance of knocking off one of the greatest ball clubs of all time, which, to date, has shown no apparent weakness on offense or defense or pitching, or in the hot dog sale in the stands.

The odds-makers today established the Yankees favorites at 1 to 3 to make new baseball history by winning their fourth straight world championship right on top of their 11th American league pennant since 1921.

The Reds are carrying a world of confidence into the series. Paced by the heroic hurling arms of Paul Derringer and Bucky Walters, who won 52 games between them this season, the Reds are certain they'll break even in the opening two games, scheduled for Wednesday and Thursday, and that when they return to their own back yard for the next three outings, starting Saturday, they'll take the Bronx brigade apart.

Cincinnati is wild over the boys. And, since the memory of their last World Series—against the "Black Sox"—left a bad taste all these years, the good Burgers mean to be avenged.

This corner goes out on the limb and nominates the American leaguers to win in four straight again.

Even without Lefty Gomez, whose injured side muscles may keep him away from there, the Yanks have the pitching Red Ruffing, Monte Pearson and Bump Hadley all have had successful World Series experience, and there's a set of youngsters who have been exceptionally hot this season—Steve Sundra, winner of 11 games in 12 starts; Alvin Donald, who rolled up 12 straight, Marcus Russo, a long limbed southpaw, and Spud Chandler, the ex-Georgia footballer.

The Bronx infield is second to none in the big leagues, and may yet go down with the greatest of all time. The outfield, where roams Joe D'Maggin, would make any manager's appetite improve. The catching is done by long Bill Dickey, generally regarded as the best there is, now that Mickey Cochran is gone and Gabby Hartnett has decided he's too old for that sort of thing.

Against this array, the Reds pit a pitching staff made up exclusively of Derringer and Walters. When those two aren't working, it's Walters and Derringer. Still, either one, good as he is, would be an underdog if pitching against Ruffing. More than one rival American league pitcher has told this corner that when you're tossing against Rufus the Red, you might as well expect to pitch a shutout to whip him.

The Reds' young hurlers just haven't shown the form they displayed last year—fellows like Johnny Vander Meer and Whitey Moore and the eccentric Lefty Lee Grissom, all with capabilities but with no more control than a runaway horse. Junior Thompson may be rated a chance, but lacks all kinds of experience. Only a year ago he was pitching class "B" ball—and there's something about the world series that usually gets the youngsters to choking up.

The Rhineland infield has been made and re-made. Buck McCormick on first is as good a ball player as will come down the pike any time, but the second-base combination of Lonnie Frey and Billy Myers have been playing way over their heads all season. Bill Werber on third and Aloysius Simmons, who may get the call in left field, are a couple of the large

Old Guard Comes Through As Football Season Gets Off To Big Start

By Herb Barker

NEW YORK, Sept. 30.—(AP)—Football's old guard held firm today.

Notre Dame, Fordham, Pitt, Minnesota, Duke, Tulane, North Carolina and many another whose name is synonymous with football power pushed through to victory with varying difficulty as the new gridiron season fought baseball for space in the nation's sport pages.

There were surprises here and there but a real bona fide class-A upset was harder to find than a seat on the subway during the rush hour.

Pitt's Panthers, operating under a new and "purer" athletic ideal, rolled over Washington at Seattle, 21-6, in the feature attraction of a brilliant program in the far west. Doc Sutherland's coaching shoes at Pitt now are filled by Charley Bowser but the Panthers looked as powerful as ever.

Meanwhile Southern California, Rose Bowl champion, had to come from behind in the fourth quarter to earn a 7-7 draw with a tough Oregon outfit. Oregon State, hailed as a possible Pacific coast contender, stopped Stanford handily, 12-0. Santa Clara ran into a tangle in Utah and had to be satisfied with a 7-7 tie with the strong Mountain States conference favorites.

Notre Dame, clashing with Purdue's fine outfit in the day's outstanding game, eked out a bare 3-0 edge on a third-period field goal by John Kelleher, and Tulane, hailed as a leading contender for the Southeastern conference title, barely squeezed past a tough Clemson army, 7-6.

Most of the others spent a more comfortable day. Minnesota, for instance, rolled up a 62-0 count on Arizona. Fordham, shocked by an early Wayneburg touchdown, piled up a 34-7 score. Duke overcame stubborn Davidson, 26-6. But the real surprise was North Carolina's 36-6 rout of Presbyterian's Wake Forest outfit, supposedly loaded for bear.

Both service elevens scored but Army was hard-pressed before it could stop little Furman, boasting a fine back in Rotten Shetley, 16-7. Held in check for the first half, Navy's fleet young backs went rolling in the second and trounced William and Mary, 31-6.

A last-minute drive engineered by Ed Boell carried New York university

TULANE STAR

Bob Kellogg, former outstanding ball carrier of Northeast Center of Louisiana State university, saved the day for the Tulane Green Wave against Clemson college yesterday afternoon at New Orleans. With Clemson leading, 6 to 0, Kellogg punched away at the line for a net gain of 24 yards which placed the ball at the Clemson goal. On the next play he crossed the goal, and then made the extra point that was the Wave's margin of victory.

MINNESOTA MASSACRES ARIZONA ELEVEN, 62-0

MINNEAPOLIS, Sept. 30.—(P)—Minnesota massacred Arizona in the Big Ten champions' opening game today, winning 62 to 0 before 43,000 persons after getting 34 points in the first period.

Coach Bernie Bierman used almost five elevens, testing out his squad for the strenuous schedule ahead. He found needed front line power in Bob Smith, guard, and John Billman and Butch Levy, tackles, all sophomores.

His backfield steamed behind the hard-charging line which opened the gates for Harold Van Every and George Frank, veteran halfbacks, and Sophomores Bruce Smith, Joe Merrick and Bob Switzer, the latter a fullback with the potentialities of a Jostling or a Nagurski, Minnesota immortals.

OUACHITA LIONS WILL GET REST NEXT WEEK-END

Will Swing Into Action Again Here October 13 Against Vivian Team

The Ouachita Parish High school Lions will rest through an open date this week-end, but they will swing into action again October 13 when they meet the Vivian High school Warriors here.

Although the Lions have yet to taste victory this season, the inexperienced team is developing fast and turned in some good performances against Istrouma's Indians, the Louisiana Normal frosh and Homer's Pelicans.

The Lions' most recent defeat was at the hands of Homer, 14 to 0, but the Ouachita aggregation played the Pels on almost even terms. Two bad breaks, resulting from fumbles, beat the locals. An 86-yard run by W. E. McKenzie gave Homer its first touchdown, and Gene Chadwick scored the other after recovering a fumble in mid-air.

A feature of the Homer engagement was the punting of Clayton Brown, only veteran in the Ouachita backfield. Despite rain, a soggy field and a slippery ball, Brown got off kicks that averaged 50 yards, and a pair of his punts were for distances better than 80 yards.

Coach "Lefty" Haynes announced last night that his lineup might be changed somewhat before the Vivian invasion. "Sonny" Foreman, reserve tackle, is due for a promotion to the first team. Coach Haynes indicated, and if he continues to play the brand of ball he played against Homer he will be in starting lineups hereafter.

Foreman is expected to replace Howard Griffith at left tackle, and Griffith will be moved to a guard position. Griffith is a capable performer and is more familiar with the work of a guard, having played at guard for the Lions last season.

Bill Eason, center, appeared the most improved player on the Ouachita team in the battle with the Pelicans, and J. D. Moses also played outstanding ball.

Coach Haynes said workouts early this week would be light, but the drills will become harder as the week progresses.

The Detroit river carries more commerce in tonnage than any other river in the world.

NEVILLE TIGERS MEET MANGHAM HERE THURSDAY

Night Conference Game Will Be Locals' First Home Contest Of Season

The Neville High school Tigers play their first home game of the season and meet their first Class A conference foe next Thursday night when they engage the Mangham High school Dragons at Brown field. The Bengals will also be after their first victory of the season.

While Neville is toiling along with its greenest team in several years, the Dragons are reported to have a speedy team that is capable of putting the Bengals out of the Class A conference race before they hardly get started.

Mangham, incidentally, is back on the locals' schedule for the first time since 1939 when they lost a 6-to-0 game to the Tigers. In 1929 Mangham beat the old Monroe City High school Tigers, 27 to 0, and the present Neville team is considered the weakest to be put out by the city school system since that year.

Neville has met two opponents thus far, losing to both Oakdale and Greenville, Miss. However, their work in holding Greenville to three touchdowns was considered good, and they should be able to make the Mangham battle even closer.

R. C. "Red" Rivers, fullback, and only veteran of the 1938 Neville eleven, is backed by some promising aspirants, however, and the fast-developing backfield that includes Guy Miller, Jasper Haddad and John Luffey, should be able to make the going rougher for Class A opponents as the season progresses.

The Mangham invasion will be the first of six successive home games for the Tigers. Farmerville's Farmers follow the Dragons here, and Winnboro, Ruston, Vicksburg and Rayville will come in order on following week-ends.

BASTROP RAMS DEFEAT HAMBURG LIONS, 20 TO 0

BASTROP, La., Sept. 30.—(Special)—The Bastrop High school Rams defeated the Hamburg Lions of Hamburg, Ark., 20 to 0, here last night on a wet field.

The Bastrop High school band, organized the latter part of the past school year, made its first appearance at a football game during the Bastrop-Hamburg clash, entertaining the crowd between quarters and at the half.

## CCC TO ENROLL 71 YOUTHS HERE

Procurement Will Be One Of  
Largest In History Of  
Corps

The Civilian Conservation Corps will accept 71 youths from Ouachita parish for enrollment in the corps October 3. A. R. Johnson, state welfare commissioner and state CCC director, announced Saturday.

Johnson informed M. B. Bowman, district director of the intake and certification bureau, that about twice as many youths will be enrolled from Ouachita parish as in the July quarterly enrollment.

He said the total state procurement for the October quarter would be one of the largest since establishment of the CCC, but that the number of youths in Louisiana conservation camps would remain about the same, since the new enrollees will replace many whose service periods are expiring.

Mr. Bowman said that youths from 17 to 23 years old, inclusive, who are in need of employment and wish to join the CCC must file applications at the parish office of the intake and certification bureau in Monroe.

The director said youths of at least 18 years of age would receive preference over those only 17 years of age.

## LOUISIANA TECH GETS NEW MASCOT

RUSTON, La., Sept. 30.—(Special)—Louisiana Tech has a new mascot, a six-month-old English bulldog, presented to the Tech student body by Mayor Sam Caldwell, who made the presentation in behalf of the Louisiana Tech Alumni association at a pep meeting in the college auditorium Saturday morning.

Amid yells of welcome, the dog, named Tech IV, was led down the aisle of the college auditorium by a leash. The mascot climbed the steps onto the stage and faced the student body as the band struck up a fight song.

President E. S. Richardson accepted the dog from Mayor Caldwell and in turn presented it to the student body. O. M. Merriott, Tech football star and vice-president of the student body at the college, in accepting the dog, promised that the mascot would be prominently displayed at all athletic and other student activities on the campus.

"Even though I have a daughter attending Centenary college in Shreveport, you'll all find me over here rooting for Tech, my alma mater, when the two colleges meet for their annual football battle November 30," the mayor announced to the student body.

Monaghan, blind speaker, singer, pianist.

### PARKING METER LAW VIRTUALLY TORN TO SHREDS

SHREVEPORT, La., Sept. 30.—(P) Shreveport's parking meter ordinance was virtually torn to shreds in an opinion handed down today by Judge E. P. Mills in Caddo parish district court in the suit of G. J. Mansour, et al. against the city.

The opinion was on an exception of no cause or right of action filed by the city, which Judge Mills overruled. The case has not yet been tried on its merits.

Main points brought out by Judge Mills were that the city council is without delegated authority from the state to enact an ordinance levying a tax, license or excise not levied by the state.

This provision is contained in act 10 of the extra session of 1934, which the court held to be constitutional.

He also held that the city does not have the right to call an election on the parking meter question, and that this provision, in his opinion, nullifies the entire ordinance, since it establishes the ordinance passed by the council as purely a temporary act.

For the courts to uphold the ordinance, with this provision in it, to be legal would hold legal an ordinance which has never been voted on by the council, he said.

The city council, in deciding to install parkometers here, announced that within six months after the placing of the first meters an election would be held to give the citizens opportunity to decide whether or not to continue the meters in operation. Several hundred meters have been installed and several hundred more are scheduled to be installed. They are combination devices charging five cents for an hour's parking and one cent for 12 minutes' parking.

Different groups and many citizens protested against the parkometers, but the city council ignored the protests.

### REAL ESTATE TRANSFERS

## PROGRESS MADE ON NEW BUILDING

Monroe Furniture Structure  
Taking Shape On North  
Second Street

The striking modern facade of the new Monroe Furniture company building now under construction at 132 North Second street, is beginning

to emerge from behind the wood framework, with the brick and concrete part of the structure now complete.

The window spaces will be filled with solid rows of glass brick. A unique decorative detail will be a row of small evergreen shrubbery, which will be planted in a continuous metal trough at the base of the first glass brick section.

The interior is also swiftly taking shape, with white plastered partitions and ceilings practically finished. The store-wide air-conditioning unit has been completely installed. Other features, such as the revolving window display and an Otis automatic elevator, are being installed this week.

Completion of the building has been delayed by some structural work which took longer than expected; however, the final work of decorating and finishing will soon be under way, and the new store is expected to open the early part of November.

## Martha Olive Myatt Is Guest Of Honor

Mrs. L. N. Larche Entertains For Mrs. George Weeks, Jr., And Mrs. Prentice Gray, Jr.

LOVELY days follow one another in swift succession now that Autumn comes across the field, her head enwreathed with bright goldenrod. Above us is stretched a taut blue sky, crisp as an autumn apple and the air is sweet and rich with coming frost.

Gardens are delightful places these early fall days and continue to be the favorite rendezvous for society, young and old. Miss Annie Lee Russell welcomed a few intimates in the gardens of the John Breard home Thursday evening complimentary to Martha Olive Myatt who with her parents is leaving tomorrow for their new home in Baton Rouge.

Tables were grouped under the spreading branches of the giant trees for the serving of the tall frosted cakes of refreshing drinks and the fascinating array of open-faced sandwiches and pastries.

The young hostess was assisted in the courtesies by her mother, Mrs. C. R. Russell, and her sister, Miss Beverly Russell.

Miss Myatt's intimate friends invited for this intimate conversational hour were Misses Ellen Hale, Mary Ann Wilde, Martha Woodman, Florence Fluker, Sara Frances Hinkle, Roberts Neal, Mary Eleanor Coverdale, Margaret Butler, Marjorie Farmer, Nan Buckner, Jo McCook and Mrs. Harry Underwood.

The past week was devoted to small informal farewell parties for Miss Myatt. Ellen Hale's steak supper at the home of her parents, Mr. and Mrs. Roy Hale, on Glenmar, was charming. Informal. Another commitment was Miss Mary Ann Wilde's supper bridge on Friday night. Miss Nan Buckner and Miss Marjorie Farmer entertained at bridge-luncheon at the Lotus club.

Summer lingering in Mrs. L. N. Larche's garden prompted her to entertain with an English tea on Saturday in honor of Mrs. George Weeks, Jr. and Mrs. Prentice Gray, Jr., two lovely brides who have kept the social ball rolling ever since their wedding day.

A flock of young and lovelies assisted Mrs. Larche and her daughter, Mrs. Louis Langford, in serving tea. English style, from a perfectly appointed table.

The younger social set was out en masse to enjoy Mrs. Larche's autumnal garden and the privilege of meeting the two guests of honor.

One of Monroe's beauty spots, the Virginia hotel roof garden, continues to shed beauty and fragrance. It is a popular place for diners who enjoy their demi-tasse under the stars after dinner has been served.

Last week found Mr. and Mrs. Lattimer Lewis welcoming supper guests on the roof complimentary to Dr. and Mrs. Prentice Gray. Mrs. Lewis was wearing a distinctive black moire model with corsage of Tallman roses. Mrs. Gray was a lovely figure in gold cloth model with corsage of Tallman roses.

Mr. and Mrs. James C. Steele, Jr., co-hosts on this occasion, were also extending courtesies. Mrs. Steele was wearing a pink lace model with blue accessories and corsage of Tallman roses. The spacious buffet, banked with Columbia roses and ferns, was laden with appetizing edibles including a decorative tray of vegetables cut in flower shapes.

The guests included the guests of honor and Miss Louise Gray and Mr. Lynn McCarley, Mr. and Mrs. Foster Wallace, Mr. and Mrs. Charles Garrettson, Dr. and Mrs. C. B. Finn, Mr. and Mrs. King Stubbs, Mr. and Mrs. James Trousdale, Mrs. Baskin Wright and Mr. McVae Oliver, Dr. and Mrs. Morton Simonon, Mr. Victor Davis, Dr. and Mrs. Scott Hamilton, Mr. and Mrs. Ivy Jordan.

Members of Eta chapter of Phi Kappa fraternity are enjoying an anticipatory thrill over the prospects of entertaining the national officers who will arrive at eleven o'clock Sunday morning.

The entire day will be devoted to entertaining their guest of honor with a barbecue climaxing the day's activities. Grandmaster Clarence DeBos and Worthy Master Levy Gremillion will be assisted by all members of Eta chapter in extending courtesies.

## Club Meets With Mrs. John Best

The Current Literature club met Wednesday afternoon with Mrs. John Best at her home on Spurgeon drive.

Mrs. J. E. Peters, vice-president, presided over the brief business meeting during which the club collect was read in union.

The program featured a most enlightening talk on 'Parliamentary Usage,' by Mrs. V. S. Garnett and a splendid paper on 'American Citizenship,' by Mrs. George Guertler. She said in part:

"We ignore and fail to discharge our citizenship responsibilities when we fail to vote or if we fail to vote intelligently. So it should be a duty as well as a privilege for each and every one of us to vote."

"Today, with the second World war in progress, as a result of noisism, as well as communism, and perhaps fascism, it is indeed gratifying to know that we stand for true ideals of Americanism."

"The Middle Window," by Elizabeth Goudge, was reviewed in a most interesting manner by Mrs. Louis Peters. She said, "The story begins in London. Judy Cameron drags her fiancé, Charles, her father, Sir James, and her comfort crazy mother, Lady Cameron, to the highlands of Scotland for two months where they rent an old Scottish manor. Judy discovered right away the worn place in the middle window of the parlor where some woman had stood, hour after hour, holding the curtain back waiting to catch a first glimpse of a man's return down the white ribbon mountain road. By reading an old book, playing an old harpsicord and by wearing an old satin dress which the servant gave her, she managed to relive the life of the other Judith, who had lived there in the 18th century."

"Judith and Ian's, whose love had been arrested by tragedy, only consolation is their belief that such love as theirs must bloom again under happier circumstances."

At the conclusion of the program, Mrs. G. M. Heidenreich was introduced as new club president to fill the vacancy created by the resignation of Mrs. F. T. Harkness.

Refreshments were served to Misses R. L. Conway, Jr., V. S. Garnett, G. M. Heidenreich, G. D. Holland, Mike John, Jr., J. C. Kramer, G. W. Guerrero, J. M. Menefee, J. E. Peters, Louis Peters, R. L. 'Junior Jubilee Book Club' Is Name Of Group; Mrs. R. L. Ross Is Named President

Mrs. H. V. Collins, Junior Contact Chairman for Fifth District L. F. W. C., announces organization of another junior club in Monroe.

This club is a unit of the 'Welcome Branch Club' and came into existence Tuesday morning, September 26, when a group of young women met in the home of Mrs. A. M. Allbritton.

The name chosen for this club is the 'Junior Jubilee Book Club.' The purpose is literary development and social intercourse. The year's study topic is 'These United States.'

Officers for the ensuing year were elected as follows: Mrs. R. L. Ross, president; Mrs. P. E. Massey, vice-president; Mrs. A. M. Allbritton, secretary; Mrs. D. N. Barron, treasurer; Mrs. A. B. Colmer, reporter; Mrs. Carl Couch, parliamentarian.

After the transaction of business, Mrs. Collins gave an inspiring talk on what it means to be a club woman. In part, she said, "The motive power of typical club woman, who is the

## Fairbanks Girl Scouts Active

The Girl Scout troop No. 1 of Fairbanks wishes to make a correction in regard to the statement made recently that there was no other Girl Scout troop nearer than Tallulah.

The Fairbanks troop was organized February, 1938, with Mrs. O. J. Ham as counsellor and Mrs. Borden Bradley as lieutenant.

Mrs. Poindexter Fiser, Mrs. Gus Hogue and Mrs. Dock Worley are serving as committeewomen and nine girls as charter members. The members are Edith Fiser, Carolyn Boyd, Catherine Worley, Margaret Wise, Betty Roddey, Martha Roddey, Ernestine Inabnet, Frances Rhodes and Novaleen Huett.

Other members have been added since then.

The girls have done outstanding work in scouting. With few exceptions they have passed their second class test and are ready to go into the first class as soon as a few more special or achievement badges have been made.

Edith Mae Fiser has made rapid advances in her safety, nature, out-of-doors, sports and health fields which is part of the Girl Scout rank requirement.

Plans are on foot now for the purchasing and building of the Girl Scout little house.

The troop has two patrols with Edith Mae Fiser and Caroline Boyd, leaders. They plan to have an exhibit at the Ouachita parish fair.

The Fairbanks Girl Scout troop wishes to extend an invitation to other scouts and their leaders to visit them at their little house or their meetings every Friday night at 6:30.

## Miss Baker Weds West Monroe Man

Engaging the interest of friends today is the announcement of the marriage of Miss Virginia Baker, daughter of Mr. and Mrs. M. D. Baker of Memphis, Tenn., to Mr. Nolan Dunbar McGaughey, son of Mr. and Mrs. P. N. McGaughey of West Monroe and grandson of the late Colonel and Mrs. Frederick Stanton of Stanton Hall, Natchez, Miss.

The marriage took place at the Parkview Presbyterian church of Memphis, on Thursday, September 21, with the pastor, Rev. A. T. Lindsey, officiating.

The bride was wearing a smart navy blue ensemble with corsage of bride's roses and valley lilies.

Following a honeymoon in south Louisiana Mr. and Mrs. McGaughey will be at home to their friends at 412 Clayton street, West Monroe, where Mr. McGaughey is owner of the Calvert Drug company.

Refreshments were served by the hostesses to the following members: Mrs. Carl Couch, Mrs. R. L. Ross, Mrs. H. A. Scott, Mrs. D. N. Barron, Mrs. P. E. Massey, Mrs. Sybil Lee, Mrs. A. M. Allbritton, Mrs. R. P. McKay, Mrs. A. B. Colmer, Mrs. R. C. Stokes and Mrs. H. V. Collins.

Mrs. D. F. Dennis Entertains Mother

Mrs. D. F. Dennis entertained a few friends in her flower banked home, complimentary to her mother, Mrs. J. D. Carlisle who observed her eighty-second birthday anniversary at this time.

Mrs. Carlisle wearing a lovely white dress model with corsage of gardenias and pink sweetheart roses stood with her daughter to receive the guests.

The afternoon was devoted to conversation and the cutting of the beautifully embossed birthday cake with 82 flaming tapers gracing the tea table in the dining room. Fruit frappe was served from an immense crystal bowl imbedded in a mound of Rose of Montana and maiden hair fern and presided over by Miss Delores Brown who wore a white net model over white satin and Miss Bertha Louise Dennis who wore a diaphanous gown of white mousseline.

A variety of delicious confections were served to the 75 guests who called during the appointed hours to offer their sincere felicitations to Mrs. Dennis.

Many beautiful gifts, including flowers, books and others of a more personal nature were bestowed upon the lovely celebrant.

Mr. Calvert Frantom was surprised on the occasion of his birthday Thursday, September 28, when Mrs. Frantom entertained with a dinner party in commemoration of the event. He was the recipient of many gifts.

Enjoying the occasion and delicious dinner with Mr. Frantom were Mr. and Mrs. R. L. Frantom and daughter, Peggy, Mr. and Mrs. G. W. Frantom and Mrs. Calvert Frantom.

## Calhoun Study Club Meets

"Some Tendencies in Recent Literature" was the subject of an unusually interesting paper prepared by Mrs. Claude Roberts for the first literature program of the Calhoun Study club at the home of Mrs. J. E. Bryan.

Mrs. Roberts said in part: "The most outstanding tendency in recent literature is 'realism.' The 'romanticist' uses his imagination so freely that his works seem far removed from life. The 'realist' uses his eyes and fails to see the great soul of humanity. He pays little attention to the story or plot element. He tries to interest his readers by portraying

things which we recognize as true to life. His scene is close at hand and his characters are such men and women as we may meet in the shops and on the streets. He has no ideal aim but is content to construct a world like the present world, and is satisfied if his readers can say that his work is true to facts, humanity and nature. Their stories contain some of the best pictures of American society and their style and humor have a charm that allures the reader."

Refreshments were served to Mrs. J. B. Brown, Mrs. J. E. Bryan, Mrs. H. D. Hale, Mrs. J. L. Heath, Jr., Mrs. N. D. Morgan, Mrs. Pat Wright, Mrs. C. Z. Roberts, and Misses Addie Fuller, Madie Mills and Suzanne McCook.

# Junior Charity League Regarded As One Of City's Outstanding Organization

## Group Engaged In Valuable Activity

Free Baby Clinic Is Chief Project But Many Other Institutions Receive Priceless Help

The prime social accomplishments used to be a nice little ability to play the spinet, to drop a French phrase into your elegant English and to excel in fancy embroidery. Today none of these accomplishments are necessary and count for naught in the general scheme of things. Women must be mentally alert, broad-minded—they must have vision, determination to accomplish worth while things and willingness to extend a helping hand to those in need.

The day of Alice-sit-by-the-fire is no more. Everywhere women are going beyond the narrow boundaries of their own home and are taking a place they have created for themselves in every department of life. Philanthropies now engage women who have never before concerned themselves with things outside of their own home.

The most active group of young women in Monroe at this time is the Junior Charity league. Members have slipped into work harness in preparation for another twelve months' pull for their pet projects. The amount of work being accomplished by this group of young women, all prominent members of Monroe's social world,

stagger the imagination of the thoughtful and leads to the question, "What would happen if these young women suddenly decided to do nothing outside their individual homes for the next year?" If members of the Junior Charity league should cease to worry about sick and undernourished children, hundreds of infants now receiving a quart or two of milk a day would not have it. If the group of the league members concerning themselves with the free baby clinic at St. Francis sanitarium should suddenly decide to "walk out" babies would suffer from lack of proper medical attention, and scientific care and advice.

Funds, of course, are necessary to carry on the work. That means hard work for every league member. Fashion revues have been the most painless method of raising money and have afforded the public, generally, charming entertainment. The Junior League Follies resulted in a rich harvest, financially, but each production meant hard work for all concerned. It meant not only daily rehearsing for those taking part but it also meant endless detail work for those who worked on the financial side.

Another method of raising funds, popular with the public, was the annual carnival. Editing of the News-Star-World for the special Junior League edition was another profitable undertaking. Whatever the league's method of raising money, the public has been highly entertained and in each case considered value was received.

It was back in 1930 when the Junior Charity league was organized in Monroe with Mrs. Edward Seymour serving as the first president. Interest from that day has never lagged and today, members, with few exceptions, are giving freely of their time and talents to a grand cause. Their work goes on day after day without fanfare and in many cases unnoticed because they do their work without question. Few people in Monroe, outside of those directly concerned, know that the league sends food, clothing and baby clothes, regularly, to the Home of the Good Samaritan. They have also offered their moral support to girls in the home who need understanding help during the period of reconstruction.

At the Home of the Good Samaritan there is a need almost as great as money. That is to help the people of this community to see that these girls do not necessarily have to become black sheep. Great advances have been made in this respect in the past few years but still greater ones must be made if the young girls who leave the home to start life over again

are to be given back their self-respect and a place in the work-a-day world. The Junior Charity league has made it their business to give the moral support necessary in each individual case. Even though members concerned themselves with no other work than this, the league's existence would be justified.

The league's horizon is constantly growing broader. They have offered their services this year to the Red Cross, the Salvation Army, the Y. W. C. A. and have also set aside certain days for delivering baskets of food stuff to needy families and to provide clothing for others.

Their pet project, however, is the free baby clinic. Work at the clinic goes on week after week, winter and summer, with various members always in attendance. A nurse and a physician are in attendance twice every week and free medicine is dispensed.

Presidents who have served since 1930 and who have the pleasure of seeing the far reaching results of their labors are: Mrs. Edward Seymour, Mrs. J. Hunter Thatcher, Mrs. R. L. Davis, Mrs. Walter Black, Mrs. Frank Shaw, Mrs. John Theus, Mrs. Milling Bernstein, Mrs. Nathan Gaston, Miss Eleanor Faulk and Mrs. DeWitt Milam.

The charter members are: Mrs. Jack Rogers, Mrs. Jose Isaacman, Mrs. Harold Dixon, Mrs. James A. Noe, Mrs. Howard Greene, Mrs. Elmer Slagle, Mrs. Walter Black, Mrs. Edward Seymour, Mrs. Frank Shaw and Mrs. Alma Summer Peters.

### Fraternity Honors Mr. And Mrs. Haynes

The tea dansante at Phi Kappa fraternity house honoring Mr. and Mrs. William Green Haynes was counted among the most pleasant social hours of last week.

The lounge was banked with flowers of gay autumnal coloring and offered an attractive background for the feminine guests in their dinner gowns. Mrs. Haynes was wearing a smart black and white ensemble and Mrs. Fletcher Ashcraft, who was privileged to introduce Mrs. Haynes, wore a blue and rose model.

Apertifs were passed among the guests who drank to the health of Mr. and Mrs. Haynes.

Dancing was enjoyed with an orchestra seated in an alcove, supplying the "peppy" music.

The following fraternity men and their dates, including the guests of honor, were present: Mr. and Mrs. Floyd Martin, Mr. and Mrs. James

Miss Koula Victoria Pappas, daughter of Mrs. Thomas Johnson, whose engagement to Mr. Sam C. Brown has just been announced.

Standley, Mr. and Mrs. Fletcher Ashcraft, Mr. Levy Gremillion and Miss Anne Hayward, Mr. John McIntyre and Miss Alice Daniels, Mr. Clarence DuBois and Miss Betty Evans, Mr. Henry Colbert and Miss Roberta Van Eldon, Mr. William Armstrong and Miss Kappy Ann Bracey, Mr. Buster Baur and Miss Charlene Lane, Mr. Dick Eason and Miss Josephine McCook, Mr. Bobby George and Miss Irma Ensminger, Stags were Rhes McCook, Lee Melton, James Swink, John

Woods, Seab DeLee, Billy Stevenson, Ben Marshall, Frederick Bronson, "Bubber" Vaughan, Lee DeMasterson, Billy Ensminger, Jack McCook.

Mrs. J. S. Henderson entertained with a birthday party in commemoration of the eighth anniversary of her son, Jefferson, Jr. The entire afternoon was devoted to the playing of games and the presentation of favors. The prize winners

### ENGAGEMENT ANNOUNCED

were Henry Fergus and Marjorie Eubanks.

Later in the afternoon individual cakes embossed in the name of the celebrant, "Jeff," and supporting a single lighted taper were served with ices and other confections to Wilma Sandel, Marjorie Eubanks, Flournoy Unglesby, Betty Sue Copeland, Bobby Garrison, Sarah Herndon Smith, Windsor Garnett, Martha Lee Resor, Bobby Jones, Henry Fergus, Charles Peevey, Joe Kern. Lollypops were presented to the guests for favors.

Mrs. W. E. Sandel and Mrs. J. T. Eubanks assisted Mrs. Henderson in extending courtesies to the guests.

5th District P.-T. A. To Meet In Bastrop

Mrs. Paul Blanchard, State President, Will Speak; Mrs. Couch Will Preside

The fall meeting of the Fifth District Parent-Teacher association will be held in Bastrop, Saturday, October 7, at the West Side school. The Parent-Teacher association of that school will be hostesses with Mrs. K. E. McDonald, president in charge.

Mrs. Carl Couch, Monroe, Fifth district director, will preside and Mrs. Paul Blanchard, state president, will be a guest speaker. The program scheduled for the meeting is as follows:

Registration, 9:30 a. m.  
Invocation, 10 a. m.  
Greeting by Bastrop.  
Response by Mrs. Fagan Cox, first vice-president of the Louisiana P.-T. A.  
Music.  
An address on "Art in the home" will be made by Miss Elizabeth Bethes, Ruston. Miss Maxine Corbett, Bastrop, will speak on "Music in the Home" and Miss Essie Culver, Baton Rouge, will discuss "Books in the Home".

During the afternoon session, Mrs. Blanchard will present greetings from the state board. Reports will be made by the unit presidents and the meeting will adjourn at 2:30 p. m.

All Monroe delegates are requested to make reservations for the luncheon with Mrs. Carl Couch, telephone 3232.

Music, art and children's reading will be featured on the program being prepared for the district meetings of the Louisiana Parent-Teacher association scheduled for the month of October, according to Mrs. Paul Blanchard, president of the Louisiana P.-T. A.

Mrs. G. E. Buddeke, Shreveport, state chairman of music, Miss Elizabeth Bethes, Ruston, chairman of art, Miss Essie M. Culver, Baton Rouge, chairman of children's reading, will assist the district directors in outlining programs for those meetings.

The district meetings are being planned for the following dates: District 1, Wednesday, Oct. 18, New Orleans; district 2, Saturday, Oct. 28, Lafayette; district 3, Tuesday, Oct. 3, Dubberly; district 4, Saturday, Oct. 7, Bastrop; district 5, Tuesday, Oct. 11, Covington; district 6, Thursday, Oct. 26, Lake Charles; district 7, Wednesday, Oct. 4, Campit; district 8, Thursday, Oct. 5, Winnabow; district 9, Tuesday, Oct. 10, Winnabow; district 11, Wednesday, Oct. 11, Zachary. District 12 will have no meeting.

Mrs. Blanchard, who has recently been assigned to serve as a member of the national publications committee, attended the national board meeting last week (Sept. 25-28) which was held in Chicago. Louisiana Parent publications have received much comment and commendation from the national congress of parents and teachers, resulting in the appointment of Mrs. Blanchard on this committee.

The fall board meeting of the Louisiana P.-T. A. will be held Oct. 21, in Alexandria.

Grayson

The first meeting of the Grayson Parent-Teacher's association was held in the home economics sewing room with a large attendance. Mrs. F. G. Johnston presided and gave a report of the first executive committee meeting at which chairman of standing committees were appointed. A report of the financial standing of the organization was given by the treasurer and plans for next year's activities were given by the chairman of the standing committees.

The following officers will serve for this term: President, Mrs. F. G. Johnston; vice-president, Mrs. R. D. Donaldson; treasurer, Mrs. Henley Biggs; secretary, Mrs. J. C. Hines. The following committee chairmen were appointed: budget and finance, Mrs. Henley Biggs; fund-raising, Mrs. L. L. Ferguson; hospital, Mrs. R. A. Cooper; membership, Mrs. A. D. Eglin; program, Mrs. R. D. Donaldson; publication, Miss Roberta Duke; publicity, A. L. Nixon, Jr.; room representatives, Mrs. T. L. Johnston; beautification, Mrs. Lucille Woolridge; safety, Mrs. Jettie Hall; music, William Eglin.

It was decided that the major objectives for this year will be the sponsoring of a safety project and the beautification of the school building and campus.

Neville

About one hundred and fifty parents and teachers were out to attend the "Go to School Night" program which was held at Neville High school auditorium Thursday night at 7:30 p. m.

Monroe Poetry Society Meets

The Monroe Poetry society met Thursday afternoon at the home of Mrs. Warren Gregory on Auburn avenue. After a brief business session during which Mrs. Fernandez, secretary, gave the treasurer's report and read the minutes, a discussion of the poems read by Mrs. George Wesley Smith, leader, was held. The subject, "Poetry of the Mysterious East," was presented in a most interesting fashion by Mrs. Smith, who said in part:

"The history of the mysterious east begins in Asia, where the dead civilizations, of which we have record, are the oldest civilizations which have a continuous life to the present day."

Many great poems were written in Chinese lyric form in the eighth century. I would love to speak of their art, sculpture, embroidered silk and carved ivory, but time forbids.

"Japan in recent times comes much closer to the western world than China. Japanese verse is unpolished, still the Japanese borrowed their classical literature from China. Japanese poetry is original. Their eighth century poets were Hitomaro and Akahito. They were eloquent and sympathetic as the Japanese colored prints."

"India, first cousins, attained a high degree of civilization 30 or more centuries ago. Their religion is older than that of the Greek. Hindus taught and taught brotherhood and fatherhood of God long before the gentle voice was heard upon the shores of Galilee. The Hindus from the earliest times were capable of expression of their ideas and writings and they have been carefully preserved."

"Hindu thoughts come to us in two ways—ancient and modern. The vast book of India, which has been thousands of years in the making, cannot be read by many of our learned men. But many hymns, verse and poems tell of their lives and govern them in beauty and good sense. The most influential Hindu is the Buddha-Gotama. He lived 500 years before Christ. He was the greatest preacher and writer of his time."

"Edwin Arnold speaks of 'Light of Asia.' Lafcadio Hearn of 'Gleanings in the Buddha Fields'—has been interpreted from the sacred books of the east. Buddhism is too oriental for us. 'Mahomet in the seventh century captured converts by sword as well as by his masterful tongue. His book, 'Koran,' is the most extensively read book in the entire world. The book has guided millions of people for 12 centuries, and is a very important document."

"The Persian poetry has a beauty that appeals to European translators who were artistic as well as scholarly. The great epic poet of Persia was Firdusi. He lived in the tenth century. He wrote 'The Book of the Kings' of great length and great beauty. 'The Fruit Garden' and 'The Rose Garden' by Saadi and Hafiz, are both famous books of Persian lyric poems."

Welcome Branch Book Club Meets

"Music in the Home" was the theme of Welcome Branch Book club last week when members met in the home of Mrs. J. Norman Coon with Mrs. Henson Coon and Mrs. H. V. Collins as hostesses.

The guest speaker, Mr. J. P. Hayes, national representative of the Civic Music association was introduced by Mrs. E. C. Gibson. Mr. Hayes gave an inspirational address interspersed with humor. He discussed such questions as "What is good music?" and "What music can mean in the home."

Good music he said, is familiar music. Mr. Hayes suggested we familiarize ourselves with the history of the operas in advance of hearing them, then we can more fully appreciate them.

Mrs. C. A. Young presented an interesting paper on "Appreciation of Music." She said, "There is just as much beauty in music as we are prepared to appreciate. We cannot see anything until we are possessed with the idea of it. Likewise, we cannot hear until we learn how to listen. Yet how few of us realize what care and study it takes to make good listeners, especially to that rarest form of sound, music."

Mrs. J. D. Petty, in a delightful manner reviewed the autobiography, "Such Sweet Compulsion," of the noted American soprano, Geraldine Farrar. She quoted Mrs. Farrar as follows: "Why cannot we in America turn our interests and energies to such a practical undertaking as evolving a system under which our own talented musicians could enjoy development on home soil? It is almost unbelievable that we own but one famous opera house and it is hard put to survive for a few short weeks out of the year. It is a sad commentary on our national pride that such is the fact."

Mrs. E. E. Lawson accompanied Mrs. J. Norman Coon when she sang "Homing" by Riego, and "Overtones" by Rasbach.

The following piano numbers were given by Mrs. Lloyd Webb: First movement of "Moonlight Sonata" by Beethoven, and "Prelude in C" from Well-Tempered Clavier by Bach.

The following members were present: Mrs. Clay Albright, Mrs. F. E. Black, Mrs. John C. Best, Mrs. H. V. Collins, Mrs. Henson Coon, Mrs. J. Norman Coon, Mrs. Harold Delaney, Mrs. D. H. Duncan, Mrs. J. T. Eubank, Mrs. W. C. Faulk, Mrs. George Fink, Mrs. V. S. Garnett, Mrs. E. C. Gibson, Mrs. R. H. B. Gibson, Mrs. Warren Gregory, Mrs. A. S. Gunter, Mrs. M. R. Hausher, Mrs. J. G. Hicks, Mrs. G. D. Holland, Mrs. C. M. Kountz, Mrs. E. E. Lawson, Mrs. B. M. Murphy, Mrs. J. D. Petty, Mrs. F. H. Peterson, Mrs. George Phebus, Mrs. Joseph Ramey, Mrs. W. E. Sandel, Mrs. Dean Selig, Mrs. Zell Smith, Mrs. Charles Swain, Mrs. L. V. Tarver, Mrs. Lloyd Webb, Mrs. J. R. White, Mrs. John L. Whitfield, Mrs. Joseph Winkler, Jr., and Mrs. C. A. Young.

Guests present were Mrs. Clyde R. Pedigo, Mrs. Albert Speer, Mrs. J. L. Ivey, Mrs. P. B. Collier and Mrs. Wesley Ekholm.

JUNIOR CHARITY LEAGUERS HARD AT WORK AT BABY CLINIC

Versatility is the spice of Junior Charity leaguers. They conduct their free baby clinic at St. Francis sanitarium with the same savoir faire they display in giving their celebrated follies and fashion revues. To get first hand knowledge of their pet philanthropy drop around some morning at the baby clinic where you will find them hard at work caring for sick and underprivileged children. Last week, with a nurse and physician in attendance, Miss Violet Meyer, top left, was seen registering mothers who were seeking medical aid for their children. Mrs. Travis Oliver, Jr., top right, aided by a nurse, was seen weighing an undernourished child. Miss Sara Cole Morrison and Miss Minnie Cole, lower left, were seen making friends with a little boy who needed the league's assistance. Another group of workers, Mrs. M. R. Braswell, Mrs. George Weeks, Jr., and Mrs. DeWitt Milam (president), lower center, were in charge of the milk distribution. In the lower right hand picture a little girl is seen receiving medical attention from the physician who gives his time without cost to suffering humanity.

Plans for the winter season were completed by members of the McGuire Luncheon-Bridge club at a meeting at the club house last week. Mrs. Edward Shaver was elected president; Mrs. Scott Spencer, vice-president; Mrs. Vance Rhodes, secretary and treasurer. The first luncheon of the season will take place at the club house October 14 with Mrs. Shaver, Mrs. D. C. Metcalf and Mrs. Scott Spencer, hostesses.

Mrs. Zell Smith, member of the Welcome Branch Book club, appointed the following department chairmen to take charge of departments as follows: American citizenship, Mrs. Joseph Ramey; American home, Mrs. C. S. Swain; conservation, Mrs. V. S. Gar-

Miss Henry Marries

John Harvey Robinson

Simplicity marked the wedding of Miss Yvonne Janice Henry, daughter of Mr. and Mrs. J. T. Henry of Simsboro, La., to Mr. John Harvey Robinson, son of Mrs. Irma McCord Robinson and the late Lewis G. Robinson of Bastrop.

The impressive double ring ceremony was read by the Rev. Segars in the First Methodist parsonage in Lake Providence, Monday, September 18, at 8 o'clock in the evening.

The bride wore a handsome fall model of blue crepe with black accessories and a corsage of sweetheart roses.

Mrs. Robinson attended Louisiana Polytechnic institute of Ruston and was a member of the Theta Upsilon sorority. She is a member of the West Side school faculty of Bastrop which she joined last year. Mr. Robinson received his early education in Bastrop, being a graduate of the Bas-

The Intermediate Girls' auxiliary of the Trinity Baptist church met at the church for the purpose of electing officers for the remainder of the year.

The meeting opened with sentence prayers, followed by an interesting talk on "Growing in Grace" by Miss Rosa Ruth Kirby, the leader.

The following officers were elected: President, Miss Alice Bell Kirby; vice-president, Miss Violet Marie Bennett; secretary, Miss Rosa Lee Webber; treasurer, Miss Charline Davis; reporter, Miss Pauline Davis.

Following the election of officers, various committee members were appointed.

Other members present were: Sybil Arnold, Emogene Beard, Monte Cameron, Nellie Ruth Dayton and Nila Jean Frazier.

The Faithful Workers circle of the W. M. U. met with Mrs. V. R. Purvis. Mrs. H. F. Dayton had charge of the program, which was on Christian edu-

was taught by Mrs. Tommy Moseley. Refreshments were served to Mesdames Charles Phillips, Mrs. R. B. Fritz, Mrs. H. D. Haberyan, Mrs. Jimmie Stacy, Mrs. Tommy Moseley, Mrs. C. C. Guss and Mrs. Jimmie Parks.

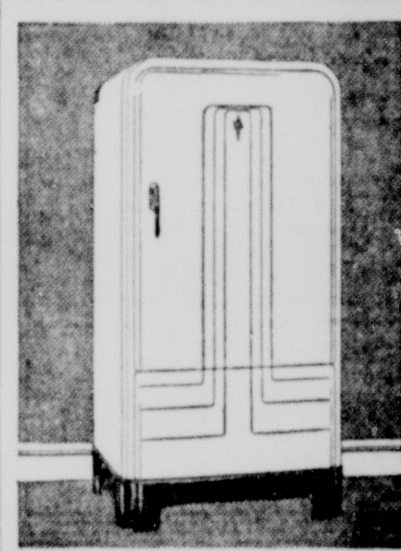

The members of the Methodist W. M. S. were delightfully entertained by Mrs. H. W. LeTissier in her home. Bingo was enjoyed during the afternoon and the prizes were won by Mrs. B. Z. Forman, Mrs. R. P. Boyd, Mrs. O. R. Wurster, Mrs. Lee Amard, Mrs. L. Yancey and Mrs. Henry Uttinger. At the close of the meeting, delicious refreshments were enjoyed. Those attending this meeting were: Mesdames Maggie Lazarus, B. Z. Forman, W. P. Foster, E. H. Scott, Lee Lazarus, R. P. Boyd, L. C. Freeman, Ernest Young, Jr., O. R. Wurster, W. S. Conner, Lee Amard, C. F. Farrar, W. C. Stroud and Henry Uttinger.

Mrs. Henry Uttinger entertained the members of her bridge club in her home. The living room, where tables were grouped, was decorated with roses and zinnias. Mrs. R. P. Boyd won high score prize, Mrs. C. E. Enete second, and Mrs. E. H. Scott cut the consolation. Mrs. Uttinger served her guests with a salad course after the games.

Mrs. W. C. Stroud was hostess at bridge. Beautiful roses furnished a decorative note for the guests, who found places at tables in the living room. Mrs. W. L. Frisbie received the high award, Mrs. W. C. Beard second high, and consolation and traveling prizes went to Mrs. S. L. Marvin. At the conclusion of the games, Mrs. Stroud served her guests a delicious salad course. In addition to the regular club members Mrs. Henry Uttinger played as substitute.

## ASSEMBLY OF GOD

West Monroe  
E. L. Tanner, Pastor

If you are not a member of some other church school we invite you to join ours. Meet with us today and begin with the first Sunday of the quarter. The Sunday school will meet for the preliminaries in the church auditorium at 9:45 a. m. D. O. McDaniel, superintendent, in charge. A picture of the school will be made after classes. At 11 a. m. the pastor will bring a short message in connection with the communion service that will be held at this hour. At 6:30 p. m. the Christ Ambassador class will meet. They are anxious to have every young person meet with them in this service. Evangelistic service at 7:30 p. m. The pastor will be in charge. Regular prayer service Tuesday night. Choir practice Thursday night. The public is cordially invited to attend all services.

## FIRST BAPTIST CHURCH

St. John and Grammont Streets  
L. T. Hastings, Pastor  
D. C. Black, Pastor's Associate

Sunday marks the beginning of a new year, a new associational year, a new Sunday school and training union year, and a new year of our pastor's ministry, the beginning of his fifteenth year. All departments of the church are well organized and ready to do the best year's work for the glory of God. To that end and for the glory of God, we devote our best, our all. Our Sunday school attendance is steadily climbing, now that the summer vacation is over, and we confidently look for a record attendance Sunday. The pastor will speak at the morning hour on "The Sin and Peril of Thinking Above What is Written," based upon Paul's admonition, "Learn in what is written" (1 Cor. 4:6). At the evening hour his subject will be "Some Reasons Why We Should Love and Look for His Coming," based upon the words in Paul's "satan song" (2 Timothy 4:1-8). These messages will be broadcast over KMLB, but you will get more out of them if you are in the congregation. Each night next week, Monday through Friday, the pastor will meet the teachers and officers of the Sunday school at 7 o'clock and review with them the quarter's Sunday school lessons. We will be glad to have teachers from other churches join us in this study—in fact all who would like to study the Scriptures with us.

## FIRST BAPTIST CHURCH

West Monroe  
Dr. A. E. Prince, Pastor  
Dallas Goss, Music Director  
Miss Beulah Doerr, Educational Director

The entire morning service will be given to an installation of church and Sunday school and other officers and workers. The pastor will call the name of every person who has been chosen for service and will present certificates of appointment to all. It is expected that every worker will be present to receive his appointment. This will be a very impressive service. Almost two hundred workers have been elected to serve for the new year and many others are yet to be chosen. The Sunday school has been enlarged to eleven departments and is now a fully graded and equipped Sunday school. The B. T. U. organization has been greatly enlarged and new unions have been formed. The Men's Brotherhood is reorganizing for the coming year's work. The Women's Missionary society is fully graded. The choir is being enlarged under direction of Dallas Goss. The entire church organization is being geared for what every member hopes will be a great year's work.

Monday night is designated as organized class officer's night for young people and adult departments. Every class officer of the Sunday school is expected to be present and to attend the particular conference scheduled for him or her. Tuesday night is Junior and Intermediate night and all class officers of these departments are expected to be present.

The program for today is as follows: Sunday school 9:45 a. m., special installation service 10:30 a. m. B. T. U. leaders' meeting 6 p. m. Brotherhood and B. T. U. meetings 6:30 p. m. Evening worship, 7:30 p. m.

## CENTRAL BAPTIST CHURCH

3400 Lee Avenue  
D. D. Cantrell, Pastor  
Dale Cobb, Music Director  
S. M. Minor, the new Sunday school superintendent, will officially begin his new work today opening the Sunday school at 9:45 a. m. All the teachers and officers will meet prior to this time to greet him. Miss Hendricks also will have charge of the primary department and will meet the teachers some minutes earlier to plan for the group of children.

The Baptist Training union will meet at 6:30 p. m. All the people are urged to be on time and to have a grade of 100 per cent for this service. The new union added will serve a great work in our church.

The pastor's subjects for the day are for the morning worship hour, "The Christian's Forward March" and the evening worship "What Is Man?" We welcome all the friends of our city to worship with us in all the services of the day. This is the Christian's day of worship, let us not fail to give praise, honor and glory to Him who is Lord of the Sabbath today.

"Launch out into the deep!"  
O Lord, o'er sea and land,  
We hear the splendor of thy voice,  
In tones of high command."

## CHRISTIAN SCIENCE SERVICES

Auburn Avenue and North Second

"Unreality" is the subject of the lesson-lesson in all Churches of Christ, Scientist, Sunday, October 1, 1939. The golden text is: "There is that maketh himself rich, yet hath nothing: there is that maketh himself poor, yet hath great riches" (Proverbs 13:7). Among the citations which comprise the lesson-lesson is the following from the Bible: "Thine O Lord is the greatness and the power and the glory and the victory and the majesty." (1 Chron. 29:11). The lesson-lesson also includes the following passage from the Christian Science textbook, "Science and Health With Key to the Scriptures," by Mary Baker Eddy: "Spiritual sense, contrasting the material senses, involves intuition, hope, faith, understanding, fruition, reality." (p. 28).

## FIRST CHRISTIAN CHURCH

Corner St. John and Oak Streets  
R. T. Watson, Minister  
Mrs. P. J. Newman, Choir Director  
E. H. Williamson, School Superintendent

Church school, 9:45 a. m. Worship, 10:30 a. m. Sermon subject, "Life Is a Trust," Christian Endeavor, 6:30 p. m. Evening service, 7:30 p. m. Subject of sermon, "My Disciple II." (Please note change of time.) Sunday will be rally day and roll call Sunday. We are trying to have as many 100 per cent attendance as possible. Let's all go to church Sunday and rededicate our lives to His service. Visitors always welcome.

## CHURCH OF CHRIST

South Second and Apple  
J. P. Lowery, Minister

Bible study 9:45 a. m. Worship service 11 a. m. and 1 p. m. Ladies' Bible class Tuesday 2:45 p. m. Prayer and song service Wednesday 7:30 p. m. Dought L. Moody, famous evangelist, once said: "I have a good deal of respect for the old woman who, in the time of war, started out with a poker when the enemy was approaching. When asked what she could do with that weapon she replied: 'I can show them which side I am on.' Friend, are you on the Lord's side?"

## FIRST METHODIST CHURCH

Jackson At Wood Street  
The Church of The Lighted Candle  
Walter C. Scott, Minister

This is Communion Sunday. The Holy Communion will be observed at the 11 o'clock service. At this hour, too, there will be an installation service for the teachers and officers of the church school. The public is cordially invited.

On next Sunday, October 8, the Christian Workers' Training school will meet at the First Methodist church, West Monroe, at 2 o'clock in the afternoon. There will be a large number enrolled from this church.

The Women's Missionary society will hold its business meeting at the church Tuesday at 3 p. m. On Wednesday evening the Parker Memorial class will meet with Mrs. A. C. Ransom, 311 Alexander, for the monthly business and social meeting.

## FIRST METHODIST CHURCH

West Monroe  
Dr. C. K. Smith, Pastor

"Rally Day" will be observed today and we are expecting all our people to attend Sunday school and church services. We are looking for 900 in Sunday school and a like number at the church services on this special day. Please let all parents bring the whole family and attend every service for the day. Our children will never rise above the spiritual interest we as parents exhibit. Sunday school begins at 9:45 a. m. with classes and teachers for all ages. Preaching services at 11 a. m. and at 7:30 p. m. Special music at every service. Let all our people attend the "Rally Day" and become part of a progressive movement for Christ and the church. "The church with a welcome for everyone!"

## GORDON AVENUE METHODIST CHURCH

J. M. Alford, Pastor

All the regular services will be held Sunday at the usual time with the Church school exercises opening at 9:45 a. m. The Sunday school attendance was far above the average last Sunday and the congregations attending the two regular worship services were the best of the entire year. Several new members were received in the church at the evening service and several more will be added at today's services. The revival meeting which closed last week put added zeal into all the activities of the church. An unusually large number attended the prayer meeting last Wednesday. There is a marked improvement in the young people's work, and the Missionary society, which will meet in business session next Tuesday afternoon, is thriving. R. L. Hales, the president of the Wesley brotherhood, is planning a program in the near future. We call on all our members and friends to continue their cooperation with us for better things in the Lord's cause. All are cordially invited to come and worship with us. The pastor's subject at the morning service will be "The Second Coming of Christ." At the evening service, "The Darkness of Sin Contrasted With the Light of Christianity." The Communion of the Lord's Supper will be observed at the close of the morning service.

## STONE AVENUE METHODIST CHURCH

Stone Ave. and South Third St.  
I. L. Yeager, Pastor

We invite you to attend the week-end services beginning with Sunday school at 9:45 a. m. Morning worship at 11 o'clock. Christian Endeavor at 6:45 p. m. Evening service at 7:30 p. m. Bible study Thursday evening at 7:30 p. m. The 20th chapter of Revelations will be the evening lesson.

John, the man of greatest patience, asked, "Where is the way where light dwelleth?" The God-man, Christ Jesus, said, "I am the light," John said, "In him is no darkness at all." Christ Jesus, the light of the world, Friend, may this light brighten your pathway through life's short day.

## CHURCH OF THE NAZARENE

Thomas At Richmond Street  
G. M. and Ina Lee Akin, Pastors

Will you study the Lord's word with us Sunday morning? Our Sunday school begins at 9:45 a. m. S. P. Quigley, superintendent. The pastor will preach at 11 a. m. and at 7:30 p. m. Morning subject: "And He Went a Little Further." Evening theme: "What Is That in Thine Hand?" Young people's group meetings at 6:30 p. m. O. L. Hoskins, Mrs. Ruth Hoskins, and Miss Marie Venable, sponsors. The W. F. M. will meet Tuesday evening at 7:30 o'clock. Mrs. G. M. Akin, president. Prayer meeting on Wednesday evening at 7:30 o'clock. You will always find a welcome at the Church of the Nazarene.

## THE FIRST PRESBYTERIAN CHURCH

Grammont At Catalpa  
Ernest Holloway, Pastor

The Communion of the Lord's Supper will be observed at the morning worship, Sunday, October 1, 1939. The golden text is: "The Ordinance of Jesus, the Christ, His people are expected to keep. Will you come with us that we may honor Him, proving our loyalty to His cause?" (Christian 28).

## First Federal Savings & Loan Grows Rapidly

The First Federal Savings and Loan association of Monroe, although only five years old, is making rapid progress in the building and loan field. Chartered under an act of congress, the association, which operates at 128 South Grand street, is managed locally and directed by a group of thoroughly capable men who are familiar with Monroe and West Monroe and interested in their growth.

The association is a sound institution and an economical place to borrow funds with which to build, remodel or refinance your home. The foundation of its strength is the soundness of the lending principles upon which it operates. Loans are made upon a conservative basis of property value. Repayment is made over a period of from five to 15 years in monthly installments. The association is striving to maintain its record of making only good loans.

Investment share and saving share accounts are insured up to \$5,000 by the Federal Savings and Loan Insurance corporation of Washington, D. C. Liberal earning on investments, plus insurance by an agency of the United States government, add to the popularity of shares of this association. Dividends on all shares are paid semi-annually on June 30 and December 31. Current dividend rate is 4 per cent.

The officers are Clyde R. Brown, president; T. O. Baneroff, vice-president, and James Heard, Jr., secretary. In addition to the officers, the board of directors is composed of Henry Biedenhorn, R. M. Beard, Jr., G. B. Cooley, Claude Harrison, W. W. Kellogg, J. E. Marx, W. D. H. Rodriguez and S. J. Rogers.

## Turner's Handle Sanitary, Janitor Supplies, Paints

Turner's, who have been serving Monroe and the local trade area since 1921, is back at 105 North Grand street, their original location. A firm that specializes in sanitary and janitor supplies, they handle paints, varnishes, enamels, wallpaper, paint brushes, painters' supplies of every kind and window glass.

In short, Turner's, whose telephone is 2575, deal in everything required in decorating a building or home and keeping it clean and healthful.

They carry in stock, waxes and floor treatments, floor soaps and liquid floor cleaners, liquid disinfectants, liquid deodorants, black and crystal deodorants, liquid soaps, fixtures and accessories for soap and deodorants, polishes for metal, floor and furniture, special cleaners, window cleaners, wall cleaners, plumbing cleaners, garment cleaners, wood cleaner, rug cleaner, insecticides of a wide variety and everything used by janitors.

They are particularly in a position to provide sanitary and janitor supplies for schools, public buildings, of fire buildings, institutions, hospitals, hotels and industrial buildings. Included in its stock are perfumed soaps, deodorants and insecticides and soaps and cleaners particularly designed for filling stations and garages.

Every item required in decorating either the exterior or interior of a building or home is available at Turner's. The firm in no way engages in contracting but is glad at any time to recommend reliable painters and paperhangers. Moreover, it rents electric floor sanders, electric floor polishers and vacuum cleaners.

The only lightship ever sunk in war was famous Diamond Shoals lightship, off Hatteras, N. C. A German submarine sank the boat by gunfire and the crew rowed 15 miles over the boiling shoals waters to the cape.

## Paint Now, Urges Sherwin-Williams

Now is the ideal time to paint. It's the ideal season for the application of paint. Then, too, now is your last chance to protect your property with paint against wet, cold winter weather.

If your home is in need of painting and other repairs, The Sherwin-Williams company, 109 Catalpa street, paint and wallpaper firm, will be glad to help you arrange an FHA loan. Moreover, it will suggest competent painters to handle your job.

In addition to paints, varnishes, lacquers, leads, oils, enamels, brushes, painters' supplies and specialties, and wallpaper, the firm handles window shades and Venetian blinds. Recently it took on a complete line of Westinghouse appliances, with the exception of refrigerators and washing machines. These appliances include radios, electric irons, vacuums, ironing boards, toasters, percolators and auto-meal roasters.

Other Sherwin-Williams dealers here besides the Sherwin-Williams store are the Southern Hardware company, 108 Walnut street, and McQuiston Decorating service, 218 Trenton street, West Monroe. Each of these establishments handles a complete line of Sherwin-Williams products.

Remember, the facilities of the Sherwin-Williams store here are at your disposal in making FHA loans if you are planning to remodel or renovate your home or other structures.

Boone, N. C., derived its name from Daniel Boone, who from 1760 to 1869 had one of his favorite campsites where the town now is located. Not far distant in the town of Burnsville, Daniel Boone, six generations removed from the original Daniel, still plays the trade of town smith; trade of his famous ancestor.

# 'Stanley And Livingstone' Opens At Paramount Today

## Spectacular Film Boasts Great Cast

Spencer Tracy, Richard Greene Head Players In Tale Of Adventure

**"FIND LIVINGSTONE"**  
Exactly 70 years ago this October 16, James Gordon Bennett barked these words at his crack reporter, Henry M. Stanley.

It was apparently the most hopeless assignment in all journalism. No one but a mad man would brave the terrors of unknown Africa to hunt for a missionary-explorer from whom no word had come in two years.

How Stanley found Livingstone, how the world called the newspaperman "the most colossal liar of his age," and how he later became the greatest hero of his era, is the story of the 20th Century-Fox picture, Darryl F. Zanuck's production of "Stanley and Livingstone." It opens today at the Paramount theater, an important event for Monroe and a notable occasion for all.

Spencer Tracy, twice an academy award winner, portrays Stanley. Nancy Kelly, who rose into the front ranks of movietown with her role in "Jesse James," and Richard Greene, who in a year's time has become one of Hollywood's top romantic stars, are starred with Tracy. Another two-time award winner, Walter Brennan, heads the outstanding cast which includes Charles Coburn, Sir Cedric Hardwicke (as Livingstone), Henry Hull and Henry Travers.

Henry King, who directed "In Old Chicago," "Alexander's Ragtime Band" and "Jesse James," was assigned the megaphone.

In 1937 Mrs. Martin Johnson, the famous explorer, led an expedition of 27 Hollywood players and technicians into the wild Tanganyika country of Africa. They began at Bagamoyo, on the coast opposite the island of Zanzibar, and retraced Stan-

One of the greatest acting casts ever assembled is the boast of Darryl F. Zanuck's production of "Stanley and Livingstone," which plays today, Monday and Tuesday at the Paramount theater. Above, Nancy Kelly and Richard Greene, in the romantic roles, share starring honors with Spencer Tracy, twice winner of the Academy award.

Judy Garland as the little heroine of "The Wizard of Oz," spectacular musical showing Friday and Saturday on the Paramount theater screen, wends her adventurous way through the magic land of Oz, singing such luring ballads as "Over the Rainbow," "We're Off to See the Wizard," "The Merry Old Land of Oz" and "Ding Dong, the Witch Is Dead."

Tyrone Power finds gay romance with Sonja Henie in the talent-crowded, fun-filled film, "Second Fiddle," showing Friday only at the Capitol theater. Rudy Vallee, Edna May Oliver, new star Mary Healy, Lyle Talbot, Alan Dinehart and Stewart Reburn, Sonja's first screen skating partner, complete the cast of this Irving Berlin musical.

Pat O'Brien and John Payne share the thrills and dangers in the super-charged thrill drama, "Indianapolis Speedway," also starring "oomph girl" Ann Sheridan and Gale Page. This exciting story of the devil drivers of the speed world, plays today and Monday at the Capitol theater.

Wife knows best! . . . He's an obscure, underpaid young ad writer until he listens to the little woman. Then, wham! He's accused of murder! What a spot! Above, Stuart Erwin and Gloria Stuart in "It Could Happen to You," a downright human story showing Tuesday only at the Capitol.

Everyone from eight to eighty is familiar with the fantastical story of "The Wizard of Oz," which has gone down into history as the most famous legend of make-believe ever written. Now "The Wizard of Oz" comes to the screen Friday and Saturday at the Paramount theater in a magnificent presentation of Technicolor, songs and dances, camera wizardry and spectacle. Above, you'll recognize Ray Bolger as the scarecrow, Bert Lahr as the cowardly lion and Jack Haley as the tin woodsman. Judy Garland as little Dorothy whom a cyclone transports to the magic land of Oz, Frank Morgan, Billie Burke and Margaret Hamilton complete the cast of this amazing production.

An unusual cast graces "Mr. Moto Takes a Vacation," showing Thursday only at the Capitol theater. Peter Lorre stars in the title role and John King with Iva Stewart provide the romantic interest. The cast also features Joseph Schildkraut, Lionel Atwill and Virginia Field.

ley's historic nine-month trek in 1871. They spent five months in reaching Ujiji, the village where Stanley found Livingstone, filming the country, which had changed little since it first witnessed one of the most heroic adventures known to man.

More than a thrilling adventure story, the screen play by Philip Dunne and Julien Josephson presents Livingstone's remarkable refusal to be "rescued" when Stanley arrived. The

newspaperman stayed with the missionary to get his story and the contact with a great soul changed him completely. A profound story of human experience is "Stanley and Livingstone"—extraordinary, outstanding screen fare.

Garber plays at Ferriday Oct. 5

He gave up his title of "originator of Hukom," and inherited the sobriquet of "The Idol of the Airlines."

You were right both times. It's Jan Garber, who comes to the Ferriday High school auditorium on October 5 through arrangements with Music Corporation of America, bringing with him his great array of song stylists, including Lee Bennett and Fritz Heubron.

Making his debut in professional music circles shortly after the war, Garber specialized in an entertaining orchestra, rather than a tuneless dance dispensing organization, and it was not until a short time ago that he revolutionized his style in favor of the latter type of music.

Critics were dubious about the reception that would be accorded his change of style, but once they heard, they went away satisfied and Garber continues to please. As evidence of the tremendous popularity which this newly adopted manner of presentation has brought him, it is only necessary to point out the constant clamor for return engagements wherever the band has performed.

The Trianon ballroom in Chicago featured Jan Garber and his orchestra for two seasons and would like to keep him. The Catalina Island Casino featured the diminutive clowning baton waver for three seasons and would also like to keep him, but Jan is not his own boss, and it's easier for the music to be brought to the people than vice versa.

## MOTOR GROUP IS TO HOLD MEETING

Louisiana Transport Association Will Be In Session Tuesday At Baton Rouge

BATON ROUGE, La., Sept. 30.—(Special)—The first state-wide meeting of the Louisiana Motor Transport association will open October 3 at 10 a.m. at the Heidelberg hotel in Baton Rouge, to elect a president, vice-president, secretary-treasurer and a board of directors to serve for the coming year, according to Manager B. H. Grayson.

The Louisiana Motor Transport association was formed August 24 at a convention of truck and bus operators held in Alexandria. Present officers and directors are: Raymond Heard, president; R. C. Wisdom, Willis Young, C. E. McKenzie, vice-presidents; J. R. Herrin, secretary-treasurer; J. W. Bryant, J. H. Brown, J. O. Cupples, Tom Hicks, E. H. Martin, Will Aertker, C. B. Brock, A. F. Akin, E. N. Thompson, M. W. Walker, H. J. Eberhardt, W. H. Polder, A. B. Freeman, Paul Maloney, Jr., F. J. DeVillier, John Fruge, J. P. Voss, Charles Littlejohn, Clifford Strauss and L. W. Harper, directors.

Under the leadership of this board, the organization has made remarkable progress in the last 30 days, and the motor transport industry in Louisiana, for the first time in its history, now presents a united, statewide front in its battle against the unfair burden of taxes and restrictions under which it now operates.

According to Mr. Grayson, there are licensed at the present time, in Louisiana, 75,590 trucks; and based on information secured from the United States government, the owners of these vehicles paid in license fees and gas tax, in 1938, \$9,338,120. According to United States labor department figures, the motor transport industry in Louisiana, in all of its phases, furnishes employment to some 38,000 people. It is a plan of this organization to use the combined strength of the transport operators and their employees, as well as the support of the allied industries, in a legislative fight to secure a reduction of the cost of license fees, insurance rates, gas and oil tax, chauffeur's license and the removal of certain unfair restrictions and laws under which the industry now operates.

Mr. Grayson stated further that there are 162 communities and towns in Louisiana that have no means of transportation other than trucks and buses. Any crossroad is a starting point and a stopping point for a truck or a bus and they have been, and will continue to be, the greatest protection the general public has against excessive freight and passenger rates.

The meeting in Baton Rouge, Mr. Grayson added, is open to all persons interested in the future development, welfare and protection of the motor transport industry in Louisiana, and all such persons are urged to attend.

## DEMPSEY FAMILY HOLDS REUNION NEAR JENA

SICILY ISLAND, La., Sept. 30.—(Special)—The annual family reunion of the descendants of the late Captain Michael Dempsey was held near Jena Sunday. Many had not seen their relatives for as much as 30 years. After a short visit to the cemetery, the assemblage drove to Hair's creek for an outdoor dinner party.

Among those present were: Mr. and Mrs. C. G. Dempsey and daughters; Mr. and Mrs. J. M. Box and daughters; Winnfield; Mrs. Gaudra Tracey, C. C. Dempsey, Marshall, Tex.; Mrs. Consuela Schmidt, Mrs. Ethel Peavy, Mrs. Mary Powell, Shreveport; T. W. Dempsey and daughters; Rochelle; Mr. and Mrs. D. D. Dempsey and sons; Kelly; Mr. and Mrs. Fay Roberts and son, Compt; Mr. and Mrs. K. E. Roberts, Mrs. Mary A. Posey, Natchitoches; Mr. and Mrs. Buddy Fuller and son, Ferriday; Mrs. Clara Davis, Provenal; C. C. Hart, Sicily Island; M. B. Hart, J. T. Korn, Roy Slaughter; Mr. and Mrs. C. A. Roberts and daughter, Natchitoches; Archie Miller, Hanna; Neilson Garrett, Compt; Ed G. Pentecost, E. A. Reeves, Jena; Mr. and Mrs. Willie Smith and son; Mr. and Mrs. A. S. Tomlinson and daughters, Jena.

As they watch Payne compete with another driver for the number one spot during the last laps of the race, there is a minor accident. John needs a relief driver and before Pat realizes what is happening, Gale has rushed him to the pits.

In a dramatic, sensational scene Pat again comes into his own and is reconciled to his brother.

Based on a story by Howard Hawks and adapted as a screen play by Sig Herzig and Wally Klein, "Indianapolis Speedway" was directed by Lloyd Bacon. The cast in support of the principals includes such favorites as Granville Bates, Regis Toomey, William Davidson, John Ridgely and many others.

Of special interest to racing fans is the fact that eight well-known racing drivers appear in the film driving famed racers.

**MORE BALES GINNED**  
FARMERVILLE, La., Sept. 30.—(Special)—Census reports for Union parish show that 1,934 cotton bales from the 1939 crop were ginned prior to September 1, as compared with 373 bales for the crop of last year. Thomas J. Smith, special agent for Union parish, released the report.

## 'Indianapolis Speedway' At Capitol Now

Pat O'Brien And Ann Sheridan Featured In Thrilling Picture

WITH fast-talking Pat O'Brien, Ann "Oomph Girl" Sheridan, heart-breaker John Payne and comical Frank McHugh in the leading roles, "Indianapolis Speedway," spine tingling drama of automobile racing produced by the Warner Brothers studio, opens today at the Capitol theater.

Hailed as one of the most exciting and romantic films ever brought to the screen, "Indianapolis Speedway" forcefully depicts all the lure of the great American sport of auto racing on world-famed tracks.

The story concerns the efforts of Pat O'Brien champion race driver to make John Payne, his younger brother, continue with college and not follow in his own footsteps.

But John is bitten by the racing bug and his added romantic interest in Ann Sheridan, whom Pat dislikes, causes the brothers to feud climaxing in a race in which Pat's best friend Frank McHugh is killed in a spectacular crash.

The accident breaks Pat. He gives up racing and vanishes. Gale Page, Pat's loyal friend, knowing if she is ever to locate Pat it would be at the annual Memorial day speed classic at Indianapolis, goes there. She finds him at the track, a seedy, broken figure.

As they watch Payne compete with another driver for the number one spot during the last laps of the race, there is a minor accident. John needs a relief driver and before Pat realizes what is happening, Gale has rushed him to the pits.

## DICK TRACY

YES, MISS TRUEHEART, AS  
YOUR LAWYER - I HAVE VERY  
GOOD NEWS FOR YOU FROM  
THE COURTS.

SIT  
DOWN,  
MR. SMITH.

IN LIGHT OF RECENT EVENTS,  
IT WAS EASY FOR THE JUDGE  
TO SEE THINGS YOUR WAY. AS  
FAR AS THE LAW IS CONCERNED  
YOUR WEDDING TO THE LATE  
EDWARD NUREMOH NEVER  
TOOK PLACE.

ALL LEGAL RECORDS  
OF THE MARRIAGE HAVE  
BEEN EXPUNGED!

THANK  
YOU. I  
CAN'T TELL  
YOU HOW  
HAPPY I  
AM.

INCIDENTALLY, I STOPPED  
BY HEADQUARTERS TO TELL MR.  
TRACY THE GOOD NEWS  
AND THEY SAID HE HADN'T  
BEEN THERE ALL DAY.

MEANWHILE...

NOW LISTEN, SON,  
WHEN THE CAR YOU  
WERE IN SIDE-SWIPED  
OUR CAR, WHAT DID  
THE MAN SAY?

HE SAID:  
"OH, OH!  
THAT'S THE  
COPS. WE'VE  
GOT TO  
BEAT IT."

THEN WHEN WE TURNED  
AND STARTED TO CHASE  
YOU, THEY DROVE OUT TO  
THE EDGE OF TOWN AND  
TOSSED YOU AND YOUR  
DAD'S FURS OUT OF  
THE CAR AND SPED  
ON, EH?

THAT'S  
RIGHT.

WHEN THEY STOLE  
THE FURS FROM MY  
DADDY'S FARM, I  
YELLED SO MUCH  
THEY TOOK ME  
ALONG TO KEEP  
ME QUIET.

HM-YOUR  
NAME'S  
GIBBONS, EH?  
I KNOW WHERE  
THE GIBBONS  
FOX FARM IS.

WELL, ALL THE EVIDENCE  
WE HAVE IS THAT TIRE  
TRACK IN THE MUD, WHERE  
THEY PULLED OFF THE  
PAVEMENT TO DUMP THE  
BOY AND THE PACKAGE.

WE'D  
BETTER  
TAKE A  
CAST OF  
THAT  
TRACK,  
TRACY.

BUT YOU CAN'T  
MAKE A CAST OF  
A TIRE TRACK  
IN **SOFT MUD**,  
CAN YOU?

OH, YES,  
INDEED,  
JUNIOR!

YOU TAKE DRY PLASTER-  
PARIS AND SPRINKLE IT  
LIGHTLY ON THE MUD. IT  
BECOMES DAMP AND SOON  
SETS.

AFTER THE FIRST LAYER  
OF PLASTER-PARIS GETS  
HARD ENOUGH TO WITHSTAND  
WEIGHT YOU ADD ENOUGH TO  
MAKE A SUBSTANTIAL  
MASS, THEN ADD WATER.

LATER

OKAY, WE'VE WAITED  
AN HOUR. NOW WE'LL  
PICK IT UP AND WASH  
OFF THE MUD IN THAT  
STREAM BELOW.

THERE YOU ARE!  
-A PERFECT REPRODUCTION  
OF THE FUR THIEVES'

MYSTERY

AS GAWA BOASTED WHAT HE WOULD DO TO TARZAN IN SINGLE COMBAT THE APE-MAN DROPPED DOWN AMONG THE ASTONISHED WARRIORS. "CHOOSE YOUR WEAPON," THE JUNGLE LORD SAID CALMLY. "TARZAN NEEDS NONE!"

GAWA WAS AWED BY TARZAN'S BOLDNESS, BUT HE DARED NOT REVEAL HIS FEAR TO HIS COMRADES.

THE YOUNG WARRIOR LURCHED FORWARD WITH HIS SPEAR. TARZAN STEPPED LAUGHINGLY ASIDE.

AGAIN AND AGAIN THE BULEGA RUSHED. EACH TIME THE APE-MAN DODGED, UNTIL GAWA WAS COMPLETELY UNNERVED.

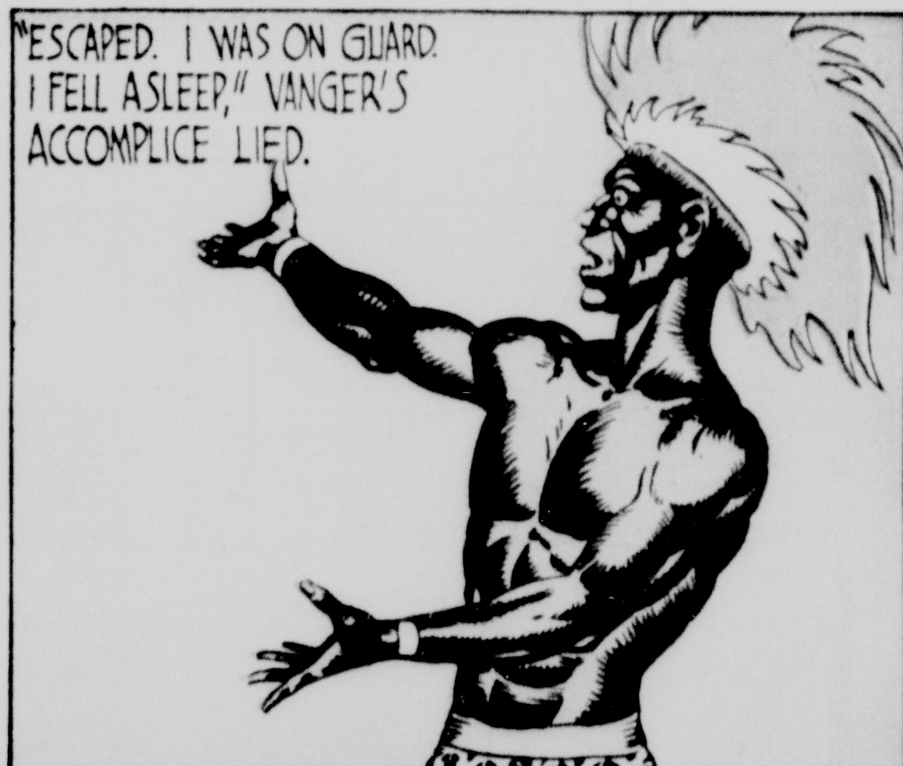

THEN TARZAN DASHED IN, SEIZED HIM, AND FLUNG HIM TO THE GROUND. GAWA ROSE WEAKLY, BOWING IN DEFEAT.

THE JUNGLE LORD HURRIED TO GROOT CARLUS, AND CUT THE ROPES THAT BOUND HIM.

"NOW WHERE IS THE GIRL YOU CAPTURED?" TARZAN DEMANDED OF THE WARRIORS.

"ESCAPED. I WAS ON GUARD. I FELL ASLEEP," VANGER'S ACCOMPLICE LIED.

HOGARTH—"BULEGA GUARDS DO NOT FALL ASLEEP," TARZAN FROWNED. HE SUSPECTED SOME MYSTERY HERE.

AND HE MIGHT HAVE FORCED THE FELLOW TO REVEAL VANGER'S PART IN THE AFFAIR, BUT CARLUS INTERRUPTED.

"WE HAVE NO TIME FOR QUESTIONS. THIS COUNTRY IS FULL OF FIERCE BEASTS. WE MUST FIND MATEA AT ONCE!"

SERIOUS SIDE OF AMERICAN LEGION CONVENTION

The usual series of good-natured pranks was in evidence at the annual national convention of the American Legion in Chicago, but these candid studies of veterans at one of the sessions will typify the serious side of the meeting, especially when the subjects of the European war and American neutrality were discussed. ## GRAND JURY AT RUSTON CHARGES CONFIDENCE GAME

Bills Grow Out Of Investigation Of Irregularities At Louisiana Tech

FIVE WILL BE ARRAIGNED  
IN COURT ON OCTOBER 1

Judge Walker States Trials  
Probably Will Be First In  
Fall Term

RUSTON, La., Sept. 30.—(Special)—Three bills of indictment Saturday were returned by the Lincoln parish grand jury as a result of its investigation of financial irregularities in the construction of Leche hall, Louisiana Tech's administration building.

One bill, charging the obtaining of \$27,000 "by means of false pretenses," indicted former Governor Richard W. Leche, Leon C. Weiss, F. Julius Dreyfous and Solis Seifert of New Orleans, members of the architectural firm furnishing plans for the Tech building; and Monte E. Hart of the Caldwell Brothers and Hart Contracting company of New Orleans, who built the structure.

For operating a confidence game, with the sum of \$27,000 involved, the same five men were billed in another indictment.

The third indictment charged Weiss, Dreyfous, Seifert and Hart, citing that they "did wilfully, feloniously, maliciously and unlawfully receive and have in their possession \$55,955, that had been feloniously by false pretenses obtained from the state of Louisiana, the Louisiana state board of education and Louisiana Polytechnic institute."

District Judge E. L. Walker, who received the grand jury's report Saturday, fixed bonds of \$10,000 each on the indictment of false pretenses, \$5,000 each for the confidence game charge and \$10,000 each on the indictment pertaining to having the money in possession unlawfully.

Sheriff J. Bryan Thippen said he planned on Monday to telephone sheriffs in the respective parishes of the indicted.

HEBERT SUPPORTS  
LOCAL AIR CORPS

Says He Will Recommend To  
L. S. U. Board That Unit Be  
Established

That Northeast Junior college will be recommended to the Louisiana State university's board of governors for the establishment of a unit for aviation instruction sponsored by the Civil Aeronautics authority, was assured Saturday. A group of representatives of the local aviation community, after a conference with them, said he will recommend to the university's board of governors that the college here be permitted to establish an aviation corps. The next board meeting is scheduled for October 14 but a special meeting may be called prior to that date, it was said.

The local men who conferred with the president of the state university Friday were C. E. Woolman, D. Y. Smith, Joe Durrett and H. K. Touchstone. They were given an opportunity to present the claims of the Monroe institution for the establishment of an air school here. They pointed out that it was the desire of the entire community that Northeast Junior college be thus favored from both its geographical location and the fact that there is located here one of the best airports in the state.

President Hebert replied that he had just returned from Washington where he had an extended conference with Groves Webster, director of the division of private flying constituted under the CAA and that it was apparent that the government particularly favored Monroe for the location of the air school. In view of the fact that the state university Friday were C. E. Woolman, D. Y. Smith, Joe Durrett and H. K. Touchstone. ## Amite Jurors Indict Two Legislators And Seven Police Jurors

Senator Holland And Representative Spinks Among Group Billed

BATON ROUGE, La., Sept. 30.—(AP)—District Attorney Bolivar E. Kemp, Jr., of Amite said tonight State Senator Dorris Lindsey Holland, Representative Leonard C. Spinks and seven Tangipahoa parish police jurors had been indicted by the parish grand jury there yesterday.

The district attorney said the woman senator and Representative Spinks had been indicted for dual office-holding and the police jurors for violation of act 16 of 1920, which specifies that "no police juror shall be interested either directly or indirectly in any contract the payment of which comes out of his parish; nor shall they be allowed to deal in their parish papers."

The penalty for violation of the "parish paper" act, a misdemeanor, is a fine of not less than \$50 nor more than \$100. Imprisonment for not less than 30 nor more than 60 days is provided in default of payment of the fine.

District Attorney Kemp would not reveal the names of the seven police jurors. Their indictments were among 49 true bills returned yesterday by the Tangipahoa grand jury. Kemp said the names of the persons charged would not be made public until the warrants had been served. There are 19 members on the police jury in Tangipahoa.

Sheriff Frank Edwards could not be reached at his office in Amite and his home.

PANAMA—American republics plan for strengthened economic front against European war.

(By Associated Press)  
Italy's foreign minister sped toward Berlin last night for a conference with Adolf Hitler in the latest move of feverish diplomatic activity in Europe while German and French armymen fought a duel along the Moselle river.

The diplomats took the headlines from the generals with these top developments:

1. Adolf Hitler called his reichstag to meet "in the coming week" and arranged the conference with Count Galeazzo Ciano, Italian foreign minister and son-in-law of Premier Mussolini.
2. Ciano hurriedly left Rome for Berlin last night for a conference with Adolf Hitler in the latest move of feverish diplomatic activity in Europe while German and French armymen fought a duel along the Moselle river.

In Paris, the announcement of the resignation of Poland's president, Ignace Moscicki, who had been interned in Russia.

3. A Polish "government in exile" was formed in Paris immediately on the resignation of Poland's president, Ignace Moscicki, who had been interned in Russia.
4. Soviet Russia, successful in negotiating pacts with Germany and Little Entente, awaited the arrival of Rumania's foreign minister for discussions.

Ciano was due in Berlin early Sunday night. He was invited to Berlin on the heels of the arrival from Moscow of the German foreign minister, Joachim von Ribbentrop, who negotiated the German-Russian peace front.

Informed sources said Hitler would tell the reichstag about the future relations of Germany and Russia.

In Paris, the announcement of the resignation of President Moscicki, was made by the Polish legation and shortly afterwards Wladyslaw Raczkiewicz, former president of the Polish senate, took the oath of office as president of Poland.

Last night Moscicki left Rumania for France, his freedom apparently being obtained after his resignation. Briefly worded announcements from the British, French and German authorities told of artillery and aerial action on the western front during the day.

The French high command commented indicated fighting was confined to artillery exchanges "in the west."

# RUSSIA'S SHADOW DARKENS BALKANS

Thrown Into Sharper Relief By Visit Of Rumania's Foreign Minister

MOSCOW, Sept. 30.—(AP)—Soviet Russia's shadow over the Balkans was thrown into sharper relief tonight by the impending arrival of Rumania's foreign minister.

(A Bucharest announcement said Foreign Minister Grigore Gafencu of Rumania and a staff of experts would leave for Moscow Monday to confer with Soviet officials.)

Some sources said the Rumanian's visit tended to confirm reports that Russia had assumed a dominant role in the Balkans and had been given a free hand there by Germany in exchange for assistance of raw materials and petroleum in the western European war.

Negotiations with Rumania are projected at a time when Moscow has become the center of foreign diplomatic activity because of the visit this week of German Foreign Minister Joachim von Ribbentrop.

Unofficial sources said they had expected the Rumanian visit to be a gesture of friendship toward the Soviet government, but the timing of the visit from Bucharest to Moscow was interpreted as a move toward the Balkan war.

A report from Bucharest said that Ribbentrop's visit to Moscow was a move toward the Balkan war, and that the Rumanian visit to Moscow was a move toward the Balkan war.

# INSIST ANOTHER CARRIER IS SUNK

Germans Claim 'Mere Kids On Lark' Sent British Vessel Down

BERLIN, Sept. 30.—(AP)—Germans still insisted tonight that a second British aircraft carrier had been sunk, one usually well-posted source declaring it was done by three bombing planes manned by "mere kids out on a lark."

The German high command announced Wednesday that an unidentified aircraft carrier had been "destroyed" the day before, eight days after the sinking of the British aircraft carrier Courageous. German broadcasts hinted it was the 22,000-ton Ark Royal.

Winston Churchill, first lord of the British admiralty, told the house of commons Wednesday that 20 German planes attacked a squadron of British warships in the North sea Tuesday but that none was hit.

The source who told of the attack by the "mere kids" said they were undergoing a course in instruction and had no rank, nor even commissions as pilots.

Early last Tuesday, he recounted, they asked the commander of their aircraft training camp if they might practice by taking the bombers out for an early morning spin.

They were granted permission, he said, and soon after they took off they spotted a British aircraft carrier.

The source said the youths did not bother to investigate its name, which, he explained, accounted for German reference to this point in the communiqué surrounding the sinking.

The fliers agreed among themselves which one would make a power dive upon the ship, he continued, and the selected plane dropped a 1,000-pound bomb, smacking on the deck of the carrier.

Then, he went on, the fliers returned to their camp and related what they had done.

The same source told of some of the details of the sinking of the Courageous.

"We knew that airplanes generally have orders to return to their mother ship at dusk," he said.

"We also knew the airplane carrier must turn against the wind so that it would not effect a safe landing."

And, he also must make a quick speed.

All, therefore, that our submarine had to do was to hover about the Courageous until dusk, then wait for a number of planes to return and for the ship to turn slowly to the windward.

After that it was only a matter of maintaining a close watch on the ship and waiting for the right moment to strike.

Churchill said the sinking of the Courageous was a "devastating blow" to the British navy.

# AMERICAS PLAN STRONGER FRONT

PANAMA, Sept. 30.—(AP)—The inter-American conference on neutrality tonight completed a plan for a strengthened economic front.

Definition of an American safety zone to be patrolled by the combined navies of the two hemispheres was left unsettled at the end of the first week's conference, which were extended until Tuesday.

Committees considering policing plans backed by the United States and Cuba will meet again tomorrow. The proposed safety zone would circle the Americas and prescribe limits within which belligerent activities would not be permitted.

An Argentine suggestion added to the plan called only for drastic restrictions of sea activities.

On the economic front, Eteban Jaramillo of Colombia said the report was a "defensive alliance against factors which threaten to disturb and weaken the economy of each nation on this continent."

Representatives of the American republics have come here to tell the world that democracies of this continent are united with an unbreakable decision and sincere spirit of solidarity to help each other, Jaramillo declared.

All republics are prepared for the economic struggle "without regional rivalries," he added.

Delegates said the proposed advisory group on shipping and exchange should start functioning in Washington by November 15 as an "extension" of the conference.

The economic report adopted in the plenary session comprised 27 projects submitted by 15 nations. The economic and financial body of 21 experts would study monetary problems, exchange balances, international payments, means of obtaining monetary and economic stability, exports and imports, legislation and other data affecting shipping and commerce.

There was sufficient water power to generate electricity for all India.

## WATCH ON FOOD PRICES SOUGHT

### Roosevelt Requests Monopoly Committee to Guard Against Profiteering

WASHINGTON, Sept. 30.—(AP)—President Roosevelt asked the monopoly committee today to be a watchdog against profiteering growing out of the war in Europe.

Instructing the committee to keep "a constant eye" on prices of basic materials, the president said in a letter to Chairman O'Mahoney, Democrat, Wyoming, that he believed the group was "well qualified to invoke the forceful check of impartial inquiry on this kind of un-American activity."

The president added that he thought the committee, which has been studying

ing the whole economic structure of business, "can well become an important part of our first line of national defense against ugly and inhuman greed."

The letter addressed O'Mahoney, who broke with the president over the supreme court bill in 1937, as "Dear Joe."

Obviously pleased with the assignment, O'Mahoney said he would call the committee into special session soon to outline methods of bringing its previous study of price structures up to date.

He emphasized that there would be no disposition to interfere with normal price fluctuations, especially those brought about by increased wartime demand for agricultural products. The committee, he said, will interest itself only in unwarranted and unjustified price increases.

In his letter, the president said that the experiences following 1914 showed that "dangerous dislocations" in the American economic setup might occur as the result of profiteering during the European war.

"All of us," he wrote, "of course, want to see producers, middlemen and

retailers receive fair prices for what they sell and all of us recognize that in certain fields such fair prices are probably as yet not being received.

"But none of us wants to see the cost of living unjustifiably increased or prices become an unreasonably high as to interfere with our national defense."

O'Mahoney reported that the department of justice had been receiving an average of 250 complaints daily about unjustified price increases since war broke out in Europe. He said these complaints came from business groups, citizens associations, women's clubs, manufacturers, wholesalers and retailers.

Because of the great influx of complaints the anti-trust division has not been able to keep abreast of them, O'Mahoney said. He indicated that these protests would be studied by the committee.

## CONTRACTORS OF AREA ORGANIZE

**W. C. Salley Named President And Other Officers Elected At Meeting Here**

Organization of the Monroe chapter of Associated General Contractors of America, a unit embracing the licensed general building contractors of the Monroe trade area, was completed yesterday with the election of officers of the new chapter.

W. C. Salley, of the firm of Salley and Ellis of Monroe, was elected president of the Monroe group. R. J. Zuberier of Monroe was chosen vice-president and Raymond F. Masling, of Frank Masling, Inc. of Monroe, was elected secretary-treasurer.

Burt L. Knowles, field engineer of the national association, which has offices in Washington, D. C., was sent here to assist in the organization of the unit and officially accept it as an affiliate of the national organization.

Contractors comprising the Monroe chapter are C. E. Andrews, Ruston; J. A. Harper, Crowley; Humble, West Monroe; T. L. James and Company, Ruston; McBride and

Bon, Bastrop, Merriweather and Adams; Winnabower; Frank Masling, Inc.; Monroe; Salley and Ellis, Monroe, and R. J. Zuberier.

Associated General Contractors of America has for many years been recognized as the national voice of the general contracting industry and the organization serves all branches of the construction industry—building, highway, levee, railroad and heavy construction all over the nation. It is developing improved building methods and material, more ethical practices in the industry, more equitable relations with architects, engineers and the public and more intelligent co-operation with labor.

The formation of the Monroe chapter was the final link in the joining of building contractors of Louisiana with the national organization. For many years there have been chapters at Shreveport, New Orleans and Lake Charles. Another was formed two weeks ago at Baton Rouge. Contractors of the Alexandria area are practically all members of the Lake Charles chapter.

A state organizing committee was formed recently at Baton Rouge and John C. Quinn, executive secretary of the Lake Charles chapter, was designated to take steps toward the organization of contractors all over the state. Mr. Quinn enlisted the aid of Field Engineer Knowles, who was sent here to weld the final link into the state organization.

In a statement last night Field Engineer Knowles said: "The building contractors of Louisiana are to be congratulated upon the wisdom they have displayed in banding together for the improvement of conditions in the nation's second largest industry—construction."

"In these days, when the rugged individualist and the lone wolf are very definitely not in popular favor, and when the policy of united action for achievement of any good purpose is decidedly and continually growing in favor, this action on the part of the recognized builders is to be heartily commended."

# MANY EXPECTED AT SINGING MEET

Believe Majority Of 87 Invited  
Quartets Will Attend Rus-  
ton Convention

RUSTON, La., Sept. 30.—(Special)—With a smaller crowd than expected attending the preliminaries of the two-day Louisiana State Singers convention at Louisiana Tech Saturday, a much larger crowd is anticipated for the final sessions which begin at 9 o'clock Sunday morning.

Gospel singers, representing most of the north Louisiana parishes, as well as adjoining states, are expected to take advantage of the fair and cool weather and attend Sunday, according to convention officials. Quartets from this state, Texas, Arkansas and Oklahoma have accepted invitations issued by the Ruston Chamber of Commerce to visit the city and join in the festivities, it was announced.

Among the quartets scheduled to take part in the singfest are the Blackwood Brothers radio quartet and an all-Indian quartet from Oklahoma. A large number of the 87 quartets invited are expected to attend Sunday, according to Mrs. Nan Quinn, secretary of the chamber of commerce, who is in charge of plans to take care of the delegates.

The convention, which opened here Saturday afternoon at 2 o'clock, is the second event of its kind held in the state. The first session was held in Shreveport last year.

A feature of the Sunday meet will be a welcome address to the singers by President E. S. Richardson of Tech. Mrs. Richardson and Mayor C. C. Givens of Ruston also will greet the visitors.

A new record company has been organized here and is expected to take part in the singfest Sunday.

The Blue Jay quartet, organized at Tech, and the quartet of the Ruston Scouts, both of which are singing quartets, will also be present.

W. H. Tabor, president of the chamber of commerce, will be in charge of the singing meet Sunday morning. He will also be in charge of the singing meet Sunday afternoon.

Ross C. Nease, chairman of the Ruston Singers convention, will be in charge of the singing meet Sunday afternoon. He will also be in charge of the singing meet Sunday evening.

# TRIO OF RODEO ENTHUSIASTS

These are three of the four men who brought rodeo to Monroe and West Monroe. Reading from left to right, they are P. O. Clark, Edward Harper, Jr. and Clifford Benson. Together with Ike Hamilton, they staged the first rodeo in this vicinity in 1927. It was held at Mr. Harper's Buzzard Roost plantation near Choudry. From then on, they have actively taken part in the upbuilding of the sport, either through promotion or participation. In the early days of rodeo here, they took part in calf roping, bulldogging and bronc riding. Mr. Benson won a calf roping cup for being the best all-around rider in Louisiana in 1937. The latest versions of rodeo will be presented in Monroe on Saturday and Sunday. The rodeo will begin Monday at the fair grounds near West Monroe. The rodeo will begin Wednesday and continue through Sunday, October 8.

# START WORK ON HALL AT TECH

New Engineering Building Will  
Have Floor Space Of  
76,000 Feet

RUSTON, La., Sept. 30.—(Special)—A new engineering hall, to be built on the campus of Louisiana Tech, is expected to start work on the ground this week. The building, which will be a three-story structure, will have a floor space of 76,000 feet. It will be built on a site of 10 acres, which is part of the 100-acre campus. The building will be built by the Ruston Chamber of Commerce. The building will be built by the Ruston Chamber of Commerce. The building will be built by the Ruston Chamber of Commerce.

# OIL FIRM BRANCH SHOWS GROWTH

Grogan Oil Company Patron-  
age Here Increases 65  
Per Cent

The Grogan Oil company branch here, with headquarters at 2800 De-Siard street, has experienced a 65 per cent increase in patronage since December 1, according to its manager, Z. S. Biglane, who assumed his duties at that time.

Grogan Oil company, with headquarters in Shreveport, manufactures Hurricane gasoline, oil and greases and Speed-Ease greases. It is distributor for Vidol (Tide-water) and Marathon (Ohio Oil company) products.

The branch has been in operation here since April, 1938. Mr. Biglane has had 16 years' experience in the oil business, three of them with Grogan Oil company.

Since its establishment, the branch has catered principally to the commercial and farm fuel and oil trade. However, it has 11 retail dealers operating in and around Monroe.

Hurricane and Speed-Ease products are manufactured in refineries owned by Grogan Oil company in Shreveport and in Overton and Arp, Tex. The concern has its own producing well and pipelines leading to the refineries.

Grogan Oil company has been making Hurricane products since 1932 and they measure up to every specification laid down by the American Petroleum Institute. They are processed in refineries that are up to date in every respect.

Grogan Oil company is headed by M. J. Grogan, formerly president of the Louisiana Oil and Refining corporation. W. F. Kostelka is vice-president. Although a relatively young man, Mr. Grogan has been in the oil business for 15 or 16 years. He is an active civic worker in Shreveport.

FAMOUS KEY SISTERS  
ATTRACTION AT HOMER

HOMER, La., Sept. 30.—(Special)—The world famous Key quadruplets of Oklahoma City made two public appearances here Thursday, in the morning at the high school and at night at the city hall. A large audience heard the two musical programs.

The Keys, Roberta, Mona, Mary and Leola, are the only quadruplets in the world to reach maturity. They are graduates of Baylor university, and are talented musicians. They were accompanied here by Dr. M. E. Dodd of Shreveport.

# PALACE MAKES PLANS FOR 'FORMFIT' WEEK

"Step-up feminine figure glamour" is the theme and object of Formfit week which gets under way in the Corset department of The Palace Monday morning and continues throughout the week.

During Formfit week the corsetieres at The Palace will be giving special attention to remodeling more glamorous figures with poles, glamour and attraction, using foundations approved by Madame Mae Schiaparelli, the world's queen of fashion-pose-actress.

Whether girdle, Girdleiere or bra-siere, the styles being used by The Palace corsetieres are designed by Formfit and approved by Schiaparelli to achieve the Schiaparelli silhouette—breasts high and separated, waistline sharply in, hips smoothly flowing—essential to fashion smartness this fall.

HOW MANY MILES DID I TRAVEL? (Each Dot is a Mile)

It's Easy—Oh Yeah?

100 BIG CASH PRIZES!

Think YOU Can Count Em?

So, you think anybody can do it, huh? Well JUST TRY IT. It starts out nice and easy like there's nothing to it, but I'll bet before you're through, you'll be seeing dots hopping all over where there ain't no dots, and big black jumping dots will probably chase you all over the ceiling after you go to bed tonight. You'll probably forget how many dots you've counted just about when you think you've got it finished too—so, you'll have to start all over again, and that'll be just dandy. But, if you should be interested enough to try, you might WIN ONE HUNDRED DOLLARS cash, and I suppose

**YOU WOULD LIKE TO WIN \$100.00 CASH RIGHT NOW — WOULDN'T YOU?**

If you are interested in making an easy \$100.00 extra cash on the side in your spare time, then send in your answer QUICK! For first prize I'll PAY \$100.00; 2nd \$75.00; 3rd \$50.00; 4th \$35.00; 5th \$25.00 and 6th to 100th prizes \$5.00 CASH each. 100 BIG CASH PRIZES altogether. So, whether you win \$100.00 or \$5.00, YOU'LL BE PAID REAL CASH MONEY promptly. And, not only that, BUT I'll give—

**\$50.00 EXTRA—FOR PROMPTNESS**

So send your answer now—within 3 days of the time you first read this announcement—and I'll give you an EXTRA \$50.00 CASH for Promptness if you win the first prize of \$100.00. Both the \$100.00 and the \$50.00 Extra may be yours. So, HURRY—WIN THEM BOTH. That's easy money now—isn't it?

**THEN WHAT ARE YOU WAITING FOR?**

Let's get Times a'wastin'. Remember, there are 100 BIG CASH PRIZES. So hurry! Start NOW to lasso, shoot, net or club every last dot on the map. And, the idea of course is to TRY and count them ALL—so don't keep a couple out for pets when you send your total in. Only one answer can be accepted from each family and the judges' decision will be final. And you can be sure that your answer will receive full and careful consideration when the entries are judged and the prizes awarded for accuracy, originality and neatness, and remember that as the winner, you will receive \$100.00 cash and an EXTRA \$50.00 if you answer promptly. All answers must be mailed by midnight, April 20, 1940 and in the event of ties prizes identical to those tied for will be awarded to each person tying. So hurry! Rush your answer now. BE THE BIG WINNER.

**FREE! New FUN GAME**

Be the first to have a "FUN-O-METER"—it's brand new and will provide a world of hilarious fun for you and your friends. Everybody, both grownups and children, enjoy it. It's FREE! ## CARDINALS SPLIT TWIN BILL WITH CHICAGO BRUINS

Cubs Dropped Into Fourth Place As Dodgers Whip Phillies In Double

CHICAGO, Sept. 30.—P. With not more than a few hours remaining of the season, the Cubs still are in contention for their final position for 1939. Today they dropped into fourth place when they lost the first game of a double header with the St. Louis Cardinals, 7 to 5, and then won the second, 5 to 1.

The Dodgers regained the coveted spot by whipping the Phillies twice. The Cubs collapsed in the first game when Larry French was removed for a pinch hitter in the seventh. French's removals contributed to the Cardinals' victory. In all, the Cubs made 11 hits off French, but only six of them counted.

The Cardinals' lineup for the first game was: French, pitcher; Evers, catcher; Bledsoe, first base; Dillinger, second base; Coss, third base; Schuster, shortstop; and Brown, left field.

## WARMING UP FOR WORLD SERIES

Here's behind-the-scenes work which is tripled during world series. Press box at Yankee stadium can hardly wait until big show gets under way.

## Most Popular Matman To Be Awarded Silver Loving Cup

Promoter Kallio Announces Plans For Double Main Event Thursday Night

A beautiful silver loving cup will be awarded by Promoter Gus Kallio, on the first Thursday night in November, to the most popular wrestler who has appeared at the Monroe Wrestling arena, the promoter announced yesterday. Popularity of the wrestlers will be decided by a vote of the fans and the grappler receiving the most votes will be awarded the cup.

Any matman who has appeared in the arena here since Kallio has been promoting will be eligible to receive the trophy. If the winner is not here on the night the results of the voting are announced, the cup will be sent to him.

The trophy, which is expected to be engraved with the winner's name and with letters designating it a popularity award, was donated by Pearce Jewelry company.

Coupled with the announcement of plans for awarding the trophy, Kallio announced arrangements for presenting a double main-event wrestling program at the arena Thursday night. One of these matches will be between Chuck Powell of Ansonia, Ala., former army champion, and Carl von Bronckow of Germany, one of the most scientific and husky grapplers who has appeared here. The other will pit "Sailor" Moran, ex-navy champion and winner last Thursday over "Sailor" Watkins, against Dick Sampson of Oklahoma, who looks as though he would be hard for any grappler to beat.

The promoter also announced that Thursday night will be "ladies' night" and all ladies will be admitted for half price, regardless of whether or not they are accompanied by a full-paid admission. A large percentage of those who attend the wrestling matches are ladies and the promoter wants to encourage others to attend.

In announcing plans for awarding the silver trophy, Kallio said the principal purpose was to promote cleaner wrestling. He believes that most of the fans prefer matmen who use clean wrestling tactics and he thinks the wrestlers will be less inclined to use illegal methods if they know their popularity is to be judged by the fans.

## INVADING TEAM IS KEPT ON RUN THROUGHOUT TILT

Unexpected Lack Of Competition Is Offered In Lop-Sided Contest

RUSTON, La., Sept. 30.—(Special)—Offering an unexpected lack of competition, the Alabama State Teachers college at Jacksonville fell easy prey to the Louisiana Tech Bulldogs, who won the lop-sided engagement by a score of 39-0. The blue-shirted Alabamians produced but little to bother the Techmen and from start to finish the Bulldogs had the Blues on the run.

Despite the chilly weather that brought out many in overcoats, the crowd was about the same size as that attending Tech's two preceding contests this fall.

## YANKS WIN 1ST GAME, RED SOX TAKE NIGHTCAP

Steve Sundra Handed His First Defeat To 11 Victorians This Year

NEW YORK, Sept. 30.—(AP)—The Yankees and the Boston Red Sox divided a double header today that may have been meaningless to the two teams, but meant the first defeat of the season for Steve Sundra.

The Yankee right-hander who had won 11 in a row this season was the victim of a 4-0 Boston uprising in the nightcap. Which was closed by darkness after seven innings.

The champions won the first game, 5-to-4 on the margin of Bill Dickey's 24th homer in the seventh inning.

Jack Wilson held New York to five hits in the second game and Ted Williams put the Sox in front in the fourth inning with his 31st homer. Both Yankee scores came on Charley Keller's pinch home run in the seventh.

## DIMAGGIO, MIZE WIN BAT HONORS OF TWO LEAGUES

Coast Into Unbeatable Margins In National, American, Respectively

NEW YORK, Sept. 30.—(AP)—Awarding of the major league hitting championships to Joe DiMaggio of the New York Yankees and Johnny Mize of the St. Louis Cardinals now is only a formality.

The two sluggers who have led the American and National leagues, respectively, for many weeks coasted into the final week-end of the baseball campaign with insurmountable margins.

DiMaggio's .382, while far beneath his hoped-for .400, still was 24 points better than the mark of Jimmie Foxx of the Boston Red Sox, who was removed from competition a month early by appendicitomy.

Mize's mark of .332 was 14 points above the 338 figure of his teammate, Joe (Ducky-Wucky) Medwick, who beat him out for the 1937 batting championship by a narrow margin.

As the leagues prepared to draw the 1939 curtains, the "Big Ten" hitters of each circuit marched with a virtually-solid front. There was not a single change in personnel in the National league, and the only one in the American returned Mike Kreevich of the Chicago White Sox to membership and dropped George McQuinn of the St. Louis Browns.

## TAR HEELS WALLOP WAKE FOREST, 36-6

CHAPEL HILL, N. C., Sept. 30.—(AP)—Surpassing the fondest hopes of even its staunchest supporters, a powerful University of North Carolina football squad rolled over Wake Forest's Deacons 36 to 6 here today.

A crowd of 18,000 saw the Tar Heels turn in two touchdowns in the first six minutes of play. George Starnweiss and Jim Lalanne led the North Carolina onslaught.

Leading North Carolina's defense were Severin, Sid Schaff, Faircloth, Gates Kimball and Dick White. Outstanding for the Deacons were Tom Tingle, John Jett and Butch Clark.

## KENTUCKY BEATS V. M. I. GRIDSTERS

LEXINGTON, Ky., Sept. 30.—(AP)—Employing a strong running attack on a soggy field and showing a polished defense for its first game of the season, the University of Kentucky today defeated Virginia Military Institute, 21-0, before 5,000 persons.

With neither team getting anywhere with passes (20 passes attempted none was completed), the Kentucky Wildcats called on such hard-running backs as Combs, Mullins, Tucker and Zoeller to pile up 288 yards by rushing to 24 for the Virginia Cadets.

But for the punting of Pritchard, V. M. I. quarter, the Wildcats might have added to their score.

Ernest Allen, Wildcat sophomore from Morrisville, Tenn., one of the most alert men on the field, gave the fans a thrill when in the fourth quarter he caught the ball as it sizzled from the arms of Mitchell, Cadet end and scored from V. M. I.'s 35. Tucker kicked the extra point.

## GEORGIA BULLDOGS BEAT CITADEL, 26-0

ATHENS, Ga., Sept. 30.—(AP)—Long on power but short on polish, Georgia launched a new football regime today by trimming a mediocre team from the Citadel, 26-0, before 15,000 fans.

Making their debut under new Head Coach Wallace Butts, the Bulldogs showed their backers by making the undermanned light brigade for great yardage. But they countered these hopeful signs by inept play

## INVADING TEAM IS KEPT ON RUN THROUGHOUT TILT

Unexpected Lack Of Competition Is Offered In Lop-Sided Contest

RUSTON, La., Sept. 30.—(Special)—Offering an unexpected lack of competition, the Alabama State Teachers college at Jacksonville fell easy prey to the Louisiana Tech Bulldogs, who won the lop-sided engagement by a score of 39-0.

The blue-shirted Alabamians produced but little to bother the Techmen and from start to finish the Bulldogs had the Blues on the run.

Despite the chilly weather that brought out many in overcoats, the crowd was about the same size as that attending Tech's two preceding contests this fall.

First Quarter Bill Nash kicked off and the Alabama receiver attempted a lateral which resulted in a fumble. Fred Michael, Tech quarterback, recovered on the Teachers' 12-yard line. On the next play, Howard Barker's miscue gave the visitors' possession.

Opportunity promptly knocked again for Techmen, however, as the Eagles punted and Michael returned the ball to Teachers' 38. Barker, Vise and Wendling maneuvered in steady gains to the three-yard stripe and Wendling went over. Barker made the extra point from placement giving the Bulldogs a lead of 7-0 in the first five minutes of the game.

Later in the first quarter, after Michael had brought back an Alabama punt to the Teachers' 34, Wendling ran 22 yards to the 12 and Hinkle to the three and Wendling made first down on the one foot line. An off-side penalty, coupled with a loss of six yards, thwarted the Bulldogs' chance.

Soon afterward, however, the Techmen got going again and Hinkle lashed to Wendling, who raced 51 yards to score the goal. Vise failed to convert.

Second Quarter Early in the second quarter, as the Teachers were in punt formation on their 10-yard line, a bad pass from Bud Simpson, center, caused Pope, full-back, to miss the ball and Bryant, Tech end, fell on the ball behind the goal line to score a touchdown. Bill Hinkle added the point from placement.

Presently, Hinkle intercepted an Alabama pass on Tech's five-yard line and sprinted 70 yards to the Teachers' 25. A forward pass for clipping darkened the Bulldogs' hopes temporarily, but a scoring drive came through after Rabun advanced to the 18 and Hinkle made the rest of the way. Hinkle's pass in a play for the extra point was incomplete and the first half ended 26-0 in Tech's favor.

Third Quarter In the first minute of the third quarter, after Tech had received the Teachers' kickoff, the Bulldogs scored their fifth marker. Barker and Wendling hurried the ball down to the four-yard line, from where Barker dashed around the right end to cross. Michael kicked the extra point.

A few moments later, the Teachers fumbled and Nash recovered for Tech on the 20. Wendling and Barker again collaborated in progressing to the two and Barker scored standing up. Barker failed to convert.

Fourth Quarter In the waning minutes of the game the Teachers reached Tech's 15-yard line for their deepest advance, the movement being accomplished largely by passing from Pope to Richardson. The Tech defense grew tight, however, and a pass was intercepted by Tipper to smear the visitors' only threat.

The lineup: Ala. Teachers Pos. La. Tech Hill LE Adams Williams LT Nash Wilson LG Smith B. Simpson C Burgess Simpson RG Goodgame Bowen RT Meeks Elmore RE Gonch Richardson QB Mitchell Small LH Barker White RH Wendling Pope FB Wendling

Officials: Huff (S. M. U.) referee; Haynes (Tulane), umpire; Brown (L. S. U.), head linesman; and Bendel (Tulane), field judge.

Score by periods: Alabama Teachers... 0 0 0 0 Louisiana Tech... 13 13 0 0-39 Tech scoring: Touchdown, Wendling 2. Bryant, Hinkle, Barker 2. Point after touchdown (placement), Barker, Hinkle, Michael.

Fairbanks Girl Scouts Active

The Girl Scout troop No. 1 of Fairbanks wishes to make a correction in regard to the statement made recently that there was no other Girl Scout troop nearer than Tallulah. The Fairbanks troop was organized February, 1935, with Mrs. O. J. Ham as counselor and Mrs. Borden Bradley as lieutenant. The troop has been very active in its work. The members of the troop are Mrs. O. J. Ham, Mrs. Borden Bradley, Mrs. J. E. Bryan, Mrs. J. L. Heath, Jr., Mrs. N. D. Morgan, Mrs. Pat Wright, Mrs. C. Z. Roberts, and Misses Addie Fuller, Madie Mills and Suzanne McCook.

Mrs. D. F. Dennis Entertains Mother

Mrs. D. F. Dennis entertained a few friends in her flower banked home, complimentary to her mother, Mrs. J. D. Carlisle who observed her eighty-second birthday anniversary at this time. Mrs. Carlisle wearing a lovely white lace model with corsage of gardenias and pink sweetheart roses stood with her daughter to receive the guests. The afternoon was devoted to conversation and the cutting of the beautifully embossed birthday cake with 82 flaming tapers gracing the tea table in the dining room. Fruit frappe was served from an immense crystal bowl imbedded in a mound of Rose of Montana and maiden hair fern and presided over by Miss Delores Brown who wore a white net model over white satin and Miss Bertha Louise Dennis who wore a diaphanous gown of white mousseline. A variety of delicious confections were served to the 75 guests who called during the appointed hours to offer their sincere felicitations to Mrs. Dennis.

Colhoun Study Club Meets

"Some Tendencies in Recent Literature" was the subject of an unusually interesting paper prepared by Mrs. Claude Roberts for the first literature program of the Colhoun Study club at the home of Mrs. J. E. Bryan. Mrs. Roberts said in part: "The most outstanding tendency in recent literature is 'realism'. The 'romantic' uses his imagination so freely that his works seem far removed from life. The 'realist' uses his eyes and fails to see the great soul of humanity. He pays little attention to the story or plot element. He tries to interest his readers by portraying things which we recognize as true to life. His scene is close at hand and his characters are such men and women as we may meet in the shops and on the streets. He has no ideal aim but is content to construct a world like the present world, and is satisfied if his readers can say that his work is true to facts, humanity and nature. Their stories contain some of the best pictures of American society and their style and humor have a charm that allures the reader."

Refreshments were served to Mrs. J. B. Brown, Mrs. J. E. Bryan, Mrs. H. D. Hale, Mrs. J. L. Heath, Jr., Mrs. N. D. Morgan, Mrs. Pat Wright, Mrs. C. Z. Roberts, and Misses Addie Fuller, Madie Mills and Suzanne McCook.

Junior Charity League Regarded As One Of City's Outstanding Organizations

Group Engaged In Valuable Activity

Free Baby Clinic Is Chief Project But Many Other Institutions Receive Priceless Help

The prime social accomplishments used to be a nice little ability to play the spinet, to drop a French phrase into your elegant English and to excel in fancy embroidery. Today none of these accomplishments are necessary and count for naught in the general scheme of things. Women must be mentally alert, broad-minded—they must have vision, determination to accomplish worth while things and willingness to extend a helping hand to those in need.

The day of Alice-sty-by-the-fire is no more. Everywhere women are going beyond the narrow boundaries of their own home and are taking a place they have created for themselves in every department of life. Philanthropies now engage women who have never before concerned themselves with things outside of their own home.

The most active group of young women in Monroe at the time is the Junior Charity League. Members have slipped into a new era of service and for their own good and for the good of the community. The amount of work being done by this group of young women is so great that members of Monroe's social world stagger the imagination of the thoughtful and leads to the question, "What would happen if these young women suddenly decided to do nothing outside their individual homes for the next year?" If members of the Junior Charity League should cease to worry about sick and undernourished children, hundreds of infants now receiving a quart or two of milk a day would not have it. If the group of the league members concerning themselves with the free baby clinic at St. Francis cantarum should suddenly decide to "walk out" babies would suffer from lack of proper medical attention, and scientific care and advice.

Funds, of course, are necessary to carry on the work. That means hard work for every league member. Fashion revues have been the most perfect method of raising money and have afforded the public, generally, charming entertainment. The Junior League Fashion Revue resulted in a rich harvest financially, but each production meant hard work for all concerned. It meant not only daily rehearsing for those taking part but it also meant endless detail work for those who worked on the financial side.

Another method of raising funds, popular with the public, was the annual carnival. Editing of the News-Star World for the special Junior League edition was another profitable undertaking. Whatever the league's method of raising money, the public has been highly entertained and in exchange has received some real value.

It was back in 1936 when the Junior Charity League was organized in Monroe. Mrs. Edward Seymour served as the first president. Interest in the group has been ever increasing and the members of the league are now going to work on the time and talents of a group of young women who are going to make a difference in the lives of the people of Monroe. The league is now working on the problem of the "shirt-of-the-month" for October. This is a project which has been going on for several years and is a project which has been very successful in the past. The league is now working on the problem of the "shirt-of-the-month" for October. This is a project which has been going on for several years and is a project which has been very successful in the past.

At the Home of the Good Samaritan there is a need almost as great as money. That is to help the people of the community to know that these girls are not necessarily going to become black sheep. Great advances have been made in this respect in the past few years but still greater ones must be made if the young girls who leave the home to start life over again

are to be given back their self-respect and a place in the work-a-day world. The Junior Charity League has made it their business to give the moral support necessary in each individual case. Even though members concerned themselves with no other work than this, the league's existence would be justified.

The league's horizon is constantly growing broader. They have offered their services this year to the Red Cross, the Salvation Army, the Y. W. C. A., and have also set aside certain days for delivering baskets of food stuff to needy families and to provide clothing for others.

Their pet project, however, is the free baby clinic. Work at the clinic goes on week after week, winter and summer, with various members always in attendance. A nurse and a physician are in attendance twice every week and free medicine is dispensed.

Presidents who have served since 1930 and who have the pleasure of seeing the far reaching results of their labors are: Mrs. Edward Seymour, Mrs. J. Hunter Thatcher, Mrs. R. L. Davis, Mrs. Walter Black, Mrs. Frank Shaw, Mrs. John Theus, Mrs. Milling Bernstein, Mrs. Nathan Gaston, Miss Eleanor Faulk and Mrs. DeWitt Milam.

The charter members are: Mrs. Jack Rogers, Mrs. Jose Isaacman, Mrs. Harold Dixon, Mrs. James A. Noe, Mrs. Howard Greene, Mrs. Elmer Slagle, Mrs. Walter Black, Mrs. Edward Seymour, Mrs. Frank Shaw and Mrs. Alma Summer Peters.

Fraternity Honors Mr. And Mrs. Haynes

The tea dance at Phi Kappa fraternity house honoring Mr. and Mrs. William Green Haynes was counted among the most pleasant social hours of last week.

The lounge was banked with flowers of gay autumnal coloring and offered an attractive background for the feminine guests in their dinner gowns. Mrs. Haynes was wearing a smart black and white ensemble and Mrs. Fletcher Ashcraft, who was privileged to introduce Mrs. Haynes, wore a blue and rose model.

Aperitifs were passed among the guests who drank to the health of Mr. and Mrs. Haynes.

Dancing was enjoyed with an orchestra seated in an alcove supplying the "poppy" music.

The following fraternities, men and their dates, including the guests of honor, were present: Mr. and Mrs. Floyd Martin, Mr. and Mrs. James

Miss Koula Victoria Pappas, daughter of Mrs. Thomas Johnson, whose engagement to Mr. Sam C. Brown has just been announced.

Stanley, Mr. and Mrs. Fletcher Ashcraft, Mr. Levy Gremillion and Miss Anne Hayward, Mr. John McIntyre and Miss Alice Daniels, Mr. Clarence DeBus and Miss Betty Evans, Mr. Henry Colbert and Miss Roberta Van Eldon, Mr. William Armstrong and Miss Kappy Ann Bracey, Mr. Buster Bair and Miss Charlene Lane, Mr. Dick Eason and Miss Josephine McCook, Mr. Bobby George and Miss Irma Eschminger, Stags were Rhea McCook, Lee Melton, James Swink, John

Woods, Seah DeLee, Billy Stevenson, Ben Marshall, Frederick Bronson, "Bubber" Vaughan, Lee DeMasterson, Billy Eschminger, Jack McCook.

Mrs. J. S. Henderson entertained with a birthday party in commemoration of the eighth anniversary of her son, Jefferson, Jr.

The entire afternoon was devoted to the playing of games and the presentation of favors. The prize winners

ENGAGEMENT ANNOUNCED

were Henry Fergus and Marjorie Eubanks. Later in the afternoon individual cakes embossed in the name of the celebrant, "Jeff," and supporting a single lighted taper were served with ices and other confections to Wilma Sandel, Marjorie Eubanks, Flournoy Unglesby, Betty Sue Copeland, Bobby Garrison, Sarah Herndon Smith, Windsor Garnett, Martha Lee Resor, Bobby Jones, Henry Fergus, Charles Peevey, Joe Kern. Lollypops were presented to the guests for favors.

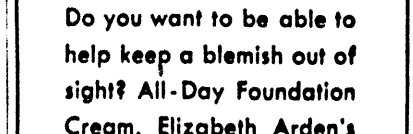

Mrs. W. E. Sandel and Mrs. J. T. Eubanks assisted Mrs. Henderson in extending courtesies to the guests.

## DICK TRACY

YES, MISS TRUEHEART, AS  
YOUR LAWYER - I HAVE VERY  
GOOD NEWS FOR YOU FROM  
THE COURTS.

SIT  
DOWN,  
MR. SMITH.

IN LIGHT OF RECENT EVENTS,  
IT WAS EASY FOR THE JUDGE  
TO SEE THINGS YOUR WAY, AS  
FAR AS THE LAW IS CONCERNED  
YOUR WEDDING TO THE LATE  
EDWARD NUREMOH NEVER  
TOOK PLACE.

ALL LEGAL RECORDS OF THE MARRIAGE HAVE  
BEEN EXPUNGED!

THANK  
YOU. I  
CAN'T TELL  
YOU HOW  
HAPPY I  
AM.

INCIDENTALLY, I STOPPED  
BY HEADQUARTERS TO TELL MR.  
TRACY THE GOOD NEWS  
AND THEY SAID HE HADN'T  
BEEN THERE ALL DAY.

MEANWHILE...

NOW LISTEN, SON,  
WHEN THE CAR YOU  
WERE IN SIDE-SWIPED  
OUR CAR, WHAT DID  
THE MAN SAY?

HE SAID:  
"OH, OH!  
THAT'S THE  
COPS. WE'VE  
GOT TO  
BEAT IT."

THEN WHEN WE TURNED  
AND STARTED TO CHASE  
YOU, THEY DROVE OUT TO  
THE EDGE OF TOWN AND  
TOSSED YOU AND YOUR  
DAD'S FURS OUT OF  
THE CAR AND SPED  
ON, EH?

THAT'S  
RIGHT.

WHEN THEY STOLE  
THE FURS FROM MY  
DADDY'S FARM, I  
YELLED SO MUCH  
THEY TOOK ME  
ALONG TO KEEP  
ME QUIET.

HM-YOUR  
NAME'S  
GIBBONS, EH?  
I KNOW WHERE  
THE GIBBONS  
FOX FARM IS.

WELL, ALL THE EVIDENCE  
WE HAVE IS THAT TIRE  
TRACK IN THE MUD, WHERE  
THEY PULLED OFF THE  
PAVEMENT TO DUMP THE  
BOY AND THE PACKAGE.

WE'D  
BETTER  
TAKE A  
CAST OF  
THAT  
TRACK,  
TRACY.

BUT YOU CAN'T  
MAKE A CAST OF  
A TIRE TRACK  
IN **SOFT MUD**,  
CAN YOU?

OH, YES,  
INDEED,  
JUNIOR!

YOU TAKE DRY PLASTER-  
PARIS AND SPRINKLE IT  
LIGHTLY ON THE MUD. IT  
BECOMES DAMP AND SOON  
SETS.

AFTER THE FIRST LAYER  
OF PLASTER-PARIS GETS  
HARD ENOUGH TO WITHSTAND  
WEIGHT YOU ADD ENOUGH TO  
MAKE A SUBSTANTIAL  
MASS, THEN ADD WATER.

LATER

OKAY. WE'VE WAITED  
AN HOUR. NOW WE'LL  
PICK IT UP AND WASH  
OFF THE MUD IN THAT  
STREAM BELOW.

THERE YOU ARE!  
-A PERFECT REPRODUCTION  
OF THE FUR THIEVES'

MYSTERY

AS GAWA BOASTED WHAT HE WOULD DO TO TARZAN, A SINGLE COMBAT THE APE-MAN DROPPED DOWN AMONG THE ASTONISHED WARRIORS. "CHOOSE YOUR WEAPON," THE JUNGLE LORD SAID. "GAWA! TARZAN NEEDS NO MONEY!"

GAWA WAS AWED BY TARZAN'S BOLDNESS, BUT HE DARED NOT REVEAL HIS FEAR TO HIS COMRADES.

THE YOUNG WARRIOR LEAPED FORWARD WITH HIS SPEAR. TARZAN STEPPED LAUGHINGLY AS HE

AGAIN AND AGAIN THE BULLEGA RUSHED. EACH TIME THE APE-MAN DODGED, UNTIL GAWA WAS COMPLETELY UNNERVED.

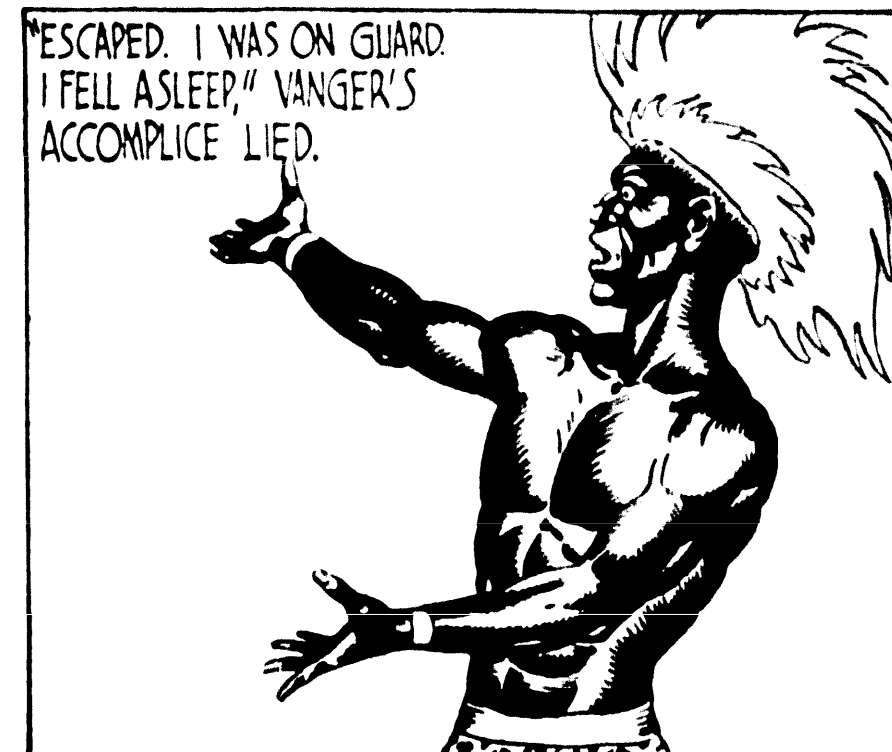

THEN TARZAN DASHED IN, SEIZED HIM, AND FLUNG HIM TO THE GROUND. GAWA ROSE WEAKLY, BOWING IN DEFEAT.

THE JUNGLE LORD HURRIED TO GROOT CARLUS, AND CUT THE ROPES THAT BOUND HIM.

"NOW WHERE IS THE GIRL YOU CAPTURED?" TARZAN DEMANDED OF THE WARRIORS.

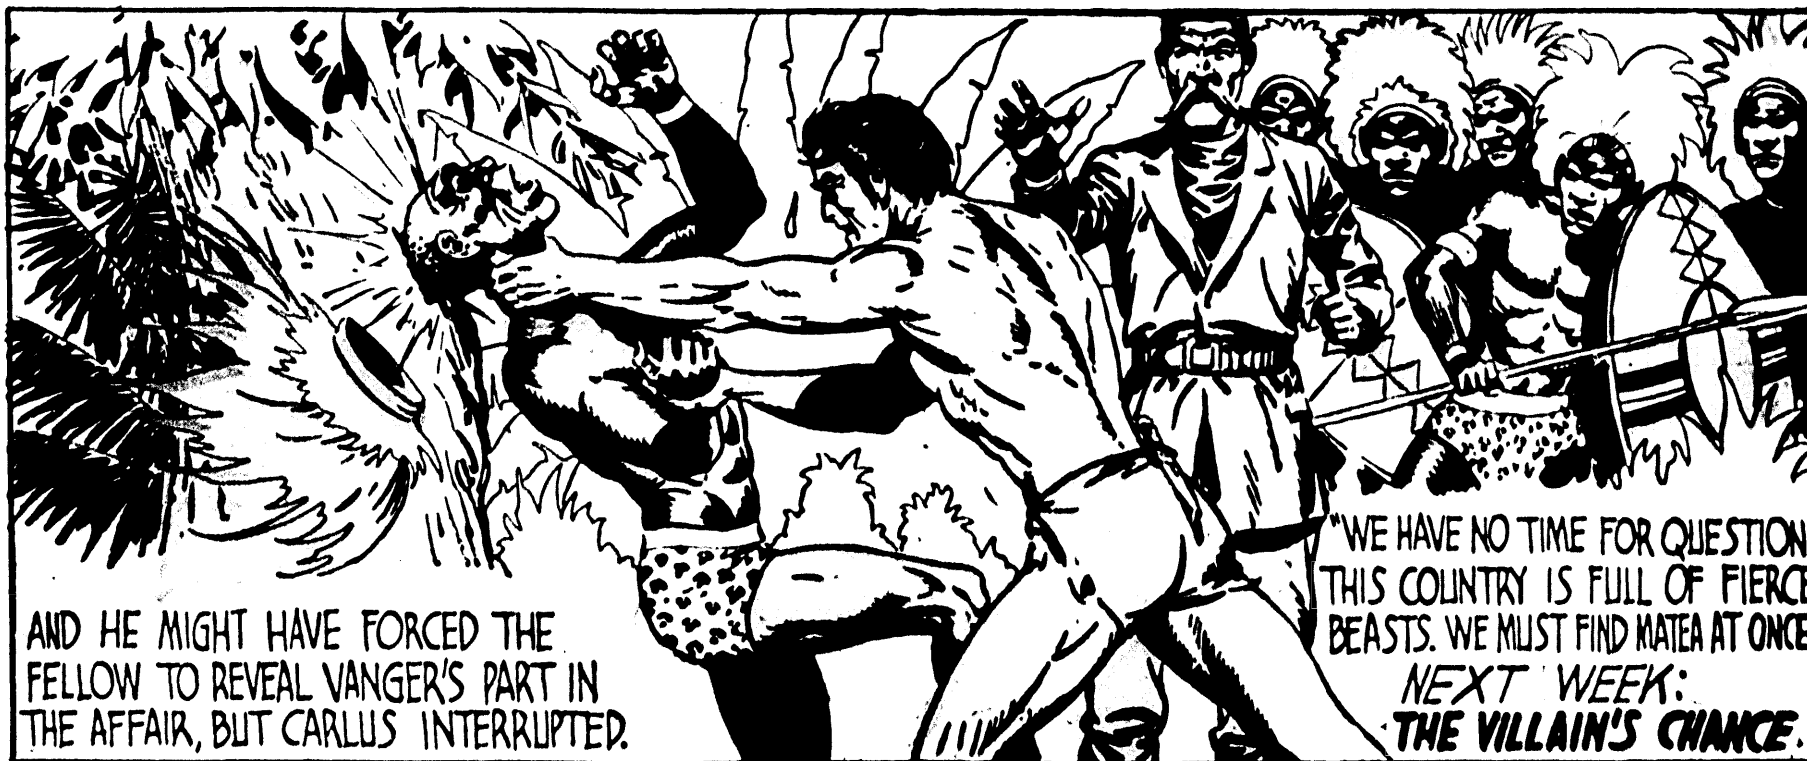

"ESCAPED. I WAS ON GUARD. I FELL ASLEEP," VANGER'S ACCOMPLICE LIED.

HOBARTH—

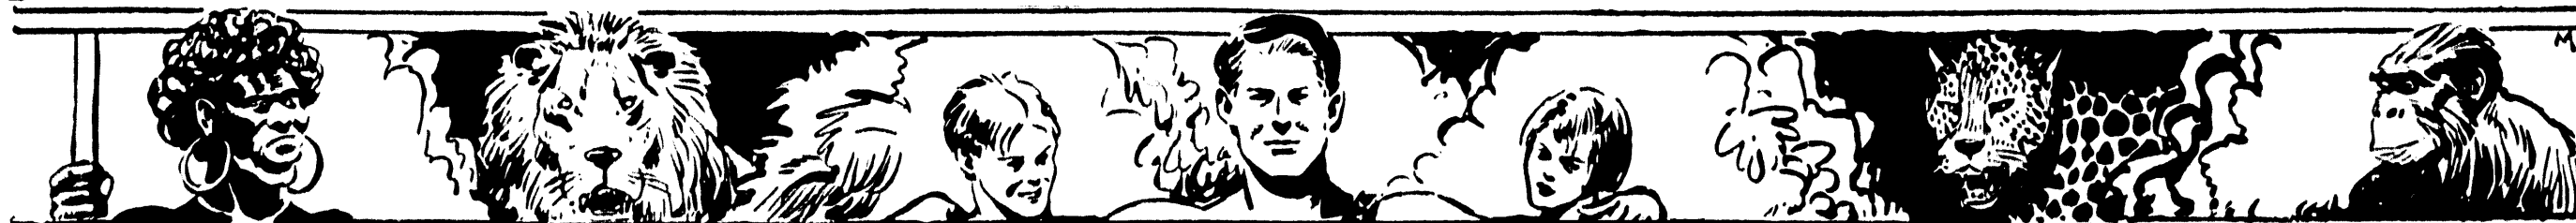

"BULLEGA GUARDS DO NOT FALL ASLEEP," TARZAN FROWNED. HE SUSPECTED SOME MYSTERY HERE.

AND HE MIGHT HAVE FORCED THE FELLOW TO REVEAL VANGER'S PART IN THE AFFAIR, BUT CARLUS INTERRUPTED.

"WE HAVE NO TIME FOR QUESTIONS. THIS COUNTRY IS FULL OF FIERCE BEASTS. WE MUST FIND MATEA AT ONCE!"

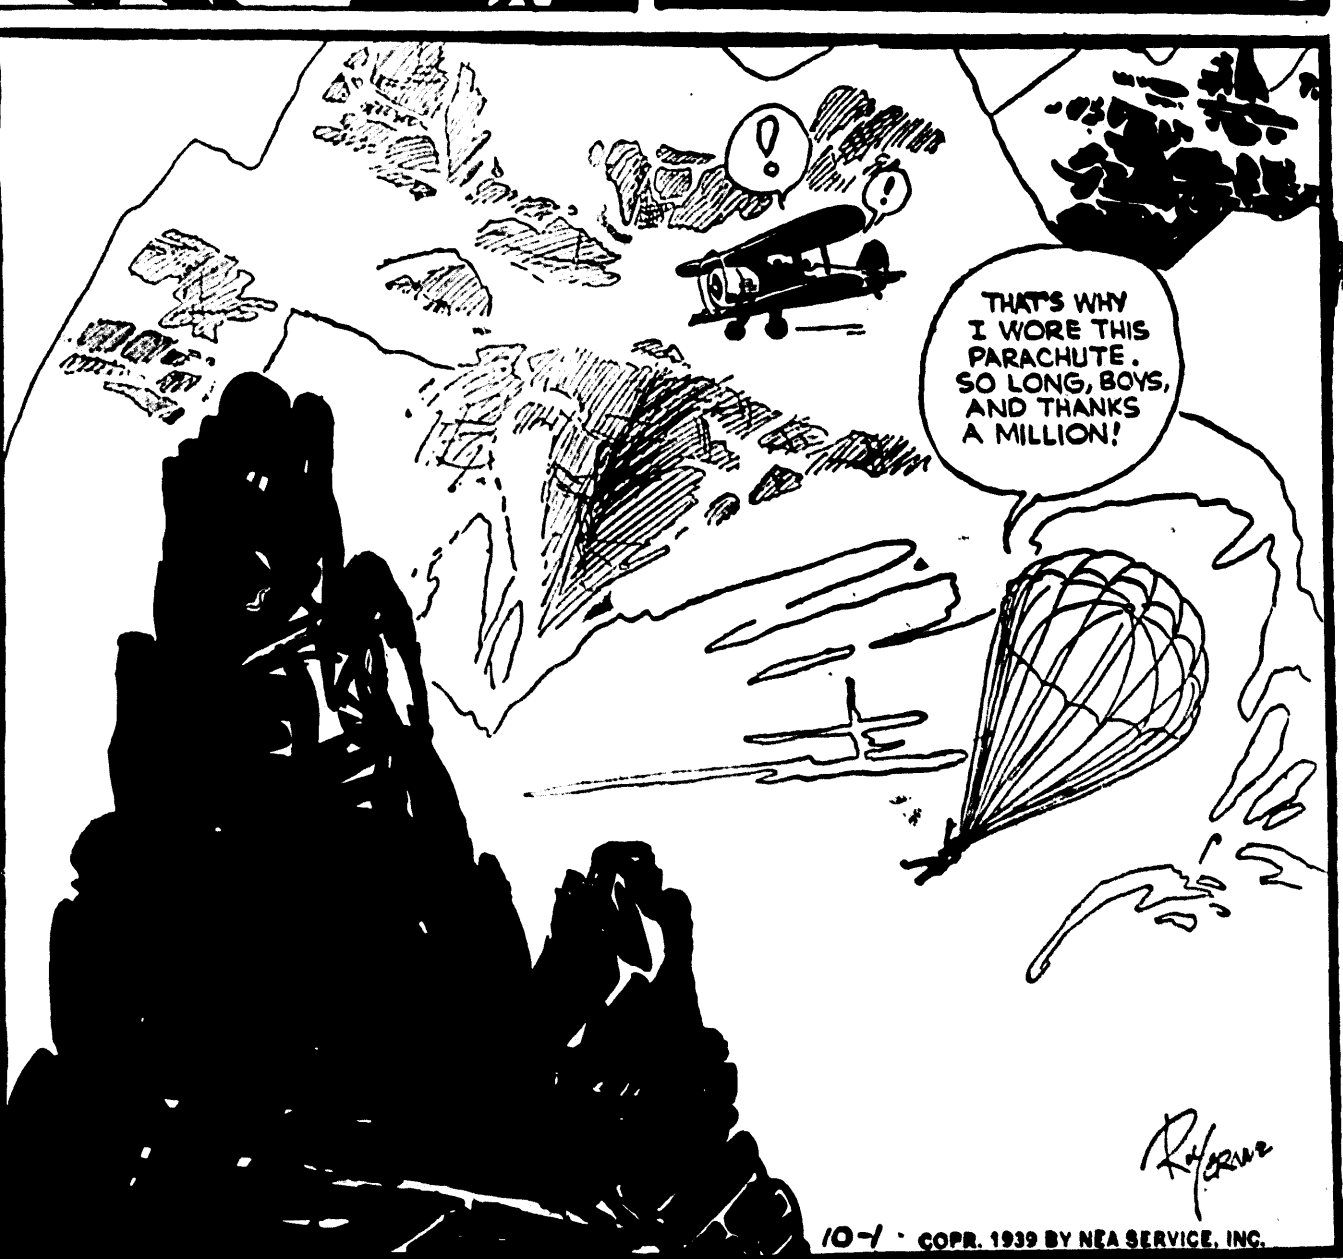

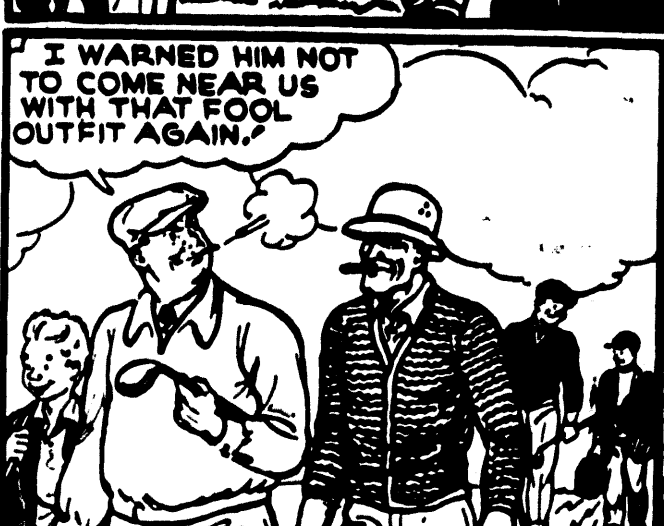

NEXT WEEK: THE VILLAIN'S CHANCE.

EEK! IT'S GETTING WORSE! OH...

STEADY. STEADY. DON'T JERK YOUR HEAD SO MUCH OR...

WHY GEORGE BUNGLE!  
IS THAT A SCISSORS  
YOU WERE  
JABBING  
IN MY  
EAR?

I COULDN'T FIND  
THE TWEEZERS,  
AND SO...

I'VE BEEN HERE FOR TWO WEEKS!

HELLO... OWL DRUG STORE...  
MAMMA... STEN SAM, WHAT  
DOES SHARP PAIN  
FEEL LIKE IN THE ARM  
WHEN AFTER  
YOU'VE BEEN  
STABBED  
WITH A  
SCISSORS?

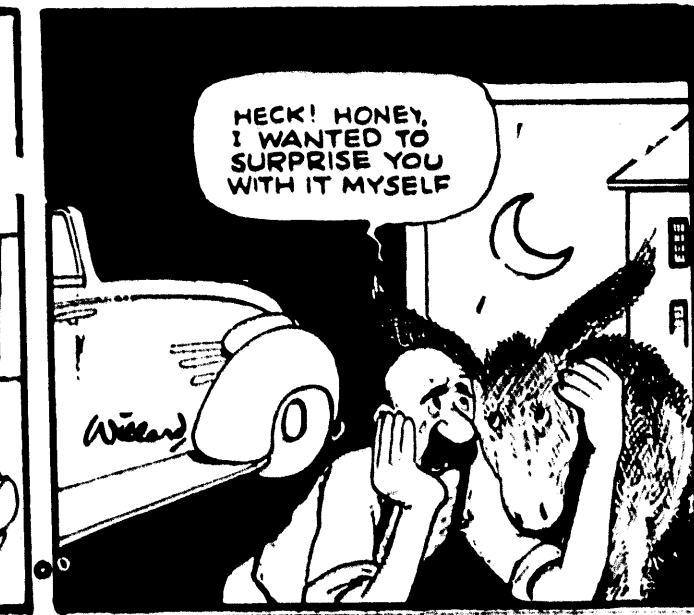

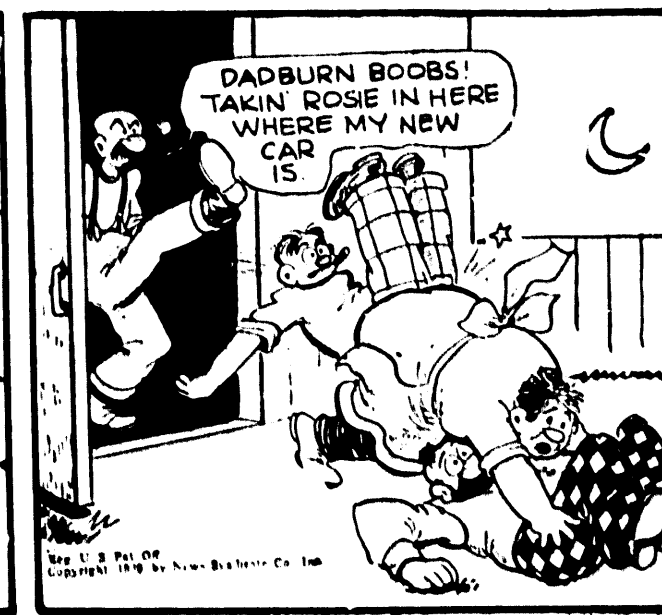

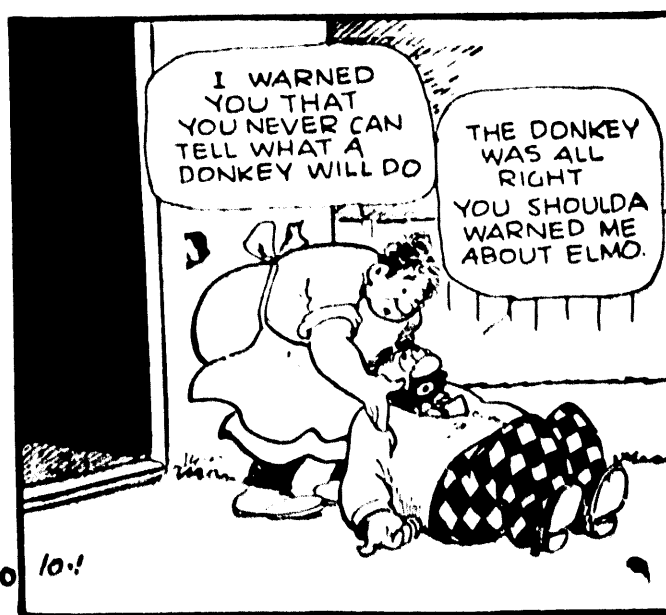

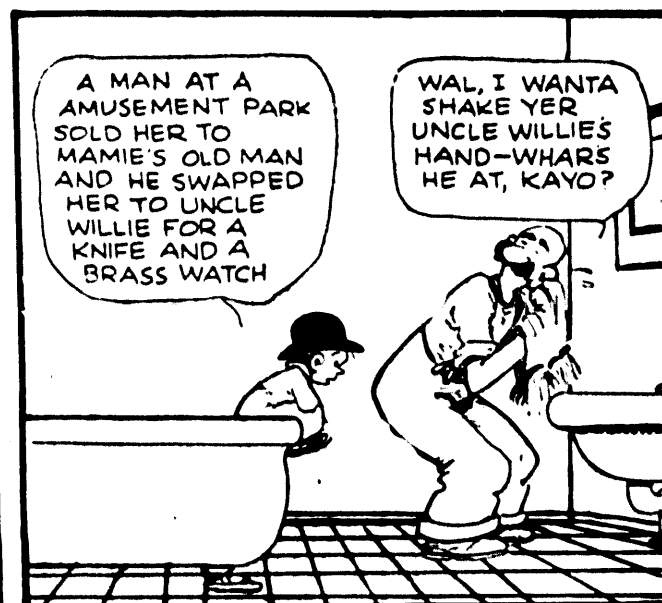

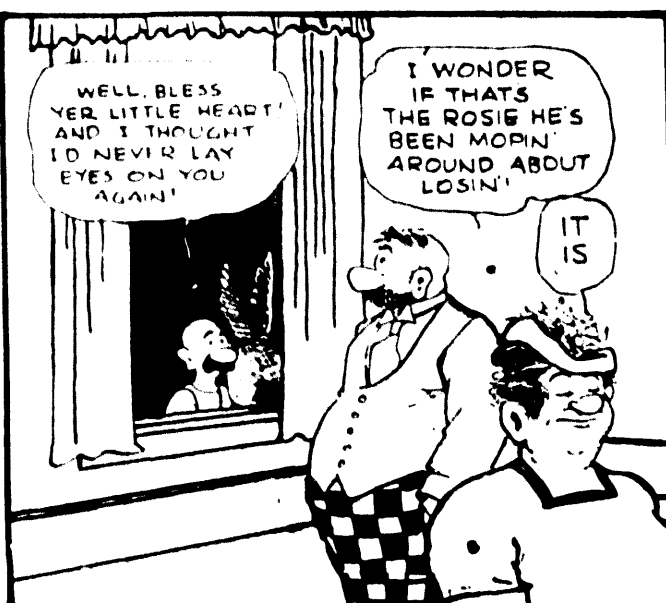

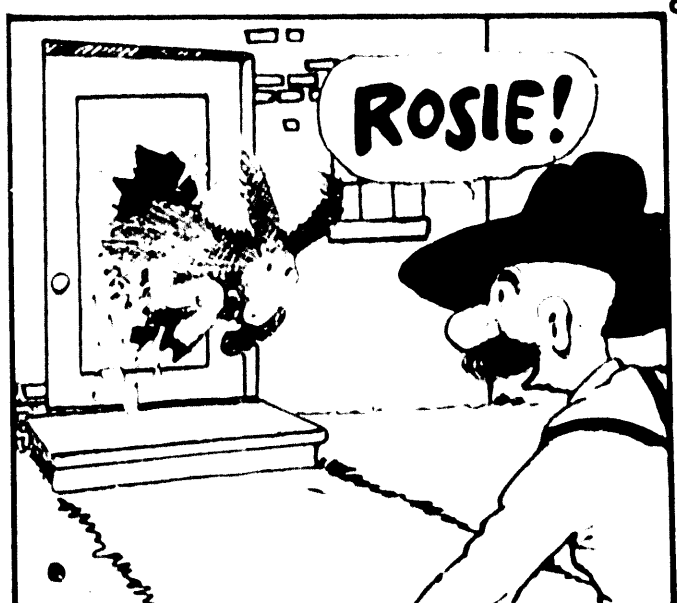

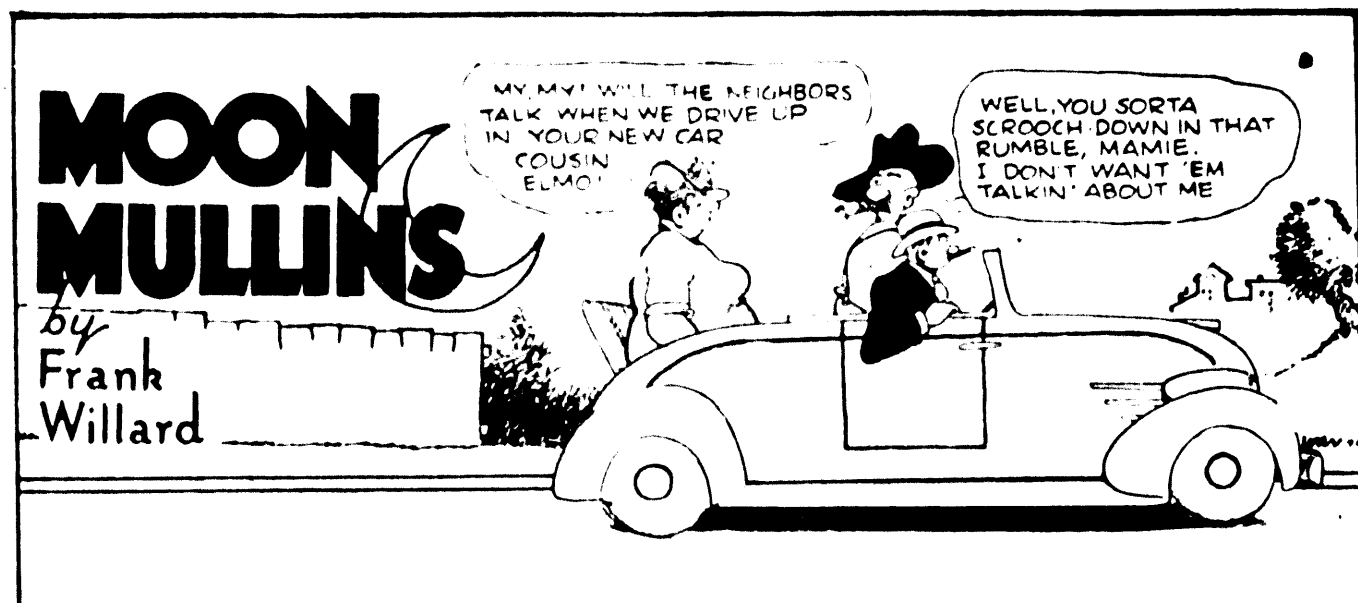

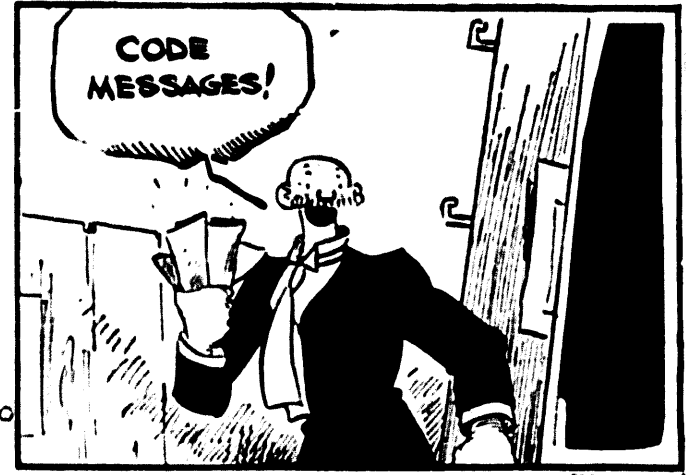

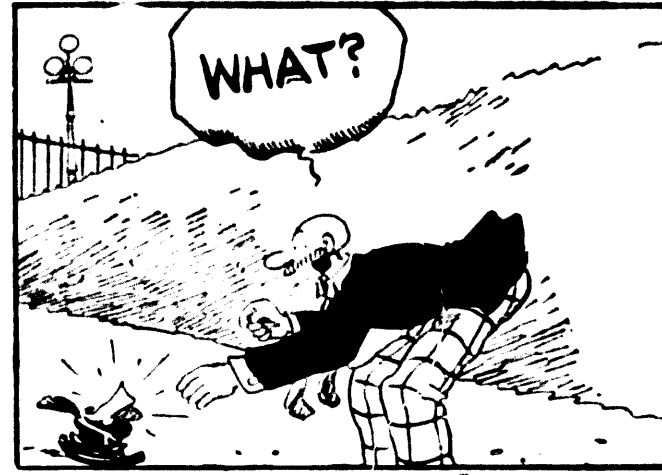

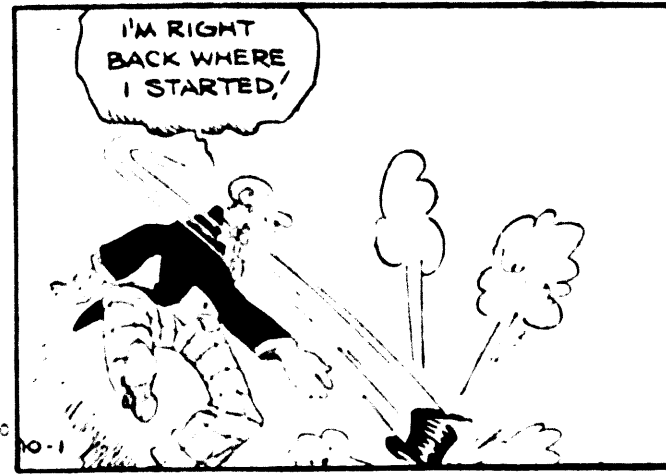

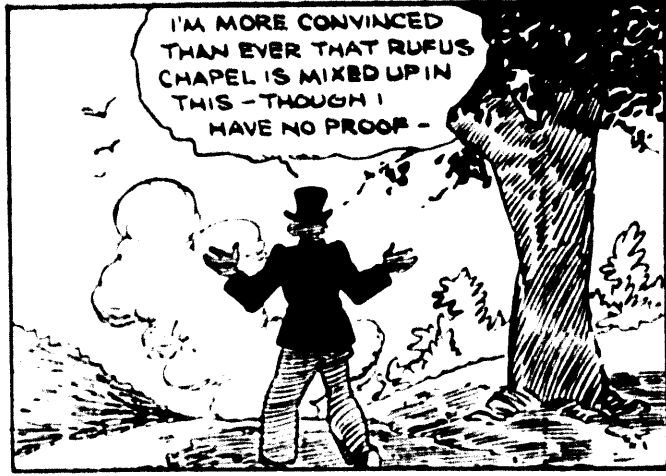

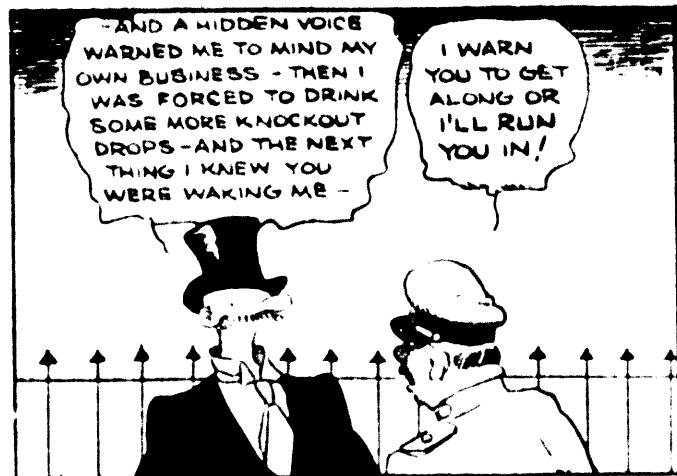

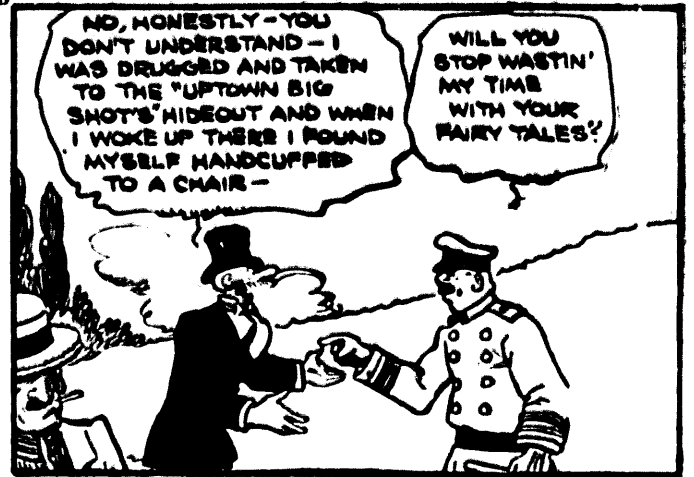

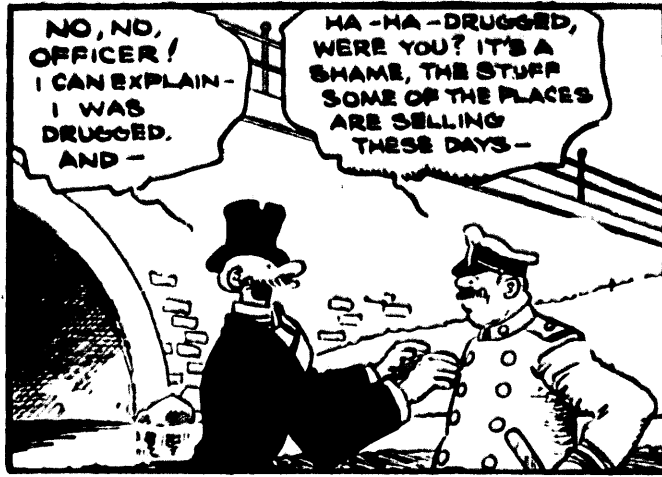

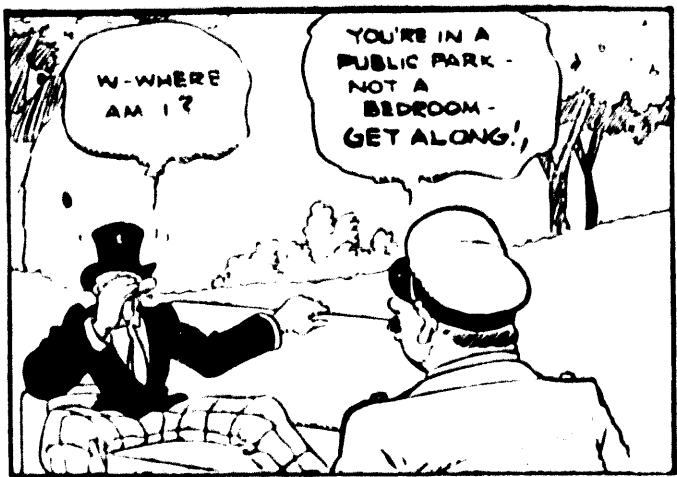

THE IDEA! HIM  
JABBING A  
SCISSORS IN MY  
EAR AND... OH  
THERE'S THAT  
BUZZING,  
GNAWING  
AGAIN.  
EEEEK.
